VARIANCE REQUEST

These are the questions that must be answered by the Board of Adjustments when considering a variance. Please answer these questions as clearly as possible.

1.	Are there special circumstances or conditions (such as physical shape, surroundings or conditions) applicable to the land or building for which the variance is sought, which are unique to such land or building and do not apply generally to land or buildings in the zoning district? Yes No					
	a. What are the special or unique conditions or circumstances?					
	b. Do the special conditions or circumstances result from the actions of the applicant? Yes No Explain:					
2.	Would strict application of the ordinance deprive the applicant of <u>any</u> reasonable use of the applicable land or building? Yes No Explain:					
3.	Would granting the variance confer to the applicant any special privileges denied by the zoning ordinance to others in the same zoning district? Yes No Explain:					
4.	Would a strict application of the ordinance cause an unnecessary or unreasonable hardship, as distinguished from a mere inconvenience or monetary expense, to the applicant? Yes No Explain:					
5.	Is the hardship created by the applicant? Yes No					
6.	Is the variance requested the minimum variance necessary to make possible a reasonable use of the land, building or structure? Yes No					
7.	Would granting the variance be in harmony with the general intent and purpose of the ordinance and not be injurious to the area involved or otherwise detrimental to the public welfare? Yes No
