### **Instructions to Bidders**

#### **SCOPE:**

It is the intent of the City of Hammond to secure pricing on the **Annual Uniform Bid for Public Safety** (i.e. the City of Hammond Fire and Police Departments). Bid prices will be for the purchase of the uniforms used by these two departments. No specific quantities are given or guaranteed. All uniform orders will be placed on an "as needed" basis. This contract shall remain in effect for a period of twelve (12) months from bid award date. Contingent upon the ability of the successful bidder to honor the quoted bid prices, the City reserves the right to renew the existing contract for an additional two twelve (12) month periods.

The following bid specifications are to be used as minimum and maximum standards for the Annual Uniform Bid for Public Safety, for use by The City of Hammond Fire and Police Departments. All quoted products shall either meet or exceed the following bid specifications. Unless otherwise stated, the use of manufacturer's name and product numbers are for descriptive purposes and to establish general quality levels only, they are not intended to be restrictive.

All products being bid shall be new and un-used only.

#### **INITIAL MEASUREMENTS:**

Initial measurements shall be made at the department locations to be designated by the City after bid has been awarded. Measurements shall be performed on an "as needed" basis at the designated locations without disruption of the normal operation of the City departments. The successful bidder shall be responsible for coordinating a time schedule with City department heads for employee measurements.

#### **ALTERATIONS:**

All alterations shall be performed in a timely manner and shall be performed to the satisfaction of the City employee for whom the garment is intended. All alterations shall be at NO COST to the City of Hammond and its using departments.

#### **EMBLEMS:**

All patches and rank stripes (hash marks) shall be furnished by the City of Hammond Fire and Police Departments to the vendor to whom bid has been awarded. Successful bidder is responsible for sewing on the appropriate patches and rank stripes to each uniform garment ordered at NO additional cost to the City of Hammond.

#### **EMBROIDERIES:**

Embroideries will be an additional charge depending on both location, size and department needs.

#### **COLORS:**

Unless otherwise designated, colors shall be selected by the using department(s) prior to order placement.

#### **Uniform Delivery:**

The successful bidder shall be responsible for delivering uniform orders to the appropriate City department at NO cost to the City of Hammond. Each order shall be bagged or packaged for each individual department employee. The bag/package shall include the employee's name and department with a listing of the contents (i.e. 2-shirts, 4-pants, and 1-jacket)

#### **Liability:**

The Contractor shall assume the defense of and indemnify and save harmless the City and its Officers and Agents from all claims relating to work.

The Contractor shall be responsible for any and all damages or claims for damages or injuries or accidents done or caused by him or his employees, or resulting from the execution of the work, or any

operations, or caused by reason of existence or location or condition of facilities or of any materials, supplies, or machinery used thereon or therein, or neglect or omission on his part, or all of the several acts or things required to be done by them, under and by these conditions, and covenants, and agrees to hold the City harmless and indemnified for all such damages and claims for damages.

The Contractor shall indemnify and save harmless the City from and against all losses and all claims, demands, payments, suits, actions, recoveries and judgments of every nature and description made, brought or recovered against the City by reason of any act or omission of the Contractor, his agents or employees, in the execution of his work.

#### **NON-DELIVERY**

**In the event a successful bidder is unable to furnish and/or refuses to provide service when requested to do so, the City reserves the right to obtain service elsewhere and bill the contractor for the difference between his quoted price and the actual cost.**

#### **Notes**

**BIDDERS ARE URGED TO PROMPTLY REVIEW THE REQUIREMENTS OF ALL SPECIFICATIONS AND SUBMIT QUESTIONS FOR RESOLUTION AS EARLY AS POSSIBLE DURING THE BID PERIOD. QUESTIONS OR CONCERNS MUST BE SUBMITTED IN WRITING TO THE PURCHASING AGENT DURING THE BID PERIOD AND SHALL BECOME PART OF YOUR BID PACKAGE. OTHERWISE, THIS WILL BE CONSTRUED AS ACCEPTANCE BY THE BIDDERS THAT THE INTENT OF THE SPECIFICATIONS IS CLEAR AND THAT COMPETITIVE BIDS MAY BE OBTAINED AS SPECIFIED HEREIN. PROTESTS WITH REGARD TO THE SPECIFICATION DOCUMENTS SHALL NOT BE CONSIDERED AFTER BIDS ARE OPENED.**

Bid Packages are mailed only as a courtesy. The *City of Hammond* does not assume responsibility for bidders to receive bid packages. Bidders should rely only on advertisements in the local newspaper, and City's website [www.hammond.org](http://www.hammond.org) and should personally pick up bid packages with specifications. Full information may be obtained, or questions answered, by contacting the *Purchasing Department, Hammond City Hall Complex, 310 East Charles Street* or by calling (985) 277-5633.

**These specifications are written in a manner to invite open competition. Any manufacturer's names, trade names, brand names, or catalog numbers used in the specifications are for the purpose of describing and establishing general quality levels. Such references are not intended to be restrictive unless the invitation to bid states that only the brand name will be considered for reasons of compatibility, etc.**

**The Proposal number, Bidder's name, address, License Number (if applicable) and bid opening date shall be clearly printed or typed on the outside of the proposal envelope. Only one (1) proposal shall be accepted from each bidder. Alternates shall not be accepted unless specifically requested in the bid specifications. Submission of more than one (1) proposal or alternates not requested may be grounds for rejection of all bids by the bidder.**

The method of delivery of proposals is the responsibility of the bidder. All bids shall be received by the Purchasing Department, Hammond City Hall Complex, 310 East Charles Street Hammond, Louisiana on or before the specified bid opening date and time. Late bids shall not be accepted under ANY circumstances. It is the bidder's sole responsibility to insure that their proposal has been delivered and accepted with ample time to meet all specified deadlines.

Normally, bid bonds will not be required on bids for materials, supplies, annual contracts or small labor contracts. If a bid bond is required, it will be specifically requested on the bid form and included in the specifications.

Proposals shall be accepted only on the forms furnished by the City of Hammond Purchasing Department. The City of Hammond shall only accept proposals from those bidders in whose name the bid forms and or specifications were issued. Altered or incomplete bid forms, or use of substitute forms or documents, shall render the bid non-responsive and subject to rejection. The Bid package, including copies of any addenda issued shall be submitted to the Purchasing Department as THE BID.

All bids must be typed or written in **BLUE/BLACK INK**. Any erasures, strikeover and/or changes to prices shall be initialed by the bidder. Failure to initial shall be cause for rejection of the bid as non-responsive.

All bids shall be signed. Failure to do so shall cause the bid to be rejected as non-responsive.

Where one (1) or more vendor's exact products or typical workmanship is designated as the level of quality desired or equivalent, the Purchasing Agent, after study and review, reserves the right to determine the acceptability of any equivalent offered. The decision, after study and review, shall be final and binding.

If bidding "equivalent" products, specifications, illustrative literature and any deviations shall be submitted with bid. Representative samples shall be submitted upon request, if appropriate.
