TERMS OF SALE

Your purchase of goods from Digital Ally, Inc., a Nevada corporation ("Digital Ally") will be governed by the following terms of sale ("Terms"). You will be referred to throughout these Terms as "you".

1. Exclusion of Other Terms; Entire Agreement. Additional or different terms or conditions proposed by you (including any additional or different terms provided in a purchase order) will be void and of no effect unless specifically accepted in writing by Digital Ally. Digital Ally's sales invoice, the limited warranty accompanying the Goods, these Terms, and any special conditions agreed to in writing and signed by you and Digital Ally are incorporated and collectively referred to herein as the "Order", which supersedes and cancels all prior communications between us, whether verbal or written, and constitutes the entire agreement between us unless modified in writing and signed by each of us. In the event of a conflict between these Terms and the terms of any special conditions agreed to in writing and signed by you and Digital ("Additional Agreement(s)"), the terms of those Additional Agreements shall take precedence over these Terms but only with respect to the product or specific purchase to which such Additional Agreement applies, except as otherwise provided in such Additional Agreement. If your purchase includes a license or

To Whom It May Concern:

Digital Ally, Inc. of Lenexa, KS is the sole manufacturer of the Digital Ally Model DVM-800, In-Vehicle Digital Video Rear View Mirror System and it is a Sole Source item. There are no other In-Vehicle digital or analog video systems that offer the following unique features of the DVM-800 and its one piece design.

1. Digital video and audio recording electronics integrated in a replacement rear-view mirror module.
 2. Color TFT Monitor to view recordings or real time scenes integrated into a replacement rear-view mirror module and is invisible when not activated.
 3. A one piece in-vehicle digital video system with an interior video road facing, interior driver facing color camera integrated into a replacement rear-view mirror module
 4. External 12x optical zoom camera.
 5. In-vehicle digital video system with automatic record triggering and a pre-event record feature integrated into a replacement rear-view mirror module.
 6. In-vehicle digital video system recording onto a 32 Gigabyte internal solid state memory and optional 32 Gigabyte removable SD card located behind a locking door.
- This system is only sold direct to the end user through Digital Ally Inc. exclusive sales agents. There is no other like item or product available for purchase that would serve the same purpose or function and there is only one price for the above product. If you desire additional information, please do not hesitate to contact me at 913-814-7774 or visit our website at www.digitalallyinc.com . Thank you for your interest in our products.

Sincerely,

Greg Dyer

Subject: Digital Ally Cameras

Jana & Jason,

It is of my recommendation, that until further notice ALL in-car and body cameras purchased by the police department be from the company Digital Ally. The cameras purchased are part of a larger system that includes equipment to manage and archive the video files. It is necessary to use their camera equipment for the system to work.

Sincerely,

Marcus G. McMillian
