To Whom It May Concern,

I am submitting this written request to the Hammond City Council to appeal a decision of the Hammond Historic District Commission. The application that I am requesting the Council to review and reverse is an application from the City of Hammond for Cate Square Park new construction that was approved by the Commission on August 21, 2019. I am making this request in accordance with City Ordinance 8.1.12 which allows for appeals of the Historic District Commission.

Thank You,

Melanie Ricketts
