Put in force after adoption of Charter February 1899, and at the time of revision of Ordinances in May 1899, as follows.

Be it enacted that the Street Commissioner shall have general supervision of all the streets, alleys, roads, bridges, drains, culverts, and public grounds, and shall cause the same to be kept clean and in good repair, and do such other acts and things in relation to improvements as he shall from time to time be directed by the Town Council.
Ordinance No. 11
Providing for Sidewalks

Section 1. Be it enacted by the Council of the Town of Hammond, that whereas it shall become necessary in the judgment of the Town Council, it shall become necessary to grade any street or avenue, in said Town or to make or construct, any ditch, drain or passageway for surface water, or any sidewalk or pavement, or make any other local improvement, except ordinary repairs; said Council shall pass an ordinance to that effect, which ordinance shall specify the character, locality, and description of such proposed local improvements, and when so ordered, if the estimated cost thereof exceed twenty-five dollars, the contract for making the same shall be let to the lowest responsible bidder.

Section 2. The grade for sidewalks shall be given, in the several wards of the Town, by the Street Commissioner until a permanent grade shall be established by the Town Council. It shall be the duty of the Street Commissioner to superintend the construction of sidewalks, so far as it may be necessary to compel their construction of material and in the manner prescribed in this act.

Section 3. If any person shall build or aid in building any sidewalk, when no grade has been established, without first obtaining a grade therefor from the Street Commissioner, or contrary to any
Section 8. The street side walks shall be of brick or stone, and shall be made 3 feet wide, except at the intersections of other streets, where they shall be at least 4 feet in width, and at all other points shall be at least 3 feet in width. The sides of the sidewalks shall be of a uniform height, and the same shall be extended into the street to the best advantage of the public. The sidewalks shall be kept clean, and free from obstructions of every kind.

Section 9. The street crossings shall be made of brick, and shall be at least 2 feet in width, and shall be extended into the street to the best advantage of the public. The street crossings shall be kept clean, and free from obstructions of every kind.

Section 10. The street crossings shall be made of brick, and shall be at least 2 feet in width, and shall be extended into the street to the best advantage of the public. The street crossings shall be kept clean, and free from obstructions of every kind.

Section 11. The street crossings shall be made of brick, and shall be at least 2 feet in width, and shall be extended into the street to the best advantage of the public. The street crossings shall be kept clean, and free from obstructions of every kind.
without first having obtained written permission from the Street Commissioner, under a penalty of $25.00 for each day or part of day such incumbrance of obstruction shall continue.

Section 9. The Street Commissioner is hereby vested, under the supervision of the Town Council, with the general charge of the streets and public greens of the Town, and it is made his duty and also that of the Mayor and Marshall to order the immediate removal of any article or thing whatsoever, that may encumber any street, sidewalk, or other public ground and if such article or thing shall not be removed within one hour after the notice to the owner thereof to remove the same, or if the owner cannot be found for the purpose of such notice, to cause the same to be removed to some suitable place to be designated by the Mayor, and the owner of any article so removed shall forfeit a penalty of not less than $5 nor more than Fifty dollars in addition to the cost of such removal.

Section 11. The owner of any building, fence, or other obstruction now standing on which may hereafter be erected or placed upon any street or sidewalk, or other public greens, within the town, shall remove the same within thirty days after he shall be required to do so by a written notice signed by the Mayor, under a penalty of $25.00, twenty-five dollars, and one hundred dollars additional for every thirty days the same shall remain.

Whereas, the owner of any building, fence, or other obstruction upon any street or
sidewalk, or public ground in this town, shall refuse or neglect to remove the
same, after notice, as provided in the preceding section, the same shall be
declared a nuisance, and it shall be
lawful for the Mayor to declare the
same to be removed, or taken down in
his discretion, and the expense thereof
shall be incurred by the owner, in an
action of assumpsit, and every person
who shall oppose or resist the execution
of the orders of the Mayor in the premises,
shall forfeit a penalty of fifty dollars.

Section 12. No person shall throw or
deposit any straw, dirt, filth, chips,
shells, paper or any other rubbish in
any street, or any public ground in the
town, under a penalty of not less than
one or more than ten dollars for each
offense, and the like penalty for every
hour the same shall be suffered to
remain after notice to remove the same
be given by the Mayor, Marshall or
Street Commissioner.

Section 13. Any person who shall
obstruct or aid, or abet any person or
persons in obstructing the Street
Commissioner in the discharge of his
duties, as presented in the foregoing
sections, shall forfeit and pay to the
town, not less than five nor more than
twenty dollars for each offense.

Section 14. There shall be reserved a
space of 10 feet from the street line of
every lot in the city for sidewalk
purposes, which shall be kept free from
all obstruction, provided it shall be
lawful for the owners of any real estate
to plant shade or ornamental trees, during
Section 15. Any person or persons who shall sell, or attempt to sell, or shall cry at public auction within the Town, any goods, chattels, or personal property whatever, to any person upon the sidewalk or street, so as to collect a crowd of people upon the said sidewalk or street, whereby the free passage of persons is prevented or hindered, shall be deemed guilty of a nuisance, and of obstructing the sidewalk or street and shall be heavily fined in a sum of not less than eight, nor more than fifty dollars for each offense.

Section 16. No person shall cross or pass over any sidewalk, with any horse, horses, mules, oxen, wagons, carriages, or other vehicle, whatever, or ride or drive thereon, except it be necessary to cross the same to get into a yard or lot, when no other suitable crossing, or means of access is provided under a penalty of two dollars for each offense.

Section 17. It shall be the duty of the Mayor, Marshall, or Street Commissioner to cause any obstruction erected, placed, or continued, contrary to the provisions of this ordinance to be removed in a reasonable time after notice to that effect, by either of the Officers aforesaid, has been served upon the party or parties erecting, placing or continuing such obstruction, and the owner, agent, or party causing such obstruction shall pay all expenses and costs of such removal in addition to the penalties aforesaid.

Relative to School Trustees for Municipality

Section 1. Be it enacted and it is hereby ordained by the authority invested in this Council by the Charter, - The Council of the town of Hammond shall, on the 1st Tuesday in May 1896, and annually thereafter, appoint three school directors who shall serve for one year or until their successors are appointed.

Section 2. - Be it further ordained that the school directors shall have entire control of Block No. 69, and the buildings thereon, and be responsible to the town for their good preservation, make rules for their protection during school session, see that they are at all times adequately insured, and make such recommendations to the Town Council for improvements as in their judgment the growth of the town or advancement of education may require.

Section 3. - Be it ordained that it shall be the duty of paid school directors to meet with the Town Council on the 1st Tuesday of June of each year to present their budget of expenses for the fiscal year next succeeding (or following). After due consideration and such alterations as the Council may deem proper, said budget shall be then agreed upon by paid directors and trustees of said Town of Hammond, and this shall be the school budget for the fiscal year aforesaid.

Section 4. - Be it ordained, that the paid directors shall have placed to their credit with the Town Treasurer the amount of funds...
as above agreed upon, to be by said directors, drawn by the issuance of vouchers, signed by the President and Secretary of the Board stating that it is for school purposes, and what those purposes are. An itemized account shall be kept by the Secretary in a suitable bound book, which book may be inspected by the Board of town trustees at any time.

Section 5. Be it further ordained that the above mentioned budget and such other income as is derived from the parish, state and state laws, shall constitute the total income for school purposes. That the said total income is to be expended by the said directors for the preservation of the school buildings, and the promotion of learning as in their judgement will be to the highest interest of all concerned in the advancement of education.

The said directors shall decide upon the number and grade of teachers, and the number of months to be taught, the price to be paid the teacher of each grade, and make contracts for the town with said teachers, approve the rules of government and of branches taught, have power to collect fuel and incidental fees and all such other powers granted to directors of schools under state or parochial laws, but the said directors shall not expend any more in any one fiscal year than the income for that year, and before the close of each fiscal year the secretary of said school board shall make an itemized statement of all receipts and expenditures to the town council accompanied
with such recommendations, if any, as said school board may make.

Section 6. Be it further ordained that any resolution or resolutions heretofore passed not consistent with this Ordinance are hereby repealed.

Call for Special Election

To the Mayor & Council of the Town of Hammond, La.

Gentlemen,

We the undersigned comprising more than one-third of the property taxpayers of the town of Hammond, as appears by assessment roll of said town, in view of the great benefits to be derived by said town from the construction and operation of a railroad between the City of Baton Rouge and the town of Hammond and Covington and eastwardly to and beyond Pearl river, respectfully petition your honorable body to levy a special tax of (5) five mills per annum, for a period of 10 years, upon the taxable property of said town of Hammond, in aid of the Baton Rouge, Hammond and Eastern R. R., a corporation domiciled at Baton Rouge, in the parish of East Baton Rouge, La., and organized under the laws of Louisiana, for the purpose of building and operating a railroad between the city of Baton Rouge in the parish of East Baton Rouge, Hammond in the parish of Tangipahoa, and thence beyond to such points in Pearl River, and in the State of Louisiana and Mississippi and also to such points & places on Mississippi Sound and the Gulf of Mexico, as the Board of directors of such corporation may determine. That said tax be levied for the years 1903, 1904, 1905, 1906, 1907, 1908, 1909, 1910, 1911 & 1912.

Provided, however, that no part of said tax shall be levied, collected or paid over to said
railroad, until paid railroad be completed
and in operation between the City of Baton
Rouge and the Town of Hammond, with
suitable depots for passenger and freight
traffic within such city and town; and
that should paid railroad be not so
constructed and in operation before the
first day of September of any year, for
which such tax is levied, then the tax
levied for that year and all previous
years shall be forfeited and no part
thereof shall be collected.
We further petition your honorable
body to order an election according
to law, and to proper Ordinance to
submit the paid tax to a vote of the proper
taxpayers of the Town of Hammond, in
accordance with the Constitution of law of

Ordinance No. 57

Whereas the growth of the electrical business and the occupancy of our streets by persons engaged in telephone, telegraph, electric light and power service, renders it necessary that the erection of poles and wires be done in such a manner as to serve the public interest, and at the same time protect life & property, and whereas this protection cannot be afforded unless the operation of the various companies are subject to proper control, therefore be it ordained by the Mayor and Board of Aldermen of the town of Hammond, state of La.:

Section 1. The wires of electrical purposes shall be divided into two classes as follows:— First class, those for telephone, telegraph, & signalling.

Second class: Those for electric light & power.

Section 2. Poles carrying wires of the first class and poles carrying wires of the second class shall be erected on opposite sides of the streets in all cases except where the physical conditions are such as to make this impossible, but permission to vary from this rule must be made by the proper authorities.

Section 3. Poles shall be of such height that the lowest wire shall not be nearer the ground than 19 feet, and the wires of any company shall not come nearer the wires of any other company than 2 feet.

Section 4. Wires of the first class and wires of the second class, must not occupy the same poles, except at crossings, where the conditions may make it advisable.
Section 5. Be it further ordained that this Ordinance shall go into effect immediately in so far as any new work is concerned, and that any reconstruction of existing lines must be done in such a way as the future as will prevent perpetuation, according to the terms of this Ordinance, all existing lines according to their class.

Section 6. Any person, firm, or corporation erecting or having already located poles and wires not conforming to the rules herein laid down, shall be required to remove same promptly upon twenty-four hours written notice being given by the proper authorities to remove same, and unless so removed, the work of removal may be done by the city at the expense of the owner.

Section 7. Any corporation, firm, or person and any employee of any person, firm, or corporation, violating the terms of this Ordinance shall be punished by a fine of not less than $25 or more than $250 for such offense, and by imprisonment in default of payment of the fine, of not more than ten days, each day the violation continues to constitute a separate offense.

An ordinance to levy, collect, and enforce payment of an annual license tax upon all persons, association of persons, or business firms and corporations, pursuing any trade, profession, vocation, calling or business except those who are expressly excepted from such license tax by Article 3:29 of the Constitution; and prescribing the mode and method in which certain persons, subject to license shall make report of their business.

Section 1. Be it ordained by the Mayor and Board of Aldermen of the Town of Hammond, La., that there is hereby levied an annual license tax for the year A.D. 1904, and for each subsequent year, upon each person, association of persons, or business firms, or corporations, pursuing any trade, profession, vocation, calling or business within the corporate limits of the Town of Hammond, La.

Section 2. Be it further ordained that, on the 3rd day of January 1904, and each subsequent year, the Town Tax Collector shall begin to collect, and shall collect as fast as possible from each of the persons or business firms, association of persons and corporations pursuing within this town any trade, profession, vocation, calling or business a license tax, as hereinafter graduated.

All licenses shall be due and collectable during the first two months of each year and all unpaid licenses shall become delinquent on the first day of March of
each year, and all firms who commenced business after that date, shall become delinquent unless the license is paid within ten days.

Section 3. Be it further ordained that the annual license tax shall be based on gross annual receipts, except where otherwise specified in this Ordinance, and the said license tax shall be graduated as follows:

When gross annual receipts are over $40,000 dollars, and less than $60,000 the annual license shall be $40.00.

When paid receipts are over $30,000 and less than $40,000 the annual license shall be $30 dollars. When paid receipts are over $25,000 and less than $30,000 the annual license shall be $25 dollars. When the paid receipts are over $20,000 and less than $25,000 the annual license shall be $20 dollars.

When paid receipts are over $15,000 and less than $20,000 the annual license shall be $15 dollars. When paid receipts are over $5,000 and less than $15,000 dollars the annual license shall be $10 dollars. When paid receipts are 5,000 dollars or less the annual license shall be $5 dollars.

Section 4. Be it further ordained that for each business of carrying on a bank, banking company, association, corporation or agency, the license shall be placed on the Declared or nominal capital and surplus as follows, to wit:

Ordinance No. 83.

An ordinance levying a tax in favor of the Baton Rouge, Hammond & Eastern Railroad, in accordance with the election held on petition of the property tax payers.

Whereas at a regular meeting of the Council of the Town of Hammond on the 5th day of September 1905, a petition was presented to said Council signed by more than one-third of the property tax payers in number and amount of the paid Town of Hammond, praying that a special election be held in said Town, at which should be submitted to the property tax payers of said town entitled to vote thereon, a proposition to levy a special tax of five mills on the dollar on the assessed and assessable property in said Town, in aid of the Baton Rouge, Hammond & Eastern Railroad Company, annually for a period of ten years, from the year 1907 to 1916, both inclusive, the amount to be realized from said tax not to exceed the sum of $2,200.00 in any one of said years, and.

Whereas at said meeting an Ordinance was adopted ordering said election to be held on the 21st day of October 1905, which said election was accordingly held on said date, and resulted in a constitutional majority both in number and amount, in favor of said proposition, the returns of which said election were duly formulated by publication in the "Hammond Vindicator" November 3rd, 1905.
Section 1. Be it ordained by the Council of the Town of Hammond in regular session convened:

That in accordance with said petition and election and subject to all the conditions set forth in said petition, there be and is hereby levied a special tax of five mills on the dollars on the assessed and assessable property in the Town of Hammond Parish of Tangipahoa, annually and for each of the years, 1907, 1908, 1909, 1910, 1911, 1912, 1913, 1914, 1915 & 1916 in aid of the Baton Rouge Hammond Eastern Railroad Company its successors or assigns, and payable to said Company in its order or assigns

Section 2. Be it further ordained:

That if upon the completion of the listing of the property of the Town of Hammond for taxation by the assessor in any one of said years, and upon the submission and approval of the tax list to the Police Jury of the Parish of Tangipahoa, it shall appear from said list that said special tax of five mills will produce for such a year a sum in excess of $2,200.00, then, and in that event the Council shall reduce the rate of special tax for such year, in such a rate as will realize $2,200.00 for each year, for the benefit of said Railroad Company and the tax shall thereafter be extended at said reduced rate on the assessment rolls of said Town of Hammond.

Section 3. Be it further ordained:

That the payment of this subsidy shall depend and be conditioned upon the Construction of said Railroad, and no part of said tax
be paid over to said railroad until the same is in operation, as provided by the petition of tax payers aforesaid. Section 4. Be it further ordained that this Ordinance shall take effect from and after its passage.

ORDINANCE NO. 1—COMMISSION SERIES.

An ordinance requiring all able-bodied male persons between the ages of 18 and 55 years, residing within the corporate limits of the town of Hammond, to work the streets of said town under the supervision of the street commissioner, not exceeding eight days in any one year; and providing that any person may relieve himself of said street duty by paying a street tax in lieu thereof; and providing for the punishment by fine or imprisonment, or both, for all who shall fail to perform said street duty or pay said street tax in lieu thereof.

SECTION 1. Be it ordained by the Mayor and Board of Aldermen of the Town of Hammond, that on and after the passage of this ordinance, all able-bodied male persons between the ages of 18 and 55 years, residing within the corporate limits of the Town of Hammond, are hereby required to work the streets of said town for not to exceed eight days in any one year, under the supervision of the Commissioner of Streets and Parks, as summoned by him to do; in writing five days before work is to begin; to provide that any person may relieve himself of such compulsory street duty by paying a street tax in lieu thereof, the amount of which shall be three dollars per annum. The town clerk shall, immediately after the passage of this ordinance, prepare a list of all persons subject to street duty under the terms of this ordinance, and shall place the same in the hands of the street commissioner. That official shall at once notify all such persons by general notice published in two consecutive issues of the official organ of the Town of Hammond. After which publication, all persons who have not either reported to the street commissioner for street duty and complied with his orders regarding said duty, or who shall have paid the sum of three dollars in lieu thereof, shall within ten days be declared delinquents.

SEC. 2. Be it further ordained that the street commissioner shall make a written report to the Mayor of the names of all such persons who have failed either to work the streets or to pay the sum of three dollars in lieu thereof, as herein provided, within ten additional days after they have been declared delinquent. The Mayor shall forthwith cause the arrest of all such persons whose names are contained in this report, charging them with being delinquents under this ordinance.

SEC. 3. Be it further ordained that upon trial all such persons who shall be found to have violated the terms of this ordinance, the Mayor shall forthwith cause the sum of not less than Five Dollars and not more than Ten Dollars, or imprisonment for not less than ten days, and not more than twenty days, or both fine and imprison-

The said lands are outstanding, the city shall levy, impose and collect annually in each of said years, in excess of all other taxes, a tax sufficient to pay the interest annually and the principal falling due each year for such amount as may be required for a sinking fund necessary to retire said lands at maturity, provide each special tax, together with all other special taxes theretofore authorized to be levied for the payment of the principal and interest of any debt incurred pursuant to the provisions of Article 59 or 70 of the Constitution of this state shall not in any year exceed ten mills on the dollar on the assessed valuation of the property of said city.

Section 7. Be it further ordained, enacted, and decreed that this ordinance shall take effect from and after its passage.

Passed December 2nd, 1913.

J.W. Skinner, Mayor.
Ordinance No. 7
Commission Series.

An ordinance granting to the Illinois Central Railroad Company, its successors or assigns, permission to construct, maintain, and operate for a period of twenty-five years a railroad track for switching purposes from a point five feet north of Clark Street, on East Railroad Avenue, to a junction with the main line at a point of Church Street, and fixing the penalty for failure to comply with the terms of this ordinance.

Section 1. Whereas the production and quantities for shipment from this point once the Illinois Central Railroad has greatly increased during the last few years, and will continue to increase, and whereas additional loading tracks are needed for the accommodation of the grounds, and whereas the Illinois Central Railroad Company has offered to provide said loading tracks if granted the necessary right of way on a part of East Railroad Avenue, be it ordained by the Mayor and Board of Commissioners of the Town of Hammond, that in consideration of the advantages to accrue to the citizens of the community and in consideration of the said Illinois Central Railroad Company obligating itself to fill the yard-ground with gravel or other hard substance
between its main track and the switch track now under construction on East Railroad avenue, the same being an extension of the same track. The Hammond Lumber Company under rights granted by the Hammond Lumber Company under Ordinance No. 96, dated April 12, 1907, also to fill with the same material on the east side of said avenue, to set the gound in proper condition for use for loading barrels and to construct, maintain and operate an extension of said switch track for switching purposes, and for loading service, truck and other merchandise on East Railroad avenue, from a point ten feet north of Charles street, extending north along the main line of the said railroad from Robert, Church, Robey, Michigan, Colorado, and Lake streets.

Section 2. Be it further ordained, that said Illinois Central Railroad Company, its successors or assigns, shall at all times, maintain and keep the said track as not to unduly unnecessarily interfere with the use of the said street by the public.
Section 6. Be it further ordained, it be considered that a failure to fill in between said tracks and on each side of said open space and to provide the street crossing mentioned in the preamble hereof shall result in the permit.

Section 7. Be it further ordained, it be considered that this permit is granted for a period of twenty-five years.

Section 8. Be it further ordained, it be considered that all ordinances and parts of ordinances in conflict with this ordinance are void, and this ordinance shall take effect on and after its promulgation.

Jno. W. Skinner, Mayor.

T. P. Thames, Commissioner of Finance.

W. F. Smith, Commissioner of Street & Park.
Ordinance No. 8
Commission Series.

An Ordinance providing for the incurring of debt and issuance of School Bonds by the City of Hammond to the amount of Fifty Thousand Dollars ($50,000), paying the amounts of said bonds and the maturities thereof, and levying a special tax of two and one-half (2 1/2) mills on all the property subject to taxation within the corporate limits of said City for the year 1914, for the purpose of paying the interest on said bonds for said year, and providing for a levy of a special tax each succeeding year up to and including the year 1933 for the purpose of paying the principal and interest on said bonds as the same shall mature or become due;

Hence, at a special election duly and regularly held in the City of Hammond, Louisiana on the 16th day of January, 1914, in conformity with the provisions of the City Council of said City, ordering said election, there was submitted to the vote of the property tax payers qualified to vote the said City a proposition to incur debt and to issue bonds of the City of Hammond to the amount of $50,000 to run 40 years and payable within that time at such time and in such amounts as may be fixed by the City Council, said bond to bear interest, 6% per centum, per annum, for the purpose...
O'heryear, the incurring of said debt, the issuance of said bonds for said purpose, and the levying of a special tax to pay same, were duly authorized by a vote of the majority in both number and amount of ballots cast at said election.

ORDINANCE NO. 27, COMMISSION SERIES.

An ordinance to regulate the storage of hay and lime within the fire limits of the City of Hammond.

Section 1. Be it ordained by the Commission Council of the City of Hammond that it shall be unlawful for any person, firm or corporation to store within the fire limits of the city any hay exceeding five bales and lime exceeding one barrel, without first obtaining a permit from the Chief of the Fire Department; and it shall be the duty of the Chief of the Fire Department to investigate the surroundings and issue the certificate if in his judgment it is proper.

Section 2. Be it further ordained, etc., That any person, firm or corporation violating any of the provisions of this ordinance shall be subject to a fine of Five Dollars for each day they fail to comply with it.

ORDINANCE NO. 28, COMMISSION SERIES.

An ordinance regulating the storage, sale, and use of gasoline, benzine and naptha in the City of Hammond.

Section 1. Be it ordained by the Commission Council of the City of Hammond, That for the purpose of regulating the storage, sale and use of gasoline, benzine and naptha within the corporate limits of the City of Hammond the following is hereby ordained.

Section 2. Be it further ordained, etc., That no person, firm or corporation, without first obtaining a permit from the Chief of the Fire Department, shall store, use or sell gasoline, benzine or naptha except as hereinafter provided, and then only if kept in self-closing metal cans made for the purpose and free from leak. However, one gallon or less may be kept within a building without obtaining a permit therefor and provided further, no can shall be filled inside the building.

Section 3. Be it further ordained, etc., That no permit shall be issued for the storage or keeping for sale or use of gasoline, benzine or naptha exceeding ten gallons in quantity, save in underground (buried in the ground) metal tanks. Any person, firm or corporation violating any of the provisions of this ordinance shall be subject to the Chief of the Fire Department and shall be unlawful such system without first obtaining a permit therefrom and thereafter be subject to all the provisions of this ordinance. Said tanks shall be self-closing and no tank capable of holding more than one hundred and sixty-six gallons shall be permitted within ten feet of any building; and, but any such tank containing less than sixty gallons, if properly buried, may be located within ten feet of building; but no dealer shall sell or deliver any quantity of gasoline, benzine or naptha to any customer, except in metallic cans, with appliances for automatically closing the aperture on the cans not being used for filling or emptying, or through hose connection; and provided further, that no dealer shall sell or deliver any quantity of gasoline, benzine or naptha for sale or otherwise after dark, or in the day-time when artificial light, other than incandescent electric, is not being used.

Section 4. Be it further ordained, etc., That not exceeding ten gallons may be kept outside the building and less than thirty feet therefrom, provided same be kept in approved approved self-closing metal cans or other vessels free from leak. Not exceeding one gallon may be kept in the building without a permit therefor, provided that same is contained in approved self-closing metal cans or other vessels made for the purpose and free from leak.

In furniture factories, wood-workers, spring bed factories and similar concerns using dipping tanks, not exceeding twenty gallons of gasoline, benzine or naptha may be used in the solution. In stove factories not exceeding five-gallons mixed in stove polish, and in finishing rooms not exceeding ten gallons may be mixed with filler or other solution without a permit therefor; mixing to be done outside of the building.

Section 6. Be it further ordained, etc., That where the system known as gasoline vapor pipe system is used in any building, the tanks and reservoirs; in connection therewith shall be located outside of and three feet from any opening into such building and shall be located under lock and key and below the level of the lowest pipe in the building used in connection with such lighting apparatus. And it shall be unlawful for any person to instal any system or device for lighting by gasoline which has not been tested and listed as permitted by the National Board of Fire Underwriters or by a body of approved fire officials. Such installation shall be conform to every respect to the rules of said National Board which are hereby adopted, and shall have full force as if set forth in this ordinance.

Adopted September 27, 1912

ORDINANCE NO. 25, COMMISSION SERIES.

An ordinance to provide for the erection of the City Electric Company to own, operate and maintain a system of electric light, heat and power for the City of Hammond.

Section 1. Be it ordained by the Commission Council of the City of Hammond, That no electrical work, heat or power shall be done in or on any building or structure or any electrical device, fittings or materials used shall be done in accordance with the rules and requirements of the National Board of Fire Underwriters and as prescribed under the Electro-Motive Code. All electrical device, fittings or materials used shall be those approved by the National Board of Fire Underwriters and as prescribed under the Electro-Motive Code of 1911. Said National Board and the list of electrical device, fittings or materials used shall be made public and available for inspection.

Section 2. Be it further ordained, etc., That it shall be the duty of the City Electrician to inspect all work hereafter done by the City Electric Company, and cause to be issued certificates of completion where the deviation from the provisions of this ordinance, as to the installation, wiring, electrical equipment and materials, are found to be unsatisfactory or not in keeping with the standards required by the rules of said National Board.

Section 3. Be it further ordained, etc., That it shall be the duty of the City Electrician to inspect all work hereafter done by the City Electric Company, and cause to be issued certificates of completion where the deviation from the provisions of this ordinance, as to the installation, wiring, electrical equipment and materials, are found to be unsatisfactory or not in keeping with the standards required by the rules of said National Board.

JOHN W. SKINNER, Mayor.
H. G. HUNGATE, Secretary.
Section 1. Be it further ordained, That it shall be within the power of any firm or corporation to begin any new electrical work of any repairs, alteration or extension of any existing electrical work or any part of any building or structure within the corporate limits, without first making a written application to the inspector describing such work and requesting inspection thereof, except that it is further ordained, etc. That no person or persons repairing or altering buildings, putting up signs, doing plumbing work, painting or any other construction or decoration work whatsoever shall break, cut, disarrange or interfere in any manner with any electric wires or apparatus whatsoever inside or outside of any building, without due notice to the city electrician.

The city electrician shall then direct the necessary alterations and the electrical wiring be done by him. It shall be the duty of this ordinance, or shall inspect the work before same is covered.

Section 2. Be it further ordained, That in the future the expense of the inspection work all required by this ordinance, fees shall be charged as follows: Fifty cents for each necessary inspection, which said fees shall be paid to the city electrician as his compensation for the said inspections.

Section 3. Be it further ordained, etc. That any building or corporation violating any of the provisions of this ordinance shall, upon conviction, be fined not more than Fifty Dollars or imprisoned not more than one month, or both at the discretion of the court.

Section 7. Be it further ordained, etc. That all ordinances or parts of ordinances in conflict herewith are hereby repealed.

Passed September 27, 1915.
JOHN W. SKINNER, Mayor.
H. G. HUNGATE, Secretary.

ORDINANCE NO. 39, COMMISSION SERIES.

An ordinance to provide for the creation of the office of Inspector of Buildings, to define his duties, etc.; to provide rules for the construction of buildings; to provide for "fire limits"; to provide for fire and other regulations within the fire limits, and to provide for the manner of enforcing said ordinance and for the punishment for the violation thereof.

It is hereby ordained, by the Commission, Council of the City of Hammond that the Commissioner of Public Health and Safety be and he is hereby appointed Inspector of Buildings.

Section 2. Be it further ordained, etc. (a) That the City of Hammond shall be divided into three fire districts, to be known as follows: The first, or close district; the second, or outer district, and the third, or residence district. The term "fire limits", as used in this ordinance, shall be construed to apply only to the first fire districts.

Section 4. Be it further ordained, etc. That the said inspector of buildings shall keep an office in the city hall, or, such other place as shall be provided by the City Council, where it shall be the duty of the said inspector to keep a record of all permits issued, which shall be regularly numbered in the order of their issue, and also a record of the statement upon which the permits are issued. He shall also keep a copy of each report to the City Council on the first day of December of each year, a full and complete register of the number, date of issuance, and expiration date of each permit issued and the names of the owners of the buildings erected in the city during that year, of what material constructed, with the aggregate of the number, kind and cost of all buildings. And it is also made the duty of said inspector, upon being served with a notice requiring him to visit and inspect any building in process of erection or construction, to do so, and if said inspector shall fail or neglect to attend within twenty-four hours after notice served for that purpose, he shall forfeit and pay the sum of Ten Dollars for such neglect, and he shall so fail or neglect to attend beyond twenty-four hours, which penalty shall be recovered by action in the name of the City of Hammond, for the use of the owners, contractor or contractors of said building.

Section 5. Be it further ordained, etc. That it shall be the duty of every inspector appointed under the provisions of this ordinance to visit and inspect each and any house or houses, building or buildings, which may be in the course of erection, construction or alteration, within the limits of the city, and to see that each house or houses, building or buildings, are being erected, constructed or altered according to the provisions of this ordinance, and all acts and ordinances in force in said city, and the manner adopted for the security thereof against fire and the safety of the occupants; and the said inspectors are hereby authorized and instructed to use all such power and authority as is usual and proper, and to perform all such acts and duties as are necessary and proper in the execution of their office, and that the work is done in a systematic and workmanlike manner, and is of sufficient strength and solidity to answer the purpose for which it is designed; and before the foundations are laid, he shall examine the trenches dug for the same; and be fully satisfied that the soil or substructure is firm and substantial, or at least the best that can be obtained. And should the nature of the soil be such, and the work of sufficient magnitude to require it, the said inspectors shall be employed, provided that it be deemed necessary by said inspector, his visits and inspections shall be repeated from time to time during the erection of the buildings, and alterations of such house or houses, building or buildings, until the walls shall have been completed and the same inclosed, when his duties shall terminate. He shall make application for that purpose, furnish the owner or owners, contractor or contractors, his certificate that said house or building is in all respects completed, or in no way dangerous.
Section 6. Be it further ordained, etc., That it shall be unlawful for any person, persons, firm, or corporation, to build or construct a building, or cause to be erected, constructed or built, any brick, iron, granite, marble or stone house or building, or any house or building composed partly of brick, iron, granite, marble or stone, or any such building so as to make it substantially a new building, unless the same shall have been inspected from time to time by the inspector of buildings, and a certificate furnished him that said house or building is properly constructed and in all respects safe and secure; and should said inspector award such certificate to any person or persons, firm or corporation, for any house or building not constructed according to the provisions of this ordinance, the bond given by said inspector shall be liable for all injury and damage caused to any parties by his giving such certificate.

Section 7. Be it further ordained, etc., That no person or persons, firm or corporation shall erect or cause to be erected, any building within the limits of the City of Hammond as now established, by ordinance, or which may hereafter be established by ordinance, any building or structure, or addition to any building or structure, the outer walls of which are not composed entirely of brick, stone, mortar or other noncombustible material. Every building or structure erected as aforesaid, or to which additions are made, shall be paved with slate, tile, copper, iron or other equally fireproof roofing, and if any building within the limits aforesaid shall be destroyed to the extent of one half thereof, it shall be unlawful to rebuild the same unless the walls and weather covering of roof of the portion rebuilt shall be composed entirely of incombustible material. Any person, persons, firm or corporation violating any of the provisions of this section shall forfeit and pay the sum of Twenty Dollars and the further sum of Ten Dollars for each day the same shall be permitted, without being made to conform to the provisions of this ordinance, of the city; such building shall be a public nuisance.

Section 8. Be it further ordained, etc., That whenever any frame building shall become, damaged by fire or decay, the extent of which, in the judgment of the inspector of buildings, exceeds fifty per cent of the value of such building, or in case of brick buildings be denounced by the inspector of buildings, and it shall be unlawful to aforesaid to repair the same. If such owner of the building objects to the conclusion arrived at by the inspector of buildings, he shall notify the Chief of the Fire Department and the Commissioner of Public Parks and Streets, and they shall make an examination of the building, and make a report thereon, and if the amount of damages and shall be not upon the report of the said arbitrators.

Section 9. Be it further ordained, etc., That the height for stories for all buildings must not exceed 11 feet in the clear for basement, 18 feet in the clear for the first story, 15 feet in the clear for the second story, 15 feet in the clear for the third story, 15 feet in the clear for the fourth story, and 14 feet in clear average height of upper story; if any story exceeds these heights respectively, the walls of such story and all stories below the same, shall be increased four feet in thickness additional to the thickness hereafter mentioned.

Section 10. Be it further ordained, etc., That in accordance with the foregoing provisions, all buildings in business buildings shall be of thickness designated in the following table:

<table>
<thead>
<tr>
<th>Building in inches</th>
<th>1st Story</th>
<th>2nd Story</th>
<th>3rd Story</th>
</tr>
</thead>
<tbody>
<tr>
<td>Thickness of Wall</td>
<td>18</td>
<td>18</td>
<td>18</td>
</tr>
</tbody>
</table>

Section 11. Be it further ordained, etc., That the term "business building" shall embrace all buildings used principally for business purposes, including, among other things, hotels, theatres and office buildings, all buildings used (or intended to be used) exclusively for purposes of mercantile business or storage of goods.

Section 12. Be it further ordained, etc., That a, basement story of any building is defined as a story whose floor is 12 inches or more below the sidewalk, and, whose height, does not exceed 11 feet in the clear. Any stories that exceed 12 feet high shall be considered as first stories.

Section 13. Be it further ordained, etc., That the height of all buildings for the purpose of this ordinance shall be taken from the sidewalk to a point half way from the lowest to the highest part of the roof.

Section 14. Be it further ordained, etc., That whenever it is sought to increase the height of the building beyond the height for which the original permit was granted, the thickness of the walls thereof shall be increased in accordance with the above table.

Section 15. Be it further ordained, etc., That the outside walls of the room forming the upper floor of all buildings, such as churches, public halls, theatres, dining rooms or the like, of more than 15 feet or less than 25 feet high, shall average at least 16 inches over 15 feet high, at least 30 inches; for all stories, 4 feet high at least 40 inches in thickness. An increase of four inches in thickness shall be made in all cases where the walls are over 15 feet long, unless there are cross walls of equal height.

Section 17. Be it further ordained, etc., That cut stone facings of wall shall be backed up with brick on a thickness of one inch or more, square inches, and that no wall shall be less than 18 feet apart, and extended or nearly to the top of walls, 4 inches may be deducted from the thickness of any wall having such buttresses.

Section 18. Be it further ordained, etc., That any party wall now existing, that shall have been built conformable to the requirements of any law regulating the construction of such wall, and an area of such construction, if sound and in good condition may be used, in the construction of any adjoining building provided, however, that no brick work shall be permitted to have a thickness of one inch or more, square inches, unless the thickness of such additional wall and thickness of old wall in each story, shall at least be equal to the thickness required by the present ordinance. This shall apply in all cases where it is desired to add additional height to any business building in case of outside walls of any business building being built in any area of old building (not being party wall) the new wall shall be the same thickness required for outside walls in such buildings.

Section 19. Be it further ordained, etc., That if any person or persons, firm or corporation use any first story used for business purposes and all other buildings that are used, having flat roofs, shall have all the walls (except front walls) or cornice over 15 inches high, and not less than 18 inches thick, to have proper copings of incombustible materials; double pitched roofs to have their division and side walls carried up, forming the roof, and all walls at the edge of roof, (except flat roofs) shall have their full thickness with edge of rafters of roof and sheathing boards, to be mortared or such walls.

Section 20. Be it further ordained, etc., That business building flat roofs shall have their rear walls carried up to the roof, division or party walls above 15 inches above, forming fire walls, less than 13 inches thick, copings of incombustible materials, Front walls may be 8 feet high or more, and of thick materials, division and party extend through masonry, standing on a height of 8 feet not less than 8 and having copings of fire walls.

Section 21. Be it further ordained, etc., That shall it be unlawful for any person, persons, firm or corporation to erect in or near any chimney, stack, heating, ventilating or any purposes, or to remodel any chimney, stack, heating, ventilating or any purposes, in the manner of fire building, unless such pipe, or pipes shall be built with this ordinance.
(b) All main chimneys in frame buildings for fire-places or furnaces shall be well and securely built from the ground up and through the building to a point at least five feet above the floor at the ridge or peak roof of such building; the base of chimneys shall be of stone or brick at least eight inches in thickness; if fire-place is of stone must be 12 inches broad; and beneath the foundation, such brick or stone work shall be laid in cement mortar up to the first floor, and thence above to a point; where chimney protrudes through the building, the brick and stone work may be laid in good lime or fire clay mortar, and brick work carefully bonded or anchored together or properly capped, and from and above the roof to the top of chimney the brick or stone work shall be laid in cement mortar. All joints shall be struck smooth on inside, except when lined with burnt clay or terra cotta pipe.

When two or more separate flues are provided in chimney, the division walls between flues may be only 4 inches thick.

No chimney or flue shall be started or built upon any beam of wood or floor.

(c) No wood casing, barring, furring or lath or other wood work shall be placed in, against, or within two inches of chimney or flue, except that wood mantels, floors and base boards, wherever not covered by asbestos or fire-resisting material, may come in contact with plaster covering chimney or flue.

All wood beams shall be trimmed and chimney breasts shall have trimmer arch to support hearths, the arch to be constructed as follows: (a) shall be made of brick, stone, burnt clay or concrete. The length of the arch shall not be less than the width of the chimney breast, and width at least 20 inches measured from face of chimney breast.

Where the plasters under trimmers or arches should be removed before plastering ceiling underneath.

(e) (a) All hearths shall be composed of combustible material.

If a heater is placed in a fire-place, then hearth shall be of such area as to permit of six inch clearing beyond heater on either side. (c) All fireplaces in habitations shall have incombustible mantels. (d) No wood mantel or other wood work shall be exposed back of a chimney piece; the iron work of the chimney shall be placed as near as possible to brick or stone work of the fire-place. (e) No fireplace shall be closed with a wood fire board. (f) When grates are set in fire-place, a lining of fire brick, soap stone, tile or cast iron shall be added to the fire back.

(f) Chimney and flues partly or wholly outside the building shall be constructed as described in paragraph (a), and

(g) Chimneys and flues in brick buildings, or fire-place, or fireplaces, or fire-places, and furnaces shall be constructed as described in paragraphs, b, c, d, e, h and i, except that the walls of building when not less than 12 inches in thickness may form part of chimney or flue.

In no cases shall a chimney or flue be corbelled out more than 8 inches from the wall, and in all cases the corbel shall consist of at least five courses of brick. Flues in party walls shall not extend beyond the center of said walls.

When a chimney or flue is to be cut off below in whole or in part, it shall be wholly supported by brick or stone work, properly erected from the ground up.

(i) Single chimneys or flues for stoves or kitchen ranges shall be constructed as described in paragraphs, b, c, d, e, f, i and j, except that the walls of such chimneys or flues may be only four inches thick.

(i) The upper part of the chimney or flue walls may be 4 inches in thickness from a point at least 5 inches above the roof of the building to the top of chimney or flue, provided the chimney or flue be capped with terra cotta, stone, or cast iron, or carefully bonded or anchored together.

(j) Flues, when lined on the inside with cast iron or well burnt clay or fire-proof terra cotta pipe, from the bottom of the flue or from the top of the fire-place, if the flue started from that point may be in closed by brick or stone work of only 4 inches in thickness, provided the lining pipe be carried up continued to the extreme height of the flue.

The ends of all such lining pipe shall be made to fit close together, and the pipe shall be built in as the flue as carried up, as shown in the following illustration:

ILLUSTRATION SHOWN HERE

(k) At the completion of building all flues should be properly cleaned, rubbish removed and flues left smooth on inside.

(l) All chimneys which shall be dangerous in any manner whatever shall be repaired and made safe, or else removed.

(m) The mayor, with the consent of the council, shall appoint an architect or competent builder, to be known as "Flue Inspector," whose duty it shall be to examine and inspect such chimneys or flues hereafter erected, either repaired or altered.

(n) The flue inspector shall issue to the owner, architect or builder of each new, repaired, or altered chimney or flue a certificate stating that the chimney or flue has been inspected and found to be in accordance with the regulations, as herein prescribed, by the owner, architect or builder, shall, upon receipt of the certificate mentioned in paragraph, k, pay to the "Flue Inspector," a fee of Fifty Cents for each single flue or chimney and Ten Dollars for each main chimney containing two or more flues, or any chimney or flue that may be erected, altered or remodeled by the said owner, architect or builder in or near any one building. The fire-insurance fee to be paid to the said Flue Inspector for inspections, reports, and certificate for any one building shall not exceed Five Dollars, except that for any one building having more than one chimney or flue or any chimney or flue the fee of the Flue inspector shall be Ten Dollars for inspection service and certificate.

(o) For the faithful performance of his duties as herein prescribed, the said Flue Inspector shall receive as compensation all fees collected by him.

(q) Any person, persons, firm, corporation, whether owner, builder or mechanic, who shall violate any section of this ordinance pertaining to flues and chimneys shall be deemed guilty of an offense and shall be fined Thirty Dollars and costs against such person or corporation, more than One Hundred Dollars for each offense; and it shall be the duty of the Flue Inspector to see that this ordinance is enforced. Any and all fines collected for the violations shall be paid to the 'Flue Inspector,' when charges of violations are made at the instigation of the said Flue Inspector.

(r) The Flue Inspector shall be the duty of each owner, architect or builder to notify the Flue Inspector in writing when work on any chimney or flue is begun, or any existing chimney or flue has been started and should the said owner, architect or builder fail to notify the Flue Inspector until after the building containing the chimney or flue, shall have been completed, the flue inspector is hereby authorized to collect double the amount of his ordinary fees, as prescribed in paragraph, q, against such owner, architect or builder.

(s) No chimney shall be built with less than four-inch walls, and no chimney top shall be less than five feet above the roof. The feet above the ridge or the any pitched roof. Ordinary flues in business buildings shall have eight-inch walls and eight-inch jams; those larger than 260 square inches and the 500 square inches shall be surrounded with walls not less than eight inches thick; the walls of such flues above the flue or chimney top shall be five feet above the roof, the feet above the ridge or any pitched roof. Ordinary flues in business buildings shall have eight-inch walls and eight-inch jams; those larger than 260 square inches and the 500 square inches shall be surrounded with walls not less than eight inches thick; the walls of such flues above the flue or chimney top shall be five feet above the roof, the feet above the ridge or any pitched roof.

Flues with more than 500 square inches or less than 800 square inches shall have not less than the feet above the ridge of the first floor, and 16-inch walls opposite the inlet and ten feet above same; top of chimney, ten feet above the roof, or six feet above the highest part of the fire-place of each chimney; provided that all chimneys having less than eight inches thick shall be faced with brick or be covered with metal.
Section 22. Be it further ordained, etc., That the provisions of the foregoing section be and the same is hereby made applicable only to such chimneys as are part of or situated in any building. Flues in party walls shall not extend beyond the center of the wall; joint flues shall be separated by a four-inch white of fireproof material their entire height.

Section 23. Be it further ordained, etc., That no chimney not forming a part of a wall shall rest upon the foundation of the building; provided that, in no case, shall any chimney rest upon or be supported by frame work, beams or posts of wood work of any description.

Section 24. Be it further ordained, etc., That proper foundation or masonry shall be prepared for the support of buildings and no foundation shall be less than one foot below the exposed surface of the ground, and in no case shall any foundation rest on any filling or made ground. The breadth of the foundation of the several parts of any building shall be proportioned so that, as nearly as practicable, the pressures shall be equal on each square foot of the foundation. Cement mortar shall be used in the masonry of all foundations exposed to dampness.

Section 25. Be it further ordained, etc., That piles driven for a wall to rest upon shall not be less than eight inches in diameter at the smallest end and shall not rest more than three feet on centers in the direction of the length of the wall, and nearer if required by the inspector. The Inspector shall determine the grade at which piles shall be cut off.

Section 26. Be it further ordained, etc., That walls not exceeding 20 feet in height, where piling is necessary, may rest on a single row of piles if deemed advisable by the inspector. Walls exceeding 20 feet in height shall rest on not less than two rows of piles which shall be driven where required by the inspector.

Section 27. Be it further ordained, etc., That in brick walls every seventh course shall be headers. All fire flues shall be smoothly plastered or have brick pates.

Section 28. Be it further ordained, etc., That hollow walls, not bearing walls, may be used in all cases; but all hollow walls shall be bonded together with incombustible anchors placed not more than three feet apart. If used as bearing walls, the thickness shall be reenforced by their solid parts. unless in any case, is at least eight inches thick and solid and connections shall be made in light direction, not less than twelve inches wide nor more than eight feet apart from centers. In such cases, two-thirds of the hollow space shall be connected with solid parts; provided in no case, shall the ends of the lights be allowed to come within four inches of the hollow space.

Section 29. Be it further ordained, etc., That no wall of any building now erected, or hereafter to be built, shall be cut off or altered without a permit so to do. If the iron is not self-supporting, the party wall shall be extended to meet the outside thickness and all vacances shall be filled with grout to insure a complete separation of adjoining buildings.

Section 30. Be it further ordained, etc., That where the chimneys of all roofs, except of cottage dwelling houses not over sixteen feet high above the grade of the sidewalk, shall be form of non-combustible material. The pitch of non-combustible composition roofs shall not exceed three inches to the foot.

Section 31. Be it further ordained, etc., That no uncovering, carpentry, resin, felt, or wood work shall in any way be exposed on any roof or appurtenances.

Section 32. Be it further ordained, etc., That appurtenances to any business building shall be below above thirty feet from grade of sidewalk on any building, if not wholly of incombustible material shall be covered with metal. ORDINANCE NO. 34, COMMISSION SERIES.

An ordinance regulating house sewerage, plumbing, drain laying and connections with the sanitary sewers in and under the control of the City of Hammond, Louisiana, and for other purposes.

Be it ordained by the City Council of the City of Hammond, La., that for the governing and regulating of building, drain laying, plumbing, drain laying and connections with the sanitary sewerage in and under the control of the City of Hammond, La., the following rules, laws and regulations be and they are hereby passed, ordained and adopted:

DEFINITIONS.

Section 1. In the system of sewerage, a "sewer" is defined herein--to mean the pipes, conduits, mains or laterals laid in the streets, or in the certain places for topographic reasons, laid through private or public houses, or building drain, and in the laying and connections with the sanitary sewerage in and under the control of the City of Hammond, Louisiana.

SECTION 2. The system of sanitary sewers is for collecting, carrying and disposing of the sewage, that is, the wastes from domestic or household and industrial service. It shall be a misdemeanor to use the sanitary sewers for any other purpose, or to place, or cause to be placed in any sanitary sewer any water from any seepage, or any gas, garbage, sweepings, ashes, sand, clay, wool, rags, wearing apparel, rubbish or other matter, that may be promptly dissolved by the sewerage, or anything that may form deposits or obstructions in the sewers. It shall be a misdemeanor to connect with any house sewer and discharge into it, before it is completed and connected with the general outfall.

SECTION 3. No one shall discharge, or cause to be discharged, into any sanitary sewer, or upon the surface drain, or upon the ground, whether in the streets or private lands, except on land abutting on street on which no house sewer is constructed within 300 feet, any sewage or offensive or waste from any water closet, urinal, bath, laundry, kitchen sink, or other fixture, from any offensive industry or manufacturing establishment, or from any slaughter house or market, nor any night soil, feces, garbage, putrescible or decaying animal or vegetable matter, nor any matter that may obstruct the flow from rain or snow.

PRIVATE SEWERS AND PRIVES.

Section 4. No privy, cess pool, privy vault, soil pipe, or other conduit, discharging house sewage, or privy vault, or other conduit, discharging house sewage elsewhere than in the sanitary sewer is allowed on any lot excepting those in which a sanitary sewer has been constructed, nor on any lot nearer to such a street than to any other.

CESS POOL.

Section 6. That a cess pool, privy vault, or septic tank will be permitted, except when shown to the City Plumbing inspector, or such person as the Mayor of the City, Commission, or the Board of Examiners, to be absolutely necessary and built with his written permission and according to plans submitted and approved as herein provided for plumbing. Every cess pool or privy vault shall be water tight and at least twenty-five (25) feet from any building; and, as it is possible to fill any house sewer with a cess pool or privy vault, it is to be emptied, cleansed, disinfect and filled with fresh earth, or sealed up air tight and its use discontinued.

EMPLOYEES ON PLUMBING.

Section 8. That any person--but the plumbing inspector, or such other person as the Mayor and City Commission may designate, shall, open, enter, deposit anything into or remove anything from, or otherwise interfere with any man-hole or other apparatus in the system of house sewers.

INDUSTRIAL WASTE.

Section 9. No discharge from any slaughter house, stable, dairy, chemical works or any other industrial works or manufacturing establishment shall be connected with any house sewer, except under special regulation approved by the City Plumbing inspector, or such person as the Mayor or City Commission may designate, providing against the formation of obstructions in the pipe and against accidents to the purification of the sewage.

SEDIMENT, HEAT, PRESSURE.

Section 10. Neither the blow-off, or drip pipe, nor the sewer from the wash tank, or from the discharge from large volumes of hot water from any source, nor the discharge from any hydrant, shall be connected with any house sewer, such pipe shall discharge first into a basin, properly tamped and lined, which after being removed of sediment, heat, pressure or other matter, may discharge into the sewer. Water over 120 degrees F. or hot enough to cause steam to arise in the sewer shall not be admitted.

INDEPENDENT CONDUIT.

Section 11. Each building connected with a house sewer shall have its own separate house drain, except that a group of small houses, such as the houses occupied by negro tenants, may be connected to one house drain, or may be served by one central water closet, provided the houses are and shall remain the property of one owner and provided the foundation shall be approved by the plumbing inspector.

BOARD OF EXAMINERS OF PLUMBERS.

Section 12. The Board of Examiners of Plumbers shall be appointed by the Mayor and the City Commission and the plumbing inspector, and shall examine and certify plumbers and drain-layers.

QUALIFICATION OF PLUMBERS AND DRAIN-LAYERS.

Section 13. Every person who desires to be licensed as a plumber or drain layer, as the case may be, shall appear before the City Commission and the Mayor shall pass upon said application for license by said City Commission, as to the applicant's experience, knowledge and skill in practical sanitary plumbing or drain laying, and shall satisfy the said City Commission the applicant, or at least one resident member of the firm, or any resident executive officer in the corporation, as to the ability of the applicant, or to a drain-layer as the case may be, skilled and experienced, in his trade, competent to do sanitary plumbing or drainage work, and in accordance with the city's ordinance, who will give his personal attention to the work, which is essential to the health and is financially responsible. Upon satisfaction, proof of the qualifications and fitness of an applicant for license as a plumber or as drain layer, the City Commission shall issue a certificate of qualification.
Laying of new connections and plumbing.

Each application shall be accompanied by a diagram and specification made in duplicate, on the form prescribed, and furnished by the plumbing inspector or such other person as the Mayor and City Commission shall designate, showing and describing clearly the location of the building and of the rooms, of the two or more fixtures, the work, the connection with the sewer, with every pipe fixture and connection nearly drawn in ink. If one vertical section cannot be made to show the work, then two other plans are to be added. In showing extensions, the old work is to be shown in red ink, and all new work in black ink. If the application is not approved by the plumbing inspector or such other person as the Mayor and City Commission may designate, he will issue a written permit within 24 hours after the application is filed. All plans cannot be changed, except the plans be submitted and approved. The plans may serve for several buildings located together, if they are identical, whether or not drain-laying.

Each permit will lapse by limitation and become void, if the work is not completed within 60 days from date.

OLD PLUMBING AND DRAIN-LAYING.

Section 16. All plumbing and drain-laying constructed before the passage of this ordinance shall be treated in the same manner as new work. Before connection, the sewers in such an application shall be filled and permit issued and the work shall be permitted to inspection and test, as herein required for new work, unless otherwise provided for, as may be necessary for this purpose. The plumbing inspector is permitted to use reasonable discretion in passing minor defects in old plumbing, which cannot be corrected, removing the plumbing; upon final approval the certificate of the plumbing inspector, or such other person as the Mayor and City Commission may designate, shall be issued this certificate stating if certain minor concessions have been made. For all re-construction, extension, alteration, or existing plumbing, it shall be in like manner obtained, provided no permit or plans be required for the removal or stoppage of leaks, nor the repair of fixtures, in which case, the person may, in the size and arrangement of pipes or fixtures. In repairing, broken parts are to be replaced with construction as good as new. No permit will be issued for this plumbing.

CONDEMNED PLUMBING AND DRAIN-LAYING.

Section 17. Any plumbing or drain-laying, old or new, found defective by the plumbing inspector or such other person as the Mayor and City Commission may designate, shall be condemned after notice in writing. The permit shall be made on the form prescribed, stating the location of the property, the name of the licensed plumber. Drain-laying shall be approved by the plumbing inspector or such other person as the Mayor and City Commission shall designate. All defective plumbing or drain-laying shall be torn down, and the defective portions removed and replaced.

The water supply shall be delivered to the consumer in the manner prescribed by the plumbing inspector or such other person as the Mayor and City Commission may designate, and the water shall not be used until the inspection has been made.

The water shall be tested for any leaks, the test to be stopped immediately upon discovery of a leak. If any leaks are present, the test is to be continued until the leak is stopped, after which the test is to be repeated until the leak is stopped.

EARTHENWARE PIPES.

Section 21. All earthenware pipes and fittings shall be of the best quality of hard vitrified clay pipe, salt-glazed, free from cracks and blisters, and of the nominal size of the branch unless the branch is laid at an angle greater than 180° from true vertical. No wood boxing around or under fixtures will be allowed, nor any galvanized fixtures, except galvanized heads. Trapways and trap doors in buildings shall be readily accessible for inspection and repairs, and shall not be covered except by wood work fastened by screws easily removed. No metal pipe, except a venting pipe, shall be less than 1½ inches in diameter, and no clay pipe less than 4 inches in diameter, no pipe shall decrease in diameter as it approaches the sewer. All drain, soil, waste, vent, and supply pipe shall be as simple, direct and compact as possible, and be readily accessible for repairs and protection from injury and freezing; offsets, especially 90 degree offsets, will be permitted only when unavoidable.

To prevent freezing, all pipes shall be covered with a minimum of 3 inches of earth, with a minimum of 3 inches of concrete and an additional 1 inch of 3 inch of gravel or other similar material. No connection shall be made more than 4 inches from the street, except for attaching to the house drain. The slope of the main sewer shall be at least 1½ inch per foot of length where practicable, but shall be at least 1 inch per foot of length where this latter slope is impracticable, special provision being made for flushing the house system by automatic flush tanks or otherwise approved by the plumbing inspector. The manholes and the City Commission may designate. No scents pipes or other work shall be placed on the outside of any wall or shaft made to avoid the same or subject to injury by traffic. During construction the ends of all pipes shall be closed to keep out obstructions. Every fixture, except a water closet, shall discharge through a strong, durable fixed strainer, to prevent passing obstructions into the waste pipe. Every opening left in a pipe for any purpose and for which a connection shall be securely closed in a manner similar to that required for making a connection.

Commo joints shall not be used within buildings.

HOUSE DRAIN.

Section 30. The house drain shall be 6 inches or 4 inches for pipe from the sewer to building, but cast iron pipe of equal size is to be used, instead of clay pipe, for the part of the house drain as runs from the house to the ground, but shall not be less than 8 inches above ground, open, and clear, or run into or within four feet of the wall of any cellar, basement or crawl space, or enter from below the foundation. The solid clay, or ten feet in made ground from any wall, well, or chimney, or runs within 12 inches of the surface shall decide whether any changes or breaks in the slope will be permitted, and all or any part thereof shall be laid at an angle greater than 180° from true vertical. In marshy ground, new fills or other unstable soil, the foundation shall be made by the use of concrete, otherwise as directed by the plumbing inspector or such other person as the Mayor and the City Commission may designate, or the iron pipe for the purpose used, shall be brought to grade, bell holes cut, each piece of pipe laid carefully to grade with a spirit level, with a full firm bond throughout. Each joint shall be made by inserting the pipe in the bell and then filling the annular space with well-dug sand, or with clean sand. Each joint shall be covered with mortar protruding within the pipe and the pipe left clean as the pipes progresses. In the back filling shall be tamped carefully on the surface, elsewhere it shall be tamped carefully around the pipe, and all the remaining dirt being filled in and over the trench.

CAST IRON PIPE.

Section 24. All cast iron and pipe fittings shall be of equal quality as the cast iron and rock pattern, bell of such shape and strength as to allow proper caulking, and be thoroughly and accurately coated with an approved rust proof coating. The thickness shall be uniform and the walls of the pipe not less than the following:

- Size
- Standard Heavy
- 2-inch pipe
- 3-inch pipe
- 4-inch pipe
- 5-inch pipe
- 6-inch pipe
- 8-inch pipe
- 10-inch pipe

Heavy pipe shall be used for all buildings over three stories high counting basement and attics if occupied; as may be required by the plumbing inspector or such other person as the Mayor and the City Commission may designate, for pipes underground and for large buildings or any building containing more than one floor of diameter for each joint; no cement, putty, tar, paraffin, tallow, nor similar fillers will be allowed. Connections shall be made with couplings of directions with proper bends; sanitary tees, or T and Y branches, are permitted on vertical pipes only, and double hulls and encaustic standards or elbows of uniform size and shape, with straight flow lines of fixtures; short 6-inch bends and commode offsets in the soil pipes are prohibited; bends and saddles are prohibited.

WROUGHT PIPE.

Section 25. All wrought iron or steel pipe shall be standard lap-weld galvanized water pipe, galvanized and tinned; their use is limited to vent pipes and supply pipes except that where the Durham system is used, wrought and tin may be used. Every cast iron recessed giving a smooth interior waywater, the threads being tapped to give at least 1/4 inch per foot slope, have taper threads, and be screwed tight, with red lead; all burrs, formed in cutting must be removed. No unions are to be used in service.

Dear Sir:-

I wish you would please serve the inclosed papers on a colored man named Alexander Williams, or D. A. Williams, as he is commonly known.

He lives on a strawberry farm about a mile from Hammond, and you can get his exact whereabouts from Monroe Taylor, whom you can find around the depot.

I enclose you my check for $1.00 for the service and if that is not enough to cover the charge, let me know and I will send the balance.

I have sent these papers twice to the Sheriff at Amite, and he returned them both times with the statement that he could not locate this man, but I know that you can find him as he is right there, and I do not believe the Sheriff took any trouble to try to find him.

Stamped envelope inclosed for the return you will make of the service on the back of the Citation.

Thanking you to please give this matter your prompt attention, I remain,

Very truly yours,

Charles J. Mundy.
Ordinance No. 87
An ordinance regulating plumbing in the town of Hampton.

Whereas the construction of a system of water works by the town renders it necessary to regulate the method of doing plumbing work in dwellings or business houses of the town in order to prevent wastage of water and preserve the public health.

Therefore

Be it ordained by the Mayor and Board of Aldermen of the town of Hampton Ta:

Section 70A
Any plumber who proposes to install or extend a plumbing system in any dwelling or business house within the limits of the town shall file an application with the Superintendent of Water Works to have the main tapped on the service run to the curb. When necessary, a permit to do the plumbing shall be in detail the character of the building, whether dwelling or business house, number of rooms, fixtures, and the points from which water may be drawn to gather with their location.

Section 70B
Upon the receipt of the detailed application from a regular licensed plumber to have the main tapped for permission to install or extend a plumbing system in any dwelling or business house, the same shall be the duty of the Superintendent of Water Works to have the main tapped to the service run to the curb at a cost...
Section No. 3
Each fixture, or set of fixtures in one room, must be provided with stop waste cocks, in an accessible place so the water may be turned off or the pipes drained to a point beneath where freezing is possible in extreme cold weather. A stop waste cock must be located in an accessible place so the water for the entire house may be turned off or the pipes drained through it.

Section No. 4
The waste pipe from each fixture from which water may be drawn must be properly trapped or should run only to a sewer system. The trap must be properly ventilated.

Section No. 5
Any person or firm, or any employee of any person, or firm violating this ordinance, shall upon conviction be punished by a fine of not less than $25 or more than $100, or by confinement in the jail not less than 10 days or more than 30 days, or both, at the discretion of the Court.

Section No. 6
Because of its urgent need, this ordinance shall take effect in the true force from or after its passage.

Ordinance No. 59 - Commission Series.

An ordinance ordering a special election for the purpose of submitting to the property tax-payers of the City of Hammond, propositions to incur an indebtedness to the amount of One Hundred and Forty-five Thousand Dollars for certain public improvements; to issue bonds therefor, and to levy a special tax or taxes to provide for the payment of the principal and interest of said indebtedness.

Section 1. Be it ordained by the Commission Council of the City of Hammond, Louisiana, that a special election be and the same is hereby ordered to be held in said city at 204 Thomas Street, in said city on the 11th day of October, 1921, between the hours of 7 a.m. and 5 p.m., as authorized by Article 14, Section 14, of the Constitution of the State of Louisiana, for the year 1923, and under the provisions of Act 286 of the Session of the Legislature of 1919, and the acts amendatory thereof, at which election the property tax-payers of the City of Hammond legally qualified to vote at such election, shall have submitted to them propositions to incur an indebtedness to the aggregate amount of One Hundred and Forty-five Thousand Dollars, to issue negotiable bonds therefor, and to levy a special tax or taxes to provide for payment of the principal and interest of said debt and for the following permanent public purposes, works and improvements the title to which shall vest in the said City of Hammond, viz:

First Proposition: To issue bonds to the amount of fifty-five thousand ($55,000.00) Dollars for the purpose of graveling the public streets of the City of Hammond.

Second Proposition: To issue bonds to the amount of Forty thousand ($40,000.00) Dollars for the purpose of constructing a City Hall.

Third Proposition: To issue bonds to the amount of Twenty Thousand ($20,000.00) Dollars for the purpose of paving the public streets of the City of Hammond.

Fourth Proposition: To issue bonds to the amount of twenty-five hundred ($2500.00) Dollars for the purpose of lighting the public streets of the City of Hammond.

Fifth Proposition: To issue bonds to the amount of eighteen thousand ($18,000.00) Dollars for the purpose of extending and improving the sewerage system of the City of Hammond.

Sixth Proposition: To issue bonds to the amount of Ninety-five Hundred ($9500.00) Dollars for the purpose of extending and improving the water works system of the City of Hammond.

Section 2. Be it further ordained, et cetera, that the negotiable bonds to be issued pursuant to the said submission to represent said indebtedness or such part or parts thereof as shall be authorized, shall bear interest at the rate of six per centum per annum payable semi-annually, to be represented by interest coupons. Said bonds shall be of the denomination as may be determined by the Commission Council.

The said bonds shall run for a period of twenty-five years from the date of issuance thereof, provided, however, that the Council of the said city shall fix a certain time at which the said bonds shall begin to mature, which shall not be longer than three years from the date of issuance of said bonds, and the said bonds shall thereafter mature in annual installments, so that when the annual interest is added thereto, the total amount to be paid, including the principal and interest each year, shall be as near equal as practicable.
To secure the payment of the principal and interest of the said bonds, there shall be imposed, levied and collected annually in excess of all other taxes, a tax sufficient to pay the interest and the principal falling due each year, or such amount as may be required for a sinking fund necessary to retire the said bonds at maturity provided however, that the indebtedness hereby authorized, together with all other present bonded indebtedness of the City of Hammond incurred, pursuant to the provisions of Article LV- Sec.14, of the Constitution of the State of Louisiana, shall not exceed in the aggregate ten per centum of the assessed valuation of the taxable property in said City.

Section 3. Be it further ordained et cetera, that said election shall be conducted under the supervision of the Commission Council of the City of Hammond, in accordance with the laws of the State, in such cases made and provided, and in particular in accordance with the provisions of Act No.256 of the Session of the Legislature of the year 1910, approved July 7th, 1910, and Acts amendatory thereof, and at the polling place, above named.

Section 4. Be it further ordained, et cetera, that an abstract of this ordinance shall be published by C.C.Garter, Mayor, during at least thirty (30) days preceding said election as notice thereof in the official journal of the City of Hammond.

An ordinance regulating the business of carrying passenger for fares in automobiles, motor cycles or motor vehicles of any description, upon the public streets of the City of Hammond; and providing for the giving of an indemnity bond by all persons engaging in such business; and making the violation thereof an offense and prescribing penalties therefor.

Section 1. Be it ordained by the Commission Council of the City of Hammond: That it shall be unlawful for any person, firm or corporation, to conduct the business of carrying passengers for hire or fares, in automobiles, motor cycles or motor driven vehicles of any description, upon the public streets of the City of Hammond, without first securing from the Commission Council of the said City, a permit to do so.

Section 2. That before such permit is issued, the person, firm or corporation applying therefore, shall file with the Commissioner of Public Safety, of the City of Hammond, an indemnity bond in the sum of two thousand ($2000.00) dollars, the obligation of such bond running in favor of any person who may be injured in person or property by the fault of the operator of such car or vehicle, a bond for said amount authorizing the applicant to operate not more than one such vehicle. An additional bond in the sum of from hundred ($100.00) dollars, to be filed for each car operated over and above said one car or vehicle.

Section 3. That such bond or bonds shall be signed by the applicant and by a solvent surety, residing within the corporate limits of the City of Hammond, owning real estate within the Parish of Tangipahoa, unencumbered and liable to seizure worth at least the amount of said bond; or such bond may be signed by an authorized surety company. Said bond or bonds to be always maintained at the figures for which it was issued, and to be revocable at the instance of the Commissioner of Public Safety in case such surety ceases to possess such qualifications. Said bond to be approved by the Commissioner of Public Safety.

Section 4. That the holder of such permit shall cause to be printed in large, legible characters, his name, on the front of such vehicle, so it may be easily identified;

Section 5. That the holder of such permit shall renew the same whenever his license to operate such business expires; and such permit shall be subject to revocation by the Commission Council, in case such holder violates any of the provisions of this ordinance or any other ordinance or law regulating, in any manner, the traffic on business in which he is engaged hereunder.

Section 6. That any person, who shall engage in such business as provided in Section one hereof, without securing the permit therein referred to; or who shall engage in such business after such permit is revoked; or who shall violate any other provision of this ordinance, shall be guilty of an offense, and, upon conviction, shall be punished by a fine not less than one hundred ($100.00) dollars, or by imprisonment for a time not exceeding thirty days, or by both such fine and imprisonment.

Section 7. That all laws or ordinances in conflict herewith are hereby repealed. This law to take effect on January 1st 1922.

An ordinance repealing ordinance, C. §. No. 50, relative to water rent and installation of water meters; and providing for the installation of water meters at the cost of the City; for the payment for meters by the consumer, in certain cases and fixing water rental and the method of paying same.

Be it ordained by the Commission Council of the City of Hammond:

Section 1. There shall be installed throughout the City of Hammond, at the cost of the City, water meters on each house connection, beginning with the larger consumers of water, and completing such installation throughout the City at the earliest date possible.

Section 2. All meters measuring three-quarters (¾) of an inch in diameter, or less, shall be paid for by the City; and all meters of a larger size, to be paid for by the consumer: All meters to be under the control of the City of Hammond.

Section 3. That for the use or rent of its water the following charges shall be made and collected by the City:

In all cases where water meters have been or may be installed, a charge of thirty cents per one thousand gallons of water used by each house connection; with a minimum charge of one dollar and twenty-five cents ($1.25) per month, payable within ten days, after the expiration of the calendar month.

Section 4. For each house connection not provided with a water meter, a minimum flat rate of one dollar and twenty-five cents ($1.25) per month, payable in advance, within the first ten days of each calendar month. If such amounts are not paid within five days after the ten day period, an additional charge of ten per cent shall be paid; and if not paid within five days after the expiration of the ten day period, the use of water to such delinquent shall be discontinued and not resumed until the payment of all water rent then due and an additional charge of one dollar. In computing the rental period, on minimum flat rates, one half the monthly rate shall be collected for each one half of the calendar month, or less.

Section 5. This ordinance shall take effect from its promulgation. All ordinances in conflict herewith, especially, ordinance number 50, C. S. is hereby repealed.

ORDINANCE NUMBER 79.

COMMISSION SERIES.

An ordinance providing for the pavement of certain public Streets in the City of Hammond and for advertising for bids therefor.

WHENRAAS, a written petition of the property owners of more than sixty per cent of the lineal frontage of real estate abutting on certain Streets, hereinafter designated, has been presented to the Commission Council, asking that it pave such Streets under provisions of act Number 210 of 1914; as shown by said petition hereto attached:

NOW THEREFORE;

Section 1. Be it ordained by the Commission Council of the City of Hammond, that the following portions of the Streets named shall be paved:

First: Thomas Street from the intersection of Holly Street, west to the intersection of Magnolia Street;

Second: South Cypress Street, from Thomas Street to Morris Avenue;

Third: East Railroad (Or Cate Avenue), from Thomas Street to Charles Street;

Fourth: West Railroad Avenue from Thomas Street to Charles Street;

Fifth: West Railroad Avenue from Charles Street to Church Street;

Sixth: West Railroad Avenue from Thomas Street to Morris Avenue.

Section 2. Be it further ordained: That such pavement shall, in general terms, be according to the following specifications, to-wit:

To consist of a five inch (5") concrete base, composed of a mixture of what is known as 1-3-6, with a wearing surface of one and one-half inch (1 1/2") compressed, either Warrenite-Bitulithic, Rock or Oil Asphalt, Asphaltic Concrete, Sheet Asphalt, Tarmia or any other type of Bituminous Concrete.

It being understood however, that for detailed and accurate information as to such pavement work, reference should be made by prospective bidders to certain plans and specifications prepared by the City Engineer, now on file in the office of Mr. E. T. Richardson, City Engineer, which have been inspected and approved by this Council and is made part hereof.

ORDINANCE No. 82
Commission Series

An Ordinance condemning as unsafe the service pipes now in use on certain streets connecting with the public water-works system, prohibiting the use of such service pipes, or their connection with the public water system, and requiring all property owners within such territory to install, at their cost, immediately after the publication of this Ordinance, new, fire-proof, and safe service pipes, and large water mains to be installed by the owner of each lot, and requiring such owners to install necessary connections from their lots to the public sewerage system; and, regulating the manner of doing such work; and prescribing penalties for the violation of this Ordinance.

WHEREAS, the Commission Council has provided by Ordinance No. 75 for the installation of certain public service pipes theretofore mentioned as follows:

FIRST: PIPET: Thomas Street, from the intersection of Holly Street, west to the intersection of Magnolia Street.
SECOND: South Cypress Street, from Thomas Street to Morris Avenue.
THIRD: East Railroad (or Cate) Avenue, from Thomas Street to Charles Street.
FOURTH: West Railroad Avenue from Thomas Street to Charles Street.
FIFTH: West Railroad Avenue from Charles Street to Church Street.
SIXTH: West Railroad Avenue from Thomas Street to Morris Avenue.

WHEREAS, acting under instructions from the Commission Council, the City Engineer and City Plumber have investigated the condition of the service pipes now in use on the streets above mentioned, and have reported to the Commission Council that such connections are unsafe, due to the rusty and decayed condition of such pipes, which render them too weak to stand the required pressure of water used by the Public Fire-fighting Apparatus.

WHEREAS, it is deemed advisable to install more suitable pipes before the said streets are paved, thus avoiding the expense and inconvenience of destroying the pavement in order to repair or replace such pipes, which will shortly be required for the reasons aforesaid.

WHEREAS, for the same reasons it is deemed advisable that the owners of each lot on said streets who have not already done so, should install new sewerage connections from their lots before the paving is done:

THEREFORE, SECTION ONE: It is hereby ordered by the Commission Council of the City of Hammond, that it shall be unlawful for any person, firm, or corporation owning property abutting on the streets mentioned to use water from, or to connect with, the public water system of the City of Hammond, after the passage of this Ordinance, unless and until they have installed, at their own expense, within such time as may be prescribed by the City Engineer and City Plumber, a new water service pipe of extra heavy lead, connecting with the public water works system from their respective property, same to be installed under the supervision and subject to the approval of the City Engineer and City Plumber.

SECTION TWO: Be it further ordered that the owners of each lot of twenty-five (25) foot frontage on the above mentioned streets is hereby required to install proper sewer connections from each lot to connect with the public sewerage system, at the cost of such owners, under the supervision and direction of the City Engineer and City Plumber. In case of their failure to install such connections, said owners shall be each prohibited from hereafter making such connections until they have filed with the Commission Council a bond signed by an authorized Surety Company for such amount as the Council may determine, conditioned that such owners shall restore the pavement in as good condition as it was before such connection was made. Nothing in this Ordinance shall be construed as modifying in any way the existing sanitary regulations, especially Ordinance No. 31.

SECTION THREE: That any person violating any of the provisions of this Ordinance shall be subject to a fine of not less than $25.00 or more than $100.00, or in default of payment of same to imprisonment of not less than five (5) nor more than thirty (30) days.

Be it further enacted that all violations of this Ordinance in conflict with any of the provisions of this Ordinance are hereby repealed.

An Ordinance Authorizing the Issue of Water Works Equipment Bonds of the City of Hammond, Louisiana, and Providing for the Payment Thereof.

WHEREAS, an election duly called and held on the 2nd day of May, 1892, in the City of Hammond, there was submitted to the property taxpayers of said city the question, whether they would authorize and direct the Mayor and City Council of the City of Hammond, Louisiana, to issue and sell Forty Thousand Dollars ($40,000.00) of bonds, to run twenty-five years, payable within that term at such times and in such amounts as may be determined by the Mayor and City Council of the City of Hammond, upon the security of the waterworks and sewerage system of said city, and the resolution was passed by the property taxpayers of said city, voting at said election, the proportion of the property debt and the proceeds of the bonds of the City of Hammond, together with the bonds of the City of Hammond authorized by the Mayor and City Council of said city, to be used for the purchase and construction of waterworks and necessary equipment, the interest on which shall be paid in the City of Hammond; and

WHEREAS, due and timely notice for the period and in the manner prescribed by law was given of said election and a majority of the number and amount of the property taxpayers qualified as electors under the laws and constitution of the State of Louisiana voting thereat authorized the City of Hammond to issue said bonds, therefore

be it Ordinance by the Mayor and City Council of the City of Hammond:

Section 1. That the Mayor and City Council of the City of Hammond be, and they are hereby ordered to issue the negotiable coupon bonds of said municipality in the amount of Forty Thousand Dollars ($40,000.00) of principal, payable at $1,000 for each bond, at the rate of five and one-half percent per annum, interest not to commence until the first day of February, and shall be callable at the option of said bondholders at any time, but not before the first day of February, in the year of 1933, or at any time after the first day of February, in the year of 1933, at the price of $1,000, to the holders of the obligors of said bonds.

Section 2. That said bonds shall be signed by the Mayor and Councilmen of the City of Hammond and authenticated by the corporate seal of the City of Hammond, and the interest coupons shall be authenticated by a facsimile signature of Mayor and Councilmen of the City of Hammond, and shall be payable at the City of Hammond, State of Louisiana.

Adopted March 3rd, 1893

C. G. CARTER, Mayor
