[FORM OF REVERSE OF BOND]

This bond is one of an authorized issue aggregating in principal the sum of Five Million Dollars ($5,000,000) (the "Bonds"), all of like date, tenor and effect except as to number, date, denomination, interest rate and maturity, said Bonds having been issued by the Issuer pursuant to an ordinance adopted by the governing authority of the Issuer on February 21, 1984 (the "Bond Ordinance"), for the purpose of paying a portion of the cost of making capital improvements to public buildings, recreational facilities, public streets and incidental drainage, drainage facilities and sewage facilities, under the authority conferred by Sub-Part F, Part III, Chapter 4, Title 39 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority supplemental thereto, pursuant to all requirements therein specified, including the authorization of a majority of the qualified electors voting at an election held within the corporate boundaries of the Issuer on July 10, 1982, the result of which election has been duly promulgated in accordance with law.
This bond and the issue of which it forms a part are issued on a complete parity with Three Million One Hundred Thousand Dollars ($3,100,000) of outstanding Public Improvement Bonds, Series 2-A, of the Issuer, dated December 1, 1982, issued pursuant to an ordinance adopted by the Governing Authority of the Issuer on November 16, 1982. It is certified that the Issuer, in issuing this bond and the issue of which it forms a part, has complied with all the terms and conditions set forth in the aforesaid ordinance of November 16, 1982.

Those Bonds maturing December 1, 1995, and thereafter, are callable for redemption at the option of the Borrower in the inverse order of their maturities, and if less than a full maturity, then by lot within such maturity, on any interest payment date on or after December 1, 1994, at the principal amount thereof and accrued interest to the call date, plus a premium as follows:

As to each Bond called for redemption on or after December 1, 1994, but prior to December 1, 1999, a sum equal to 103% of the principal amount of each Bond so redeemed prior to maturity;

As to each Bond called for redemption on or after December 1, 1999, a sum equal to 101% of the principal amount of each Bond so redeemed prior to maturity.

In the event a Bond to be redeemed is of a denomination larger than $5,000, a portion of such Bond ($5,000 or any multiple thereof) may be redeemed. Official notice of such call of any of the Bonds for redemption shall be given by means of registered or certified mail by notice deposited in the United States mails not less than thirty (30) days prior to the redemption date addressed to the registered owner of each Bond to be redeemed at his address as shown on the registration books of the Paying Agent/Registrar.

The Issuer shall cause to be kept at the principal office of the Paying Agent/Registrar a register (the "Bond Register") in which registration of the Bonds and of transfers of the Bonds shall be made as provided herein. This Bond may be transferred, registered and assigned only on the Bond Register of the Paying Agent/Registrar, and such registration shall be at the expense of the Issuer. This Bond may be assigned by the execution of the assignment form hereon or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. A new Bond or Bonds will be delivered by the Paying Agent/Registrar to the last assignee (the new registered owner) in exchange for this transferred and assigned Bond within three (3) days after receipt of this Bond to be transferred in proper form. Such new Bond or Bonds shall be in the denomination of $5,000 or any integral multiple thereof within a single maturi-
ty. Neither the Issuer nor the Paying Agent/Registrar shall be required to issue, register, transfer or exchange any Bond during a period beginning at the opening of business on the 15th day next preceding an interest payment date and ending at the close of business on the interest payment date; except, however, that in the event any Bonds are called for redemption prior to maturity, neither the Issuer nor the Paying Agent/Registrar shall be required to issue, register, transfer or exchange any such Bond to be so redeemed during a period beginning at the opening of business fifteen (15) days before the date of the mailing of a notice of redemption of such Bonds and ending on the date of such redemption.

This Bond and the issue of which it forms a part are payable solely from and secured by an irrevocable pledge and dedication of the avails or proceeds of the special one percent (1%) sales and use tax (the "Tax") now being levied and collected by the Borrower, pursuant to the provisions of the Constitution and Laws of the State of Louisiana, and in compliance with an election held therein on July 10, 1982, under the authority of Sub-Part F, Part III, Chapter 4, Title 39 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority supplemental thereto, subject only to the prior payment of the reasonable and necessary costs and expenses of collecting and administering the Tax. This Bond constitutes a borrowing solely upon the credit of said Tax revenues received by the Issuer and does not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any constitutional or statutory provisions relating to the incurring of indebtedness. The governing authority of the Issuer has covenanted and agreed and does hereby covenant and agree not to discontinue or decrease or permit to be discontinued or decreased the Tax in anticipation of the collection of which this Bond and the issue of which it forms a part have been issued, nor in any way make any change which would diminish the amount of said Tax revenues pledged to the payment of the Bonds until all of such Bonds shall have been paid in principal and interest. For a complete statement of the revenues from which and conditions under which this Bond is issued, reference is hereby made to the Bond Ordinance.

This Bond and the issue of which it forms a part have been duly registered with the Secretary of State of Louisiana as provided by law.

Said avails or proceeds be and they are hereby irrevocably and irrepealably pledged and dedicated in an amount sufficient for the payment of the Bonds in principal and interest as they shall respectively become due and payable, and for the other purposes hereinafter set forth in this Bond Ordinance. That out of the funds on deposit in the Sales Tax Fund, the Issuer shall first pay all reasonable and necessary expenses of collection and administration of the Tax. After payment of such expenses, the remaining balance of the sales tax proceeds or deposit in said Fund shall be administered and used in the following order of priority and for the following and express purposes:

(a) The maintenance of a Sales Tax Bond Sinking Fund - 1982) hereinafter called the "Sinking Fund"), established pursuant to the provisions of Ordinance 988 adopted by the Governing Authority on November 16, 1982, authorizing the issuance of $3,100,000 of Public Improvement Bonds, Series 2-A, dated December 1, 1982 (the "Outstanding Parity Bonds"), sufficient in amount to pay promptly and fully the principal of and the interest on the Bonds herein authorized and the Outstanding Parity Bonds, including any pari passu bonds issued hereafter in the manner provided by this Bond Ordinance, as they severally become due and payable, by transferring from said Sales Tax Fund to the regularly designated fiscal agent of the Issuer.
on or before the 20th day of April and May, 1984, the monthly payments required by Ordinance 988 for the Outstanding Parity Bonds, and in addition thereto a sum equal to one-half (1/2) of the interest falling due on June 1, 1984, on the Bonds herein authorized, and commencing June 1984, a sum equal to one-sixth (1/6) of the interest falling due on the next interest payment date and a sum equal to one-twelfth (1/12) of the principal falling due on the next principal payment date on all Bonds payable from the Sinking Fund, together with such additional proportionate sum as may be required to pay said principal and interest as the same respectively become due. Said fiscal agent shall transfer from the Sinking Fund to the paying agent bank or banks for all bonds payable from the Sinking Fund, at least ten (10) days in advance of the date on which payment of principal or interest falls due, funds fully sufficient to pay promptly the principal and interest so falling due on such date.

In the event that additional pari passu bonds are issued hereafter in the manner provided by this Bond Ordinance, there shall be transferred from said Sales Tax Bond Fund - 1982, into said Reserve Fund monthly or annually, such amounts (as may be designated in the ordinance authorizing the issuance of such pari passu bonds) as will increase the total amount on deposit in said Reserve Fund within a period not exceeding five (5) years to a sum equal to the highest combined principal and interest requirements in any succeeding calendar year on the Bonds herein authorized, the Outstanding Parity Bonds, and any such additional pari passu bonds.
If at any time it shall be necessary to use monies in the Reserve Fund for the purpose of paying principal or interest on bonds as to which there would otherwise be default, then the monies so used shall be replaced from the revenues first thereafter received by the Sales Tax Fund, not hereinabove required to pay the expenses of collecting and administering the Tax or to pay current principal and interest requirements, it being the intention hereof that there shall as nearly as possible be at all time in the Reserve Fund the amount hereinabove specified.

All or any part of the moneys in the Sales Tax Fund, the Sinking Fund or the Reserve Fund shall at the written request of the Issuer be invested in the manner provided by Louisiana law in obligations maturing in five (5) years or less, in which event all income derived from such investments shall be added to the Sales Tax Fund, and such investments shall, to the extent at any time necessary, be liquidated and the proceeds thereof applied to the purposes for which the respective Funds have been created.

All moneys remaining in the Sales Tax Fund on the 20th day of each month in excess of all reasonable and necessary expenses of collection and administration of the Tax and after making the required payments into the Sinking Fund and the Reserve Fund for the current month and for prior months during which the required payments may not have been made, shall be considered as surplus. Such surplus may be used by the Issuer for any of the purposes for which the imposition of the Tax is authorized or for the purpose of retiring bonds in advance of their maturities, either by purchase of bonds then outstanding at prices not greater than the redemption prices of said bonds or by retiring such bonds at the prices and in the manner set forth in this Bond Ordinance.

SECTION 13. The Issuer does hereby obligate itself and is bound under the terms and provisions of law to levy, impose, enforce and collect the Tax and to provide for all reasonable and necessary rules, regulations, procedures and penalties in connection therewith, including the proper application of the proceeds of the Tax, until all of the Bonds and the Outstanding Parity Bonds have been retired as to both principal and interest. Nothing herein contained shall be construed to prevent the
Issuer from altering, amending or repealing from time to time as may be necessary the Ordinance or any subsequent ordinance providing with respect to the Tax, said alterations, amendments or repeals to be conditioned upon the continued preservation of the rights of the Owners with respect to the revenues from the Tax. The Ordinance imposing the Tax and pursuant to which the Tax is being levied, collected and allocated, and the obligations to continue to levy, collect and allocate the Tax and to apply the revenues therefrom in accordance with the provisions of this Bond Ordinance, shall be irrevocable until the Bonds and the Outstanding Parity Bonds have been paid in full as to both principal and interest, and shall not be subject to amendment in any manner which would impair the rights of the Owners from time to time of the Bonds or which would in any way jeopardize the prompt payment of principal thereof and interest thereon. More specifically, neither the Legislature of Louisiana nor the Issuer may discontinue or decrease the Tax or permit to be discontinued or decreased the Tax in anticipation of the collection of which the Bonds have been issued, or in any way make any change which would diminish the amount of the Tax revenues pledged to the payment of the Bonds and the Outstanding Parity Bonds and received by the Issuer, until all of such Bonds shall have been retired as to both principal and interest.

The Owners of any of the Bonds may, either at law or in equity, by suit, action, mandamus or other proceeding, enforce and compel performance of all duties required to be performed as a result of issuing the Bonds and may similarly enforce the provisions of any ordinance or resolution imposing the
Tax and the Bond Ordinances and proceedings authorizing the issuance of the Bonds and the Outstanding Parity Bonds.

SECTION 14. So long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall maintain and keep proper books of records and accounts separate and apart from all other records and accounts in which shall be made full and correct entries of all transactions relating to the collection and expenditure of the revenues of the Tax, including specifically but without limitation, all reasonable and necessary costs and expenses of collection. Not later than three (3) months after the close of each Fiscal Year, the Issuer shall cause an audit of such books and accounts to be made by the Legislative Auditor of the State of Louisiana (or his successor) or by a recognized independent firm of certified public accountants showing the receipts of and disbursements made for the account of the Sales Tax Fund. Such audit shall be available for inspection upon request by the Owners of any of the Bonds. The Issuer further agrees that the Paying Agent/Registrar and the Owners of any of the Bonds shall have at all reasonable times the right to inspect the records, accounts and data of the Issuer relating to the Tax.

SECTION 15. The Bonds shall enjoy complete parity of lien on the revenues of the Tax despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The Issuer shall issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the revenues of the Tax having priority over or parity with the Bonds,
except that bonds may hereafter be issued on a parity with the
Bonds under the following conditions:

1. The Bonds or any part thereof, including in-
terest and redemption premiums thereon, may be refund-
ed and the refunding bonds so issued shall enjoy com-
plete equality of lien with the portion of the bonds
which is not refunded, if there be any; provided, how-
ever, that if only a portion of the bonds outstanding
is so refunded and the refunding bonds require total
principal and interest payments during any calendar
year in excess of the principal and interest which
would have been required in such calendar year to pay
the bonds refunded thereby, then such bonds may not be
refunded without consent of the Owners of the unre-
funded portion of the bonds issued hereunder.

2. Additional bonds may also be issued on a par-
ity with the Bonds herein authorized if all of the
following conditions are met:

(a) The average annual revenues derived by
the Issuer from the Tax when computed
for the two (2) completed fiscal years
(ending June 30) immediately preceding
the issuance of the additional bonds
must have been not less than 1.43 times
the highest combined principal and in-
terest requirements for any succeeding
Fiscal Year period on all bonds then
outstanding, including any pari passu
additional bonds theretofore issued and
then outstanding and any other bonds or
other obligations whatsoever then out-
standing which are payable from the Tax
(but not including bonds which have been
refunded or provision otherwise made for
their full payment and redemption) and
the bonds so proposed to be issued; pro-
vided, however, that until the Tax auth-
ORIZED on July 10, 1982, has been levied
and collected for two completed years
(ending August 31, 1984) prior to the
issuance of additional bonds, then said
revenues shall be calculated as the
amount actually received by the Issuer
from its one percent (1%) sales and use
tax, authorized at elections held within
the boundaries of the Issuer on January
26, 1963, and February 13, 1968, which
tax, however, is not pledged to the pay-
ment of the Bonds.
(b) The payments to be made into the various funds provided for in Section 12 hereof must be current.

(c) The existence of the facts required by paragraphs (a) and (b) above must be determined by an independent firm of certified or registered public accountants who have previously audited the books of the Issuer or by such successors thereof as may have been employed for that purpose.

(d) The additional bonds must be payable as to principal on December 1st of each year in which principal falls due beginning not later than three (3) years from the date of issuance of said additional bonds and payable as to the interest on June 1st and December 1st of each year.

SECTION 16. So long as any of the Bonds are outstanding and unpaid, the Issuer shall require all of its officers and employees who may be in a position of authority or in possession of money derived from the collection of the Tax, to obtain or be covered by a blanket fidelity or faithful performance bond, or independent fidelity bonds written by a responsible indemnity company in amounts adequate to protect the Issuer from loss.

That the Sales Tax Fund, the Sinking Fund, and the Reserve Fund shall all be and constitute trust funds for the purposes provided in this Bond Ordinance, and the Owners of Bonds issued pursuant to this Bond Ordinance be and they are hereby granted a lien on all such funds until applied in the manner provided herein. The moneys in such funds shall at all times be secured to the full extent thereof by the bank or trust company holding such funds in the manner required by the laws of the State of Louisiana.
SECTION 17. In providing for the issuance of the Bonds, the Issuer does hereby covenant and warrant that it has a legal right to levy and collect the Tax, to issue the Bonds and to pledge the revenues from the Tax as herein provided, and that the Bonds will have a lien and privilege on the revenues of the Tax subject only to the prior payment of the reasonable and necessary costs and expenses of administering and collecting the Tax.

SECTION 18. The provisions of this Bond Ordinance shall constitute a contract between the Issuer and the Owner or Owners from time to time of the Bonds, and any Owner of any of the Bonds may either at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by the Governing Authority of the Issuer as a result of issuing the Bonds, and may similarly enforce the provisions of the ordinance imposing the Tax and this Bond Ordinance.

No material modification or amendment of this Bond Resolution, or of any resolution amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no such modification or amendment shall permit a change in the maturity of the Bonds or the redemption provisions thereof, or a reduction in the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the unconditional promise of the Issuer to pay the principal of and the interest
on the Bonds as the same shall come due from the revenues of the Tax, or reduce the percentage of bondholders required to consent to any material modification or amendment of this Bond Ordinance, without the consent of the Owner or Owners of the Bonds.

SECTION 19. If (1) any mutilated Bond is surrendered to the Paying Agent/Registrar, or the Issuer and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Bond, and (2) there is delivered to the Issuer and the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent/Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and upon its request the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same maturity and of like tenor and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost, or stolen Bond has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Bond, pay such Bond. Upon the issuance of any new Bond under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent/Registrar) connected therewith. Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obliga-
tion of the Issuer, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Bond Ordinance equally and ratably with all other Outstanding Bonds. The procedures set forth in the Paying Agent/Registrar Agreement authorized in this Bond Ordinance shall also be available with respect to mutilated, destroyed, lost or stolen Bonds. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 20. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owners, the principal (and redemption price) of and interest on the Bonds, at the times and in the manner stipulated in this Bond Ordinance, then the pledge of the Tax or any other money, securities, and funds pledged under this Bond Ordinance and all covenants, agreements, and other obligations of the Issuer to the Owners of Bonds shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent/Registrar shall pay over or deliver all money held by it under this Bond Ordinance to the Issuer.

Bonds or interest installments for the payment or redemption of which money shall have been set aside and shall be held in trust by the Paying Agent/Registrar (through deposit by the Issuer of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to
have been paid within the meaning and with the effect expressed above in this Section. All Outstanding Bonds shall be deemed to have been paid, prior to their maturity, within the meaning and with the effect expressed above in this Section if there shall have been deposited with the Paying Agent/Registrar either money in an amount which shall be sufficient, or Government Securities the principal of and the interest on which when due will provide money which, together with the money (if any) deposited with the Paying Agent/Registrar at the same time, shall be sufficient to pay when due the principal of and interest to become due on such Bonds on and prior to the stated maturity or (if notice of the call for redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) redemption date thereof. Neither Government Securities nor money deposited with the Paying Agent/Registrar pursuant to this Section, nor principal or interest payments on any such Government Securities, shall be withdrawn or used for any such purpose other than, and shall be held in trust for, the payment of the principal (and redemption price) of and interest on such Bonds. Any cash received from such principal of and interest on investment securities, deposited with the Paying Agent/Registrar, if not used for such purpose, shall, to the extent practicable, be reinvested in Government Securities (which may be non-interest bearing) maturing at times and in amounts sufficient to pay when due the principal (and redemption price) of and interest on such Bonds on and prior to the maturity thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Paying Agent/Registrar, free and clear of any trust, lien, or pledge. Any
payment for Government Securities shall be made only against
delivery of such Government Securities.

SECTION 21. The Executive Officers of the Issuer be
and they are hereby empowered, authorized and directed to do any
and all things necessary and incidental to carry out all of the
provisions of this Bond Ordinance, to cause the necessary Bonds
to be printed or lithographed, to issue, execute, seal and de-
liver the Bonds, to effect the delivery of the Bonds in accor-
dance with the sale thereof, to collect the purchase price
therefor, and to deposit the funds derived from the sale of the
Bonds (except accrued interest and premium, which shall be de-
posited in the Sinking Fund) in a special account with the regu-
larly designated fiscal agent bank of the Issuer. The proceeds
derived from the sale of the Bonds shall constitute a trust fund
to be used exclusively for the purposes for which the Bonds are
herein authorized to be issued but the Purchaser of the Bonds
shall not be obliged to see to the application thereof.

SECTION 22. The Issuer will at all times maintain a
Paying Agent/Registrar meeting the qualifications herein de-
scribed for the performance of the duties hereunder. The desig-
nation of the initial Paying Agent/Registrar in this Bond Ordi-
nance is hereby confirmed and approved. The Issuer reserves the
right to appoint a successor Paying Agent/Registrar by (1) fil-
ing with the person then performing such function a certified
copy of a resolution or ordinance giving notice of the termina-
tion of the Agreement and appointing a successor and (2) causing
notice to be given to each Owner. Every Paying Agent/Registrar appointed hereunder shall at all times be a corporation organized and doing business under the laws of the United States of America or of any State, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. The Executive Officers of the Issuer are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent/Registrar for and on behalf of the Issuer in such form as may be satisfactory to the Executive Officers, the signatures of the Executive Officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 23. In case any one or more of the provisions of this Bond Ordinance or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Bond Ordinance or of the Bonds, but this Bond Ordinance and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provision enacted after the date of this Bond Ordinance which validates or makes legal any provision of this Bond Ordinance and/or the Bonds which would not otherwise be valid or legal, shall be deemed to apply to this Bond Ordinance and to the Bonds.

SECTION 24. A copy of this Bond Ordinance shall be published immediately after its adoption in one issue of the of-
ficial journal of the Issuer. For a period of thirty (30) days from the date of the publication of this Bond Ordinance, any person in interest may contest the legality of the Bonds or the Tax, the proceeds of which are hereby pledged and dedicated, for any cause, after which time no one shall have any cause or right of action to contest the legality, formality or regularity of the proceedings, the Tax, or bond authorization, for any cause whatsoever. If the question of the validity of any proceedings, Tax, or bond authorization is not raised within such thirty (30) days, the authority to issue the Bonds, the regularity thereof, the validity of the Tax pledged and dedicated to provide for the payment of principal and interest, and the enforceability of the pledge thereof, shall be conclusively presumed, and no court may inquire into such matters.

SECTION 25. The Issuer covenants and agrees that it will not use, or cause to be used, the proceeds of the Bonds, or any portion thereof, to acquire securities or obligations in such a manner as to cause any of the Bonds to be treated as an "arbitrage bond" within the meaning of Section 103(c) of the Internal Revenue Code, or any rules or regulations promulgated or issued thereunder, to the extent that the interest on any of the Bonds shall become subject to Federal income taxation. For the purposes of this Section, the term "proceeds of the Bonds" shall have the same meaning as the term "proceeds of the issue" under said Section of the Internal Revenue Code.

SECTION 26. A certified copy of this resolution shall be filed and recorded as soon as possible in the Mortgage Re-
cords of the Parish of Tangipahoa, State of Louisiana.

SECTION 10. This Governing Authority, having investigated the regularity of the proceedings had in connection with this issue of Certificates, and having determined the same to be regular, each of the Certificates shall contain the following recital, to-wit:

"It is certified that this Certificate is authorized by and is issued in conformity with the requirements of the Constitution and Statutes of this State."

SECTION 11. The Issuer, the Paying Agent/Registrar, and any agent of either of them may treat the Owner in whose name any Certificate is registered as the owner of such Certificate for the purpose of receiving payment of the principal (and redemption price) of and interest on such Certificate and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent/Registrar, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 12. Wherever this Certificate Ordinance provides for notice to Owners of Certificates of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Owner of such Certificates, at the address of such Owner as it appears in the Certificate Register. In any case where notice to Owners of Certificates is given by mail, neither the failure to mail such notice to any particular Owner of Certificates, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other
Certificate Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 13. All Certificates surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent Registrar, shall be promptly cancelled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The Issuer may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Certificates held by the Paying Agent/Registrar shall be disposed of as directed in writing by the Issuer.

SECTION 14. If (1) any mutilated Certificate is surrendered to the Paying Agent/Registrar, or the Issuer and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Certificate, and (2) there is delivered to the Issuer and the Paying Agent/Registrar
such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent/Registrar that such Certificate has been acquired by a bona fide purchaser, the Issuer shall execute and upon its request the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Certificate, a new Certificate of the same maturity and of like tenor and principal amount, bearing a number not contemporaneously outstanding. Upon the issuance of any new Certificate under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent/Registrar) connected therewith. Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Certificate shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Certificate shall be any time enforceable by anyone and shall be entitled to all the benefits of this Certificate Ordinance equally and ratably with all other Outstanding Certificates. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owners, the principal (and redemption price) of and interest on the Certificates, at the times and in the manner stipulated in this Certificate Ordinance, then the pledge of any money, securities, and funds pledged under this Certificate Ordinance and all covenants, agreements, and other obligations of the Issuer to the Owners of Certificates shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent/Registrar shall pay over or deliver all money held by it under this Certificate Ordinance to the Issuer.

Certificates or interest installments for the payment or redemption of which money shall have been set aside and shall be held in trust by the Paying Agent/Registrar (through deposit by the Issuer of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section. All Outstanding Certificates shall be deemed to have been paid, prior to their maturity, within the meaning and with the effect expressed above in this

SECTION 16. The Certificates shall be secured by and payable solely in principal and interest from the funds to be derived from the collection of the unpaid local or special assessments levied by the Assessment Ordinance on each lot or parcel or real estate abutting on those portions of those streets listed in the Assessment Ordinance which have been or are to be improved by the construction of street paving improvements thereon, which funds derived from the collection of said unpaid local or special assessments, together with any interest thereon, shall be and they are hereby irrevocably pledged and dedicated to the payment of the principal of and the interest on the Certificates, and said funds shall be set aside in a separate fund to be designated "Sinking Fund for Paving Certificates, Series 1986, of the City of Hammond, State of Louisiana, dated January 1, 1986." to cover the cost of said improvements, all in the manner pro-
vided by Sub-Part A, Part I, Chapter 7, Title 33 of the Louis-
iana Revised Statutes of 1950, and other constitutional statu-
tory authority supplemental thereto, and that Clerk of the Coun-
cil be and she is hereby instructed to forward or cause to be
forwarded a certified copy of this Certificate Ordinance to said
State Bond Commission together with a letter requesting the
prompt consideration and approval of this application.

be published immediately after its adoption in one (1) issue of
the official journal of the Issuer. If the validity of the
issuance of the Certificates is not raised within thirty (30)
days from the date of such publication, the authority to issue
the Certificates, the legality thereof and of the local and
special assessments necessary to pay the same, shall be conclu-
sively presumed and no court shall thereafter have authority to
inquire into such matters.

SECTION 23. The Issuer covenants and agrees that it
shall not use, or cause to be used, the proceeds of the Certifi-
cates herein authorized, or any portions thereof, to acquire
securities or obligations in such a manner as to cause any of
the Certificates to be treated as an "arbitrage certificate"
within the meaning of Section 103(c) of the Internal Revenue
Code, or any rules or regulations promulgated or issued there-
under, to the extent that the interest on any of the Certifi-
cates shall become subject to Federal income taxation. For the

SECTION 11. The Issuer, the Paying Agent/Registrar, and any agent of either of them may treat the Owner in whose name any Certificate is registered as the owner of such Certificate for the purpose of receiving payment of the principal (and redemption price) of and interest on such Certificate and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent/Registrar, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 12. Wherever this Certificate Ordinance provides for notice to Owners of Certificates of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Owner of such Certificates, at the address of such Owner as it appears in the Certificate Register. In any case where notice to Owners of Certificates is given by mail, neither the failure to mail such notice to any particular Owner of Certificates, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other
Certificates. Where this Certificate Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 13. All certificates surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent Registrar, shall be promptly cancelled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent/Registrar that such Certificate has been acquired by a bona fide purchaser, the Issuer shall execute and upon its request the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Certificate, a new Certificate of the same maturity and of like tenor and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Certificate has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Certificate, pay such Certificate. Upon the issuance of any new Certificate under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent/Registrar) connected therewith. Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Certificate shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Certificate shall be any time enforceable by anyone and shall be entitled to all the benefits of this Certificate Ordinance equally and ratably with all other Outstanding Certificates. If the validity of the issuance of the Certificates is not raised within thirty (30) days from the date of such publication, the authority to issue the Certificates, the legality thereof and of the local and special assessments necessary to pay the same, shall be conclusively presumed and no court shall thereafter have authority to inquire into such matters.

SECTION 23. The Issuer covenants and agrees that it shall not use, or cause to be used, the proceeds of the Certificates herein authorized, or any portions thereof, to acquire securities or obligations in such a manner as to cause any of the Certificates to be treated as an "arbitrage certificate" within the meaning of Section 103(c) of the Internal Revenue Code, or any rules or regulations promulgated or issued thereunder, to the extent that the interest on any of the Certificates shall become subject to Federal income taxation. For the purpose of this Section the term "proceeds of the Certificates"

SECTION 9. The Certificates shall be signed by the Executive Officers for, on behalf of, in the name of and under the corporate seal of the Issuer (the corporate seal of the Governing Authority being hereby adopted as the official seal of the Issuer) which signatures and corporate seal may be either manual or facsimile.

SECTION 10. This Governing Authority, having investigated the regularity of the proceedings had in connection with this issue of Certificates, and having determined the same to be regular, each of the Certificates shall contain the following recital, to-wit:

"It is certified that this Certificate is authorized by and is issued in conformity with the requirements of the Constitution and statutes of this State."
SECTION 11. The Issuer, the Paying Agent/Registrar, and any agent of either of them may treat the Owner in whose name any Certificate is registered as the owner of such Certificate for the purpose of receiving payment of the principal (and redemption price) of and interest on such Certificate and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent/Registrar, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 12. Wherever this Certificate Ordinance provides for notice to Owners of Certificates of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Owner of such Certificates, at the address of such Owner as it appears in the Certificate Register. In any case where notice to Owners of Certificates is given by mail, neither the failure to mail such notice to any particular Owner of Certificates, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Certificates. Where this Certificate Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.
SECTION 13. All Certificates surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent Registrar, shall be promptly cancelled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The Issuer may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Certificates held by the Paying Agent/Registrar shall be disposed of as directed in writing by the Issuer.

SECTION 14. If (1) any mutilated Certificate is surrendered to the Paying Agent/Registrar, or the Issuer and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Certificate, and (2) there is delivered to the Issuer and the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent/Registrar that such Certificate has been acquired by a bona fide purchaser, the Issuer shall execute and upon its request the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Certificate, a new Certificate of the same maturity and of like tenor and principal amount, bearing a
number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Certificate has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Certificate, pay such Certificate. Upon the issuance of any new Certificate under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent/Registrar) connected therewith. Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen certificate shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Certificate shall be any time enforceable by anyone and shall be entitled to all the benefits of this Certificate Ordinance equally and ratably with all other Outstanding Certificates. The procedures set forth in the Agreement, authorized in this Certificate Ordinance, shall also be available with respect to mutilated, destroyed, lost or stolen Certificates. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Certificates.
SECTION 15. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owners, the principal (and redemption price) of and interest on the Certificates, at the times and in the manner stipulated in this Certificate Ordinance, then the pledge of any money, securities, and funds pledged under this Certificate Ordinance and all covenants, agreements, and other obligations of the Issuer to the Owners of Certificates shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent/Registrar shall pay over or deliver all money held by it under this Certificate Ordinance to the Issuer.

Certificates or interest installments for the payment or redemption of which money shall have been set aside and shall be held in trust by the Paying Agent/Registrar (through deposit by the Issuer of funds for such payment or redemption otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section. All Outstanding Certificates shall be deemed to have been paid, prior to their maturity, within the meaning and with the effect expressed above in this Section if there shall have been deposited with the Paying Agent/Registrar either money in an amount which shall be sufficient, or Government Securities the principal of and the interest on which when due will provide which, together with the money, if any, deposited with the Paying Agent/Registrar at the
same time, shall be sufficient to pay when due the principal of and interest to become due on such Certificates on and prior to the stated maturity or (if notice of the call for redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) redemption date thereof. Neither Government Securities nor money deposited with the Paying Agent/Registrar pursuant to this Section, nor principal or interest payments on any such Government Securities, shall be withdrawn or used for any such purpose other than, and shall be held in trust for, the payment of the principal (and redemption price) of and interest on such Certificates. Any cash received from such principal of and interest on such investment securities deposited with the Paying Agent/Registrar, if not needed for such purpose, shall, to the extent practicable, be reinvested in Government Securities (which may be noninterest bearing) maturing at times and in amounts sufficient to pay when due the principal (and redemption price) of and interest on such Certificates on and prior to the maturity thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Paying Agent/Registrar, free and clear of any trust, lien, or pledge. Any payment for Government Securities purchased for the purpose of reinvesting money as aforesaid shall be made only against delivery of such Government Securities.
SECTION 16. The Certificates shall be secured by and payable solely in principal and interest from the funds to be derived from the collection of the unpaid local or special assessments levied by the Assessment Ordinance on each lot or parcel or real estate in those portions of those streets within the corporate boundaries of the Issuer listed in the Assessment Ordinance which have been or are to be improved by the installation and construction of sewerage improvements and extensions therein, which funds derived from the collection of said unpaid local or special assessments, together with any interest thereon, shall be and they are hereby irrevocably pledged and dedicated to the payment of the principal of and the interest on the Certificates, and said funds shall be set aside in a separate fund to be designated "Sinking Fund for Sewerage Certificates, Series 1986, of Sewerage District No. 1 of the City of Hammond, State of Louisiana, dated January 1, 1986". Said funds shall not be drawn upon for any other purpose other than paying the principal of and the interest on the Certificates.

SECTION 17. This Governing Authority does hereby obligate itself and is bound under the terms and provisions of law to properly collect the said installments or deferred payments, together with the interest thereon, when due and payable, said installments or deferred payments representing the unpaid cost of the installation and construction of sewerage improvements and extensions along those portions of those streets within the corporate boundaries of the Issuer set out and listed in the Assessment Ordinance, and in the event of default in payment of
said local or special assessments, the Governing Authority shall proceed to collect such defaults in the manner provided by law and as set out in the Assessment Ordinance.

SECTION 18. The Issuer covenants that it will deposit or cause to be deposited with the Paying Agent/Registrar from the moneys derived from the collection of the assessments or other funds available for such purposes at least one day in advance of the date on which payment of principal and/or interest falls due on the Certificates, funds fully sufficient to pay promptly the principal and interest so falling due on such date.

SECTION 19. The Issuer will at all times maintain a Paying Agent/Registrar meeting the qualifications herein described for the performance of the duties hereunder. The designation of the initial Paying Agent/Registrar in this Certificate Ordinance is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent/Registrar by (1) filing with the Person then performing such function a certified copy of a resolution or ordinance giving notice of the termination of the Agreement and appointing a successor and (2) causing notice to be given to each Owner. Every Paying Agent/Registrar appointed hereunder shall at all times be a corporation organized and doing business under the laws of the United States of America or of any State, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. The Executive Officers of the Issuer are hereby authorized and directed to execute an appropriate
Agreement with the Paying Agent/Registrar for and on behalf of the Issuer in such form as may be satisfactory to the Executive Officers, the signatures of the Executive Officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 20. Upon the sale of the Certificates to the Purchaser (designated on the date of the sale) the Executive Officers be and they are hereby empowered, authorized and directed to have the Certificates printed, typed or otherwise prepared, to execute the same as herein provided, to deliver the same to the Purchaser in accordance with their bid of November 19, 1985, and to collect the purchase price therefor and to deposit the funds derived therefrom to the credit of the Issuer, with the regularly designated fiscal agent bank or banks of the Issuer, in a construction fund (the "Construction Fund"), and said bank or banks shall issue an appropriate receipt therefor upon such deposits. The funds in the Construction Fund shall be used solely for the purpose of paying the costs of issuance of the Certificates and the cost of the construction of the sewerage improvements which have been or are to be constructed along the streets listed in the Assessment Ordinance, and for no other purpose whatsoever. To insure the proper expenditure of the
moneys deposited in the Construction Fund; all payments therefrom shall be approved by the Governing Authority and accompanied by an engineering certificate prepared and executed by a duly authorized representative of Bodin and Webb, Inc., Consulting Engineers for the Issuer with respect to the sewerage improvement project to be funded with the proceeds of the Certificates, stating that the payment to be made from said Construction Fund is properly due and payable for work to be performed or services rendered in connection with the sewerage improvements proposed to be made, all in accordance with the Engineering Report prepared by said Bodin and Webb, Inc., and approved by this Governing Authority by resolution adopted on September 3, 1985, and further that upon payment of such amount, there will remain in the Construction Fund sufficient moneys to construct the sewerage improvements as contemplated by said Engineering Report.

SECTION 21. Application be and the same is hereby made to the State Bond Commission, Baton Rouge, Louisiana, for its consent and authority to construct said sewerage improvements along those portions of streets within the corporate boundaries of the Issuer, set out in the Assessment Ordinance and for further consent and authority to levy said local or special assessments against each assessable lot or parcel of real estate benefited by such improvements, sufficient in amount to cover the unpaid cost of said improvements, and to issue, sell and deliver the Certificates in an amount sufficient to cover the cost of
said improvements, all in the manner provided by Sub-Part A, Part II, Chapter 9, Title 33 of the Louisiana Revised Statutes of 1950, and other constitutional statutory authority supplemental thereto, and that the Clerk of the Council of the City of Hammond be and she is hereby instructed to forward or cause to be forwarded a certified copy of this Certificate Ordinance to said State Bond Commission together with a letter requesting the prompt consideration and approval of this application.

SECTION 22. A copy of this Certificate Ordinance shall be published immediately after its adoption in one (1) issue of the official journal of the Issuer. If the validity of the issuance of the Certificates is not raised within thirty (30) days from the date of such publication, the authority to issue the Certificates, the legality thereof and of the local and special assessments necessary to pay the same, shall be conclusively presumed and no court shall thereafter have authority to inquire into such matters.

SECTION 23. The Issuer covenants and agrees that it shall not use, or cause to be used, the proceeds of the Certificates herein authorized, or any portions thereof, to acquire securities or obligations in such a manner as to cause any of the Certificates to be treated as an "arbitrage certificate" within the meaning of Section 103(c) of the Internal Revenue Code, or any rules or regulations promulgated or issued thereunder, to the extent that the interest on any of the Certificates shall become subject to Federal income taxation. For the
