ORDINANCE NO. 02-2841, C.S.

AN ORDINANCE AMENDING SIGN ORDINANCE #2118, regarding the provision of monument signs on C.M Fagan Drive/Minnesota Park Road in Hammond.

BE IT ORDAINED by the City of Hammond that:
Amend Section V “Sign Requirements by Zoning District” to add a new sub-section E as follows:

E. 1. All newly constructed and legally permitted freestanding signage built or installed on private property after the date of this amendment shall be designed as monument signage meeting the definitions of the Hammond Signage Ordinance (#2118) and the criteria outlined herein.

2. This section shall only apply to freestanding signage, not installed or painted signage on a building in compliance with the City’s sign ordinance and Building Codes, and located along Fagan Drive and West Minnesota Park Road from Highway 51 Business (west side) to S. Morrison Blvd. (Highway 51 By-Pass) east side. Properties and buildings that must comply with this section are those that have access and/or frontage along Fagan Drive or West Minnesota Park Road. On corner properties located facing two public streets, compliance shall only be required for signage along Fagan Drive and West Minnesota Park Rd.

3. Monument signs not exceeding 7 feet in height (measured from the top of its base or foundation to the highest point of the sign) shall be required in place of pole or freestanding signs when signage permits are requested from the City as per this sub-section. In addition, the sign base, foundation, or berm may be allowed up to 3 feet in height if landscaping around this sign is installed and maintained by the owner. A City approved sign permit must first be obtained before any signage construction can take place.

4. Existing and legally non-conforming freestanding or pole signs may continue to be used until a new business on the property applies to change or re-construct the non-conforming sign with a new sign or sign face. At that time, the new signage will be built in accordance with the requirements outlined herein.

The above and foregoing ordinance having been duly submitted to the Hammond City Council in writing; introduced at a public meeting of the Hammond City Council discussed at the said public meeting; after motion and second was submitted to the official vote of the Hammond City Council.

AN ORDINANCE AMENDING THE ZONING ORDINANCE NO. 01-2769, C.S.
TO ADD OVERLAY ECONOMIC RESTORATION DISTRICT
FOR THOMAS/MORRIS STREET

BE IT ORDAINED by the City of Hammond that:

Note: the following is to be added as an amendment to the Hammond Zoning Ordinance #01-2769 as Section 2.4 (19)

THOMAS/MORRIS STREET OVERLAY DISTRICT
ECONOMIC DEVELOPMENT DISTRICT

CREATION: There is hereby established the Thomas/Morris Street Overlay and Economic Development District (OED District) within the City of Hammond that will supplement existing zoning regulations. Administration: The overlay district guidelines will be administered by the Hammond Building Department, with variance requests reviewed by the Hammond Zoning Commission, acting in their capacity as the Board of Adjustments.

LOCATION: This overlay district is bounded on the east by Range Road and on the west by Morrison (Highway 51 By-Pass). All properties fronting onto East and West Morris and Thomas Street within this area are included in this newly created district, excepting the federal Hammond Historic District.

PURPOSE: The purpose of creating this OED overlay district is to:
• encourage investment and restoration of property in a manner that values preservation of historic structures while enhancing property values
• provide predictability and conformity in zoning designations with relation to the character of the adjoining properties and neighborhoods
• provide a minimum set of design standards that relate to building facades, signage, landscaping, and lighting
• provide for a set of optional development and preservation incentives to be used by the City as a negotiating and incentive tool
• provide for the adoption of a proposed zoning plan for this corridor

COMPLIANCE WITH EXISTING ZONING CLASSIFICATIONS:

The OED District guidelines will supplement those regulations in effect within the applicable Zoning Classifications of each property within the OED District. In cases of a conflict between the guidelines of the OED District and not addressed specifically in this section and those of the applicable Zoning Classification, the OED District guidelines shall prevail.
ORDINANCE NO. 02-2852, C.S.

AN ORDINANCE AMENDING THE ZONING ORDINANCE NO. 01-2769, C.S.
TO ADD OVERLAY ECONOMIC RESTORATION DISTRICT
FOR THOMAS/MORRIS STREET

BE IT ORDAINED by the City of Hammond that:

Note: the following is to be added as an amendment to the Hammond Zoning
Ordinance #01–2769 as Section 2.4 (19)

THOMAS/MORRIS STREET OVERLAY DISTRICT
ECONOMIC DEVELOPMENT DISTRICT

CREATION: There is hereby established the Thomas/Morris Street
Overlay and Economic Development District (OED District)
within the City of Hammond that will supplement existing
zoning regulations. Administration: The overlay district
guidelines will be administered by the Hammond Building
Department, with variance requests reviewed by the Hammond
Zoning Commission, acting in their capacity as the Board of
Adjustments.

LOCATION: This overlay district is bounded on the east by Range Road and
on the west by Morrison (Highway 51 By-Pass). All properties
fronting onto East and West Morris and Thomas Street within
this area are included in this newly created district, excepting the
federal Hammond Historic District.

PURPOSE: The purpose of creating this OED overlay district is to:
• encourage investment and restoration of property in a
manner that values preservation of historic structures
while enhancing property values
• provide predictability and conformity in zoning
designations with relation to the character of the adjoining
properties and neighborhoods
• provide a minimum set of design standards that relate to
building facades, signage, landscaping, and lighting
• provide for a set of optional development and
preservation incentives to be used by the City as a
negotiating and incentive tool
• provide for the adoption of a proposed zoning plan
for this corridor

COMPLIANCE WITH EXISTING ZONING CLASSIFICATIONS:
The OED District guidelines will supplement those regulations in effect within the
applicable Zoning Classifications of each property within the OED District. In
cases of a conflict between the guidelines of the OED District (and not addressed
specifically in this section) and those of the applicable Zoning Classification, the
OED District guidelines shall prevail.
INCENTIVE TOOLS TO BE USED:

The City of Hammond may use the following incentives or conditions to encourage compliance with the OED District guidelines, that includes both the Overlay standards and Economic Development District minimum financial investments

- Endorsement of the State's Restoration Tax Abatement Program benefits, providing for a 5 to 10 year freeze of property values at the pre-renovation or pre-construction levels, provided that the minimum guidelines are met.

- Endorsement of the State's Enterprise Zone Program benefits, providing for a State tax credit for each new employee hired or retained. In addition, State and local sales taxes paid for construction materials and equipment can be refunded to the owner/developer if minimum guidelines are met.

- Historic structure federal income tax credits if such eligible structures are recognized as historic by the federal Office of Historic Preservation

- the City may negotiate to have unpaved or paved parking placed in the rear and sides of a building to provide additional green space in front

- City parking space requirements may be reduced by up to 20% of the number of spaces required if health and safety are not adversely affected and if a propertyowner is trying to meet these overlay guidelines

- the City may install, at its costs, new sewer service lines from the sewer main to the property lines and may install driveway culverts when purchased by the owner (these services usually must be completed by the owner/developer)

- free technical assistance provided by the City and TEDF in preparing applications for the Restoration Tax Abatement Program and Enterprise Zone Program

- the City or DDD may install new public sidewalks, at a shared cost or at no cost to the propertyowner, depending upon City budget and sidewalk plans, and to be completed in conjunction with proposed private property improvements

- historic properties being renovated may apply for facade grants made available to the City through the State Office of Historic Preservation
new street light standards will be installed on public property by the City and/or the DDD

MINIMUM DESIGN STANDARDS TO BE FOLLOWED

1. **Sidewalks:** It is the intention of this amendment to install public sidewalks within the OED District on at least one side of the streets included in the District within those areas east of Mooney Avenue. Sidewalks shall be required on East and West Morris Streets on the south side. Sidewalks shall be required on East and West Thomas Streets on the north side and along other areas in the OED District so designated by the City that are in need of sidewalk connections. However, existing sidewalks on either side of the streets shall be retained and upgraded. Sidewalks that meet City requirements shall be installed at the expense of the property owner/developer at the time building permits (new, additions, or renovation) are requested for that same property. The City may install the required sidewalks when a property owner deposits with the City (in escrow), the City’s cost of the sidewalk measured in dollars per linear feet of street frontage. All sidewalk improvements made by private parties must first be reviewed and permitted by the City Building Department.

**Sidewalk design:** Sidewalks shall be concrete and a minimum of 4 ft. in width and be curbed at street intersections to allow access to the handicapped. Paver bricks shall be used as expansion joints and shall consist of a single row of bricks installed horizontally at each property line and at approximately 10' to 12' centers. Color and style of sidewalks and paver tiles shall conform to the colors and styles being installed by the City within the Hammond Historic District. Repair of existing sidewalks shall follow the same standards. Damage to tree roots shall be minimized in order to preserve as many trees as possible.

2. **Signage:** The Morris-Thomas Street corridor is a unique blend of residences and businesses in a neighborhood style setting. Signage guidelines are used to improve the harmony between different property uses and the historic/aesthetic nature of this area. All proposed signage within this District must be approved and permitted by the City Building Department and City Planner before being installed. In addition to following the existing requirements of the City of Hammond signage ordinance, additional standards for commercial uses in the Overlay District are hereby adopted as follows:

- when signage is installed, replaced, or renovated for a business and not attached to a building, monument signs not exceeding 7 feet in height shall be installed. An additional 3 feet in height may be allowed for a base, berm, or foundation if such area is landscaped. Such signs east of Mooney Ave. shall not be back-lit but may be externally illuminated in a fashion that directly illuminates the sign and does not disturb neighboring properties. Monument signs shall meet the requirements of the City’s sign ordinance and have frames constructed of brick, stucco, or cement. They shall be placed so as to not obstruct the view of on-coming traffic.

- non-portable readerboard signs (in which letters and number are often
changed to announce various information), which allow letters to be temporarily attached, will not be permitted within the OED Overlay District east of Mooney Ave. Readerboard signs will be allowed to be permanently mounted on pole signage for businesses west of Mooney Avenue. All other signage will follow the City’s Sign Ordinance and shall first be permitted by the City.

- facade mounted or facade painted signs will be limited in size to 25 square feet or 15% of the principal facade area, whichever is greater, except for that area west of Mooney Avenue within the Overlay District (which will follow the existing City’s sign ordinance)

- all signs that are legally non-conforming at the time that this ordinance is passed, may continue to be used if they are maintained in good condition. If a new sign is constructed or substantially rebuilt, or if a sign is destroyed through an act of nature of by way of an accident, these new sign standards shall be used in constructing the new sign.

3. **Street Lighting:** City approved public street light standards will be used within the Overlay District when installing new or replacement public lighting standards.

- street lighting standards to be used on existing power poles will conform to a “period” design chosen by the Downtown Development District design committee and the City Building Department. Electric (secondary feeds) service lines and cable TV lines to homes and businesses will be run underground unless such lines are in the rear or side of a property within the OED District.

4. **Coordinated Landscaping:** Coordinated street landscape design will be required for new construction projects or renovation projects. Small, medium, and large tree species will be approved on a site by site basis in accordance with the site’s limitations and the City’s landscape plan, landscape guidelines, and Section 2.5(b) of the Hammond Zoning Ordinance. As part of the Building Permit approval process, site, landscape and any water line plans will be required for each new or renovation commercial building project or landscape project within the Overlay District. Projects in which an applicant is requesting re-roofing, painting, or maintenance only projects will not be required to meet this landscape standard, which will be reviewed by the City Planner on a case by case basis. State highway right of ways will not be used for planting trees and shrubs to meet this requirement unless such landscaped plans are first approved by the State Highway Department (DOTD) and is needed to avoid substantial removal of existing paved parking lot areas. Otherwise, the landscape requirements will impact only private property. If the State Highway Department allows five feet of highway right of way to be used for landscaping, then only five feet of privately owned linear highway frontage will be required to meet the City’s 10 foot wide corridor landscape requirement (see Section 2.5(b) of Zoning Ordinance).

5. **Facade and Building Design:** Non-maintenance exterior building improvements and refurbishing, along with new construction, must be “in
character” with the exterior design and style used in historic neighborhood buildings (those built over 50 years previously) within the block affected for all areas east of Mooney Avenue.

- new or renovated buildings, along with expansions, if not already located on a concrete slab, will be constructed on raised 12 inch footings to match similar buildings in the Overlay District, if such structures are located east of Mooney Ave. in the Overlay District.
- existing metal building facades will be replaced with brick, stucco, or wood facades when building permits are requested for such facilities.
- open front porches will be retained where existing or removed, and added with new construction
- demolition of existing historic homes and business structures (those originally built before 1950) will be prohibited unless pre-approved by the City Zoning Commission. If demolition is permitted, new construction will blend in and be in character with the historic nature of the OED Overlay District east of Mooney Avenue.
- before any demolition is approved, a written inspection and demolition report must be prepared by the Building Department and presented to the Zoning Commission for review before making their decision on demolition.

6. **Street and Site Drainage Improvements:** Open ditch street drainage shall be discouraged within the Overlay District. When a building permit is issued for substantial renovation of a property or for new construction within the Overlay District, subsurface drainage plans shall be reviewed and negotiated between the property owner and the City, in accordance with City and State DOTD (Highway Department) standards. Drainage plans for the building site shall be submitted to the City Building Department for review and approval. Impacts upon adjacent properties shall be considered by the City in their review process.

7. **Building Setbacks and Parking:** Minimum building set-back distances for properties east of Mooney Avenue and located on East Morris/ East Thomas Streets and West Morris/West Thomas shall conform to the existing building set-backs in the applicable block. Front yard building setbacks of 15 feet may be permitted when parking will be provided on the side or rear of the property. An open, front yard for properties herein shall be maintained as green, landscaped space with required parking on the side or rear of the primary building. No parking of vehicles will take place within the front yard green areas and such yards shall include appropriate barriers that would prohibit the parking of vehicles in green or landscaped areas. The City will encourage parking is to be on the sides or rear of buildings and no parking shall be permitted to allow backing of vehicles directly onto a public street. All other areas within the Overlay District shall follow the required front building setbacks, parking, and yard requirements of the City’s Zoning Ordinance. Access driveways into the street will be limited to no more than one per property or two for properties exceeding 100 feet of public road frontage.

MINIMUM STANDARDS AND INVESTMENTS REQUIRED FOR CITY APPROVAL OF RESTORATION TAX ABATEMENT PROGRAM
In order for the City of Hammond to approve (via City Council approval) an owner’s application for Restoration Tax benefits within the OED District, an owner must be able to document the following:

a) that the owner-applicant will provide the minimum improvements required by this ordinance when upgrading their property and requesting tax incentives

b) that, within a two year period, the owner-applicant plans to spend the minimum investment required for:

- owner-occupied households $25,000 minimum per one building permit
- commercial properties 25% of the assessed value (including apartments) of the property affected.
  (Assessment for land and improvements, as determined by the Parish Tax Assessor)

Note: The value of a leasee’s improvements may be included by a commercial property owner who is applying for tax credits. The value of parking lot improvements and landscaping may also be counted toward a property owner’s minimum investment.

c) the improvements shall include more than re-roofing, painting, or maintenance items in order to qualify for the tax credits

d) in order to qualify for the tax credits provided, the applicant must have the credit approved by the State administering agency (Dept. of Economic Development), the City of Hammond, and any Parish governing authority if Parish taxes are affected.

The above and foregoing ordinance having been duly submitted to the Hammond City Council in writing; introduced at a public meeting of the Hammond City Council discussed at the said public meeting; after motion and second was submitted to the official vote of the Hammond City Council.

The vote thereon was as follows:

YEAS: BROWN, LICCIARDI, WILLIAMS, CORREJOLLES, AND MUSCSRELLO
NAYS: NONE.
ABSENT: NONE.

WHEREFORE the above and foregoing ordinance was declared duly adopted on this 19th day of February, year 2002, at Hammond, Tangipahoa Parish, Louisiana.

JERRY CORREJOLLES, PRESIDENT
HAMMOND CITY COUNCIL

HONORABLE LOUIS J. TALLO
MAYOR, CITY OF HAMMOND

LANITA JOHNSON, CLERK
HAMMOND CITY COUNCIL
5. **Facade and Building Design:** Non-maintenance exterior building improvements and refurbishing, along with new construction, must be “in character” with the exterior design and style used in historic neighborhood buildings (those built over 50 years previously) within the block affected for all areas east of Mooney Avenue.

- new or renovated buildings, along with expansions, if not already located on a concrete slab, will be constructed on raised 12 inch footings to match similar buildings in the Overlay District, if such structures are located east of Mooney Ave. in the Overlay District.
- existing metal building facades will be replaced with brick, stucco, or wood facades when building permits are requested for such facilities.
- open front porches will be retained where existing or removed, and added with new construction.
- demolition of existing historic homes and business structures (those originally built before 1950) will be prohibited unless pre-approved by the City Zoning Commission. If demolition is permitted, new construction will blend in and be in character with the historic nature of the OED Overlay District east of Mooney Avenue.
- before any demolition is approved, a written inspection and demolition report must be prepared by the Building Department and presented to the Zoning Commission for review before making their decision on demolition.

6. **Street and Site Drainage Improvements:** Open ditch street drainage shall be discouraged within the Overlay District. When a building permit is issued for substantial renovation of a property or for new construction within the Overlay District, subsurface drainage plans shall be reviewed and negotiated between the propertyowner and the City, in accordance with City and State DOTD (Highway Department) standards. Drainage plans for the building site shall be submitted to the City Building Department for review and approval. Impacts upon adjacent properties shall be considered by the City in their review process.

7. **Building Setbacks and Parking:** Minimum building set-back distances for properties east of Mooney Avenue and located on East Morris/ East Thomas Streets and West Morris/West Thomas shall conform to the existing building setbacks in the applicable block. Front yard building setbacks of 15 feet may be permitted when parking will be provided on the side or rear of the property. An open, front yard for properties herein shall be maintained as green, landscaped space with required parking on the side or rear of the primary building. No parking of vehicles will take place within the front yard green areas and such yards shall include appropriate barriers that would prohibit the parking of vehicles in green or landscaped areas. The City will encourage parking is to be on the sides or rear of buildings and no parking shall be permitted to allow backing of vehicles directly onto a public street. All other areas within the Overlay District shall follow the required front building setbacks, parking, and yard requirements of the City’s Zoning Ordinance. Access driveways into the street will be limited to no more than one per property or two for properties exceeding 100 feet of public road frontage.
INCENTIVE TOOLS TO BE USED:
The City of Hammond may use the following incentives or conditions to encourage compliance with the OED District guidelines, that includes both the Overlay standards and Economic Development District minimum financial investments

- Endorsement of the State’s Restoration Tax Abatement Program benefits, providing for a 5 to 10 year freeze of property values at the pre-renovation or pre-construction levels, provided that the minimum guidelines are met.

- Endorsement of the State’s Enterprise Zone Program benefits, providing for a State tax credit for each new employee hired or retained. In addition, State and local sales taxes paid for construction materials and equipment can be refunded to the owner/developer if minimum guidelines are met.

- Historic structure federal income tax credits if such eligible structures are recognized as historic by the federal Office of Historic Preservation

- the City may negotiate to have unpaved or paved parking placed in the rear and sides of a building to provide additional green space in front

- City parking space requirements may be reduced by up to 20% of the number of spaces required if health and safety are not adversely affected and if a propertyowner is trying to meet these overlay guidelines

- the City may install, at its costs, new sewer service lines from the sewer main to the property lines and may install driveway culverts when purchased by the owner (these services usually must be completed by the owner/developer)

- free technical assistance provided by the City and TEDF in preparing applications for the Restoration Tax Abatement Program and Enterprise Zone Program

- the City or DDD may install new public sidewalks, at a shared cost or at no cost to the propertyowner, depending upon City budget and sidewalk plans, and to be completed in conjunction with proposed private property improvements

- historic properties being renovated may apply for facade grants made available to the City through the
MINIMUM DESIGN STANDARDS TO BE FOLLOWED

1. **Sidewalks:** It is the intention of this amendment to install public sidewalks within the OED District on at least one side of the streets included in the District within those areas **east of Mooney Avenue**. Sidewalks shall be required on East and West Morris Streets on the south side. Sidewalks shall be required on East and West Thomas Streets on the north side and along other areas in the OED District so designated by the City that are in need of sidewalk connections. However, **existing** sidewalks that meet City requirements shall be installed at the expense of the property owner/developer at the time building permits (new, additions, or renovation) are requested for that same property. The City may install the required sidewalks when a property owner deposits with the City (in escrow), the City’s cost of the sidewalk measured in dollars per linear feet of street frontage. All sidewalk improvements made by private parties must first be reviewed and permitted by the City Building Department.

**Sidewalk design:** Sidewalks shall be concrete and a minimum of 4 ft. in width and be curbed at street intersections to allow access to the handicapped. Paver bricks shall be used as expansion joints and shall consist of a single row of bricks installed horizontally at each property line and at approximately 10' to 12' centers. Color and style of sidewalks and paver tiles shall conform to the colors and styles being installed by the City within the Hammond Historic District. Repair of existing sidewalks shall follow the same standards. Damage to tree roots shall be minimized in order to preserve as many trees as possible.

2. **Signage:** The Morris-Thomas Street corridor is a unique blend of residences and businesses in a neighborhood style setting. Signage guidelines are used to improve the harmony between different property uses and the historic/aesthetic nature of this area. All proposed signage within this District must be approved and permitted by the City Building Department and City Planner before being installed. In addition to following the existing requirements of the City of Hammond signage ordinance, additional standards for commercial uses in the Overlay District are hereby adopted as follows:

- when signage is installed, replaced, or renovated for a business and not attached to a building, monument signs not exceeding 7 feet in height shall be installed. An additional 3 feet in height may be allowed for a base, berm, or foundation if such area is landscaped. Such signs east of Mooney Ave. shall not be back-lit but may be externally illuminated in a fashion that directly illuminates the sign and does not disturb neighboring properties. Monument signs shall meet the requirements of the City's sign ordinance and have frames constructed of brick, stucco, or cement. They shall be placed so as to not obstruct the view of on-coming traffic.
• non-portable readerboard signs (in which letters and number are often changed to announce various information), which allow letters to be temporarily attached, will not be permitted within the OED Overlay District east of Mooney Ave. Readerboard signs will be allowed to be permanently mounted on pole signage for businesses west of Mooney Avenue. All other signage will follow the City’s Sign Ordinance and shall first be permitted by the City.

• facade mounted or facade painted signs will be limited in size to 25 square feet or 15% of the principal facade area, whichever is greater, except for that area west of Mooney Avenue within the Overlay District (which will follow the existing City’s sign ordinance)

• all signs that are legally non-conforming at the time that this ordinance is passed, may continue to be used if they are maintained in good condition. If a new sign is constructed or substantially rebuilt, or if a sign is destroyed through an act of nature of by way of an accident, these new sign standards shall be used in constructing the new sign.

3. **Street Lighting:** City approved public street light standards will be used within the Overlay District when installing new or replacement public lighting standards.

• street lighting standards to be used on existing power poles will conform to a “period” design chosen by the Downtown Development District design committee and the City Building Department. Electric (secondary feeds) service lines and cable TV lines to homes and businesses will be run underground unless such lines are in the rear or side of a property within the OED District.

4. **Coordinated Landscaping:** Coordinated street landscape design will be required for new construction projects or for renovation projects. Small, medium, and large tree species will be approved on a site by site basis in accordance with the site’s limitations and the City’s landscape plan, landscape guidelines, and Section 2.5(b) of the Hammond Zoning Ordinance. As part of the Building Permit approval process, site, landscape and any water line plans will be required for each new or renovation commercial building project or landscape project within the Overlay District. **Projects in which an applicant is requesting re-roofing, painting, or maintenance only projects will not be required to meet this landscape standard,** which will be reviewed by the City Planner on a case by case basis. State highway right of ways will not be used for planting trees and shrubs to meet this requirement unless such landscaped plans are first approved by the State Highway Department (DOTD) and is needed to avoid substantial removal of existing paved parking lot areas. Otherwise, the landscape requirements will impact only private property. If the State Highway Department allows five feet of highway right of way to be used for landscaping, then only five feet of privately owned linear highway frontage will be required to meet the City’s 10 foot wide corridor landscape requirement (see Section 2.5(b) of Zoning Ordinance).

LANITA JOHNSON, CLERK
HAMMOND CITY COUNCIL
2/19/02

Mayor Louis Tallo
City of Hammond
P.O. Box 2788
Hammond, La. 70404

Dear Mayor Tallo;

We, the following signed property owners, are requesting that the City abandon a 300 by 60 foot portion of unopened right of way on the south side of East Morris Ave. This section of right of way is referred to as the 200 block of South Walnut Street. If the City wants to keep a 20 foot strip for utility servitude (not ownership of the land), this is fine with us. We will maintain the abandoned right of way and keep the area cut and clean.

Please inform us when this comes up on the City Council agenda.

Sincerely; (signature and printed name and address)
ORDINANCE NO. 01-2860, C. S.

The amount of the impact fee imposed shall be as follows:

a. Undeveloped lots, parcels, and tracts of land on south side of Vineyard Road (east of Casey Road):
   TWENTY and 67/100 dollars ($20.67) per Front Foot
   ["Front foot" being the dimension (in feet) of that lot, parcel, or tract along and parallel to Vineyard Road.]

b. Pine Hill Subdivision—First Filing:
   Five-thousand seven-hundred six and 99/100 dollars ($5,706.99)
   [276.10 FF x $20.67 per FF]

c. Pine Hill Subdivision—Tract A:
   Six-thousand one-hundred ninety-six and 66/100 dollars ($6,196.66)
   [299.79 FF x $20.67 per FF]

4—METHOD OF COLLECTION

The time, place, and method of payment shall be left to the discretion of the Director of Finance.

The impact fee shall be assessed and collected concurrent with the obtaining of a building permit by the City Building Official at the time of application for said building permit, for all lots, parcels, or tracts of land which are presently vacant.

5—DISPOSITION OF IMPACT FEE PROCEEDS

The Impact Fees collected as a result of this ordinance shall be placed in an escrow account, and shall be disbursed only for the purposes of upgrading, constructing, tying in, operating, and improving the City of Hammond Sanitary Sewer Collection and Treatment system; and the proceeds may be disbursed to the appropriate City of Hammond fund as necessary to reimburse said fund for replenishing said fund if said fund is utilized for prompt payment of upgrading, constructing, tying in, operating, and improving the City of Hammond Sanitary Sewer Collection and Treatment system.

6—EXCLUSION

The Impact Fees collected and the escrow account established shall not be utilized by the City of Hammond for normal operating and maintenance costs of City government, except use for normal operating and maintenance costs of the City of Hammond Sewer and Water departments.
The Impact Fees assessed and collected shall not prohibit nor limit the authority of the City of Hammond to assess the residents/property-owners of the herein described Vineyard Road corridor for future improvements, provided all other beneficiaries subject to the future improvements are assessed in a manner and amount which is supported by quantitative use and/or "front-foot" method, and provided the method and amount of said future assessment is acceptable to the City Council.

LANITA JOHNSON, CLERK
HAMMOND CITY COUNCIL
AN ORDINANCE IMPOSING AN IMPACT FEE ON VINEYARD ROAD PROPERTIES FOR THE PURPOSE OF ESTABLISHING A SEWER IMPACT FEE FOR EXTENDING SANITARY SEWER MAINS/SERVICES Vineyard Road (South side from Casey Road to Industrial Access Road)

1—PURPOSE

The purpose of this ordinance is to impose a fee (hereinafter referred to as the "Impact Fee") for the costs incurred to construct/extend City of Hammond sanitary sewer collection mains and services to accommodate various developed and undeveloped properties fronting Vineyard Road, south side only, east from Casey Road to the west side of Industrial Access Road.

2—AFFECTED PROPERTIES

Those affected properties subject to the Impact Fee are the lots, parcels, and tracts of land, developed and undeveloped, with road frontage on Vineyard Road (south side) from Casey Road to Industrial Access Road.

3—AMOUNT OF IMPACT FEE

The amount of the impact fee imposed shall be as follows:

a. Undeveloped lots, parcels, and tracts of land on south side of Vineyard Road (east of Casey Road):
   TWENTY and 67/100 dollars ($20.67) per Front Foot
   ["Front foot" being the dimension (in feet) of that lot, parcel, or tract along and parallel to Vineyard Road.]

b. Pine Hill Subdivision—First Filing:
   Five-thousand seven-hundred six and 99/100 dollars ($5,706.99)
   [276.10 FF x $20.67 per FF]

Mr. Don Holtgren
Director of Administration
P.O. Box 2788
Hammond, Louisiana 70404-2788

Dear Mr. Holtgren:

This refers to the annexation (Ordinance No. 02-2874) and its designation to District No. 1 of the City of Hammond in Tangipahoa Parish, Louisiana, submitted to the Attorney General pursuant to Section 5 of the Voting Rights Act, 42 U.S.C. 1973c. We received your submission on July 12, 2002.

The Attorney General does not interpose any objection to the specified changes. However, we note that Section 5 expressly provides that the failure of the Attorney General to object does not bar subsequent litigation to enjoin the enforcement of the changes. In addition, as authorized by Section 5, we reserve the right to reexamine this submission if additional information that would otherwise require an objection comes to our attention during the remainder of the sixty-day review period. See the Procedures for the Administration of Section 5 (28 C.F.R. 51.41 and 51.43).

Sincerely,

[Signature]
Joseph D. Rich
Chief, Voting Section

AN ORDINANCE TO AMEND THE HAMMOND CODE OF ORDINANCES PERTAINING TO ITINERANT VENDORS

BE IT ORDAINED by the City of Hammond that the Hammond Code of Ordinances pertaining to Itinerant Vendors shall be and is hereby amended as depicted herein. Words in struck through type (i.e. text) are deletions from existing law; words underscored (i.e. text) are additions.

Sec. 19-80. Businesses where licenses are based on flat fees

The following types of businesses shall have an annual license based on the flat fee designated hereafter. For purposes of this section, the minimum tax noted in R.S. 47:344 for most new businesses for the first year of commencement or fractional part thereof does not apply.

(b) Peddlers and itinerant vendors
(1) All peddlers, hawkers, itinerant vendors, and every person who displays samples, models, goods wares, merchandise on a temporary basis in any hotel, motel, store, storehouse, house, vehicle, or any other place, for the purpose of securing orders for the retail sale of such goods, wares, or the like, kind or quality, either for immediate or future delivery shall obtain a license based on a flat fee not to exceed two hundred dollars ($200.00) provided than an itinerant vendor of seasonal forestry products or agricultural products purchased directly from farmers or an itinerant vendor of seafood products who either harvested the seafood himself or has purchased the seafood directly from commercial fishermen or shrimpers shall obtain a license based on a flat fee not to exceed one hundred dollars ($100.00).

Sec. 23-16. Definitions

As used in this article, the following terms shall have the indicated meanings:

Itinerant vendor means and includes and shall be construed to mean and include all persons as well as their agents, and employees, who engage in the temporary or transient business in this city, of selling or offering for sale any goods or merchandise, including photographs and portraits, or exhibiting the same for sale or exhibiting the same for the purpose of taking orders for the sale thereof; and who for the purpose of carrying on such business or conducting such exhibits thereof, either hire, rent, lease or occupy any room or space in any building, structure, or other enclosure, or lot in the city, in, through, or from which any goods, or merchandise may be sold, offered for sale, exhibited for sale, or exhibited for the purpose of taking orders for the sale thereof. Outdoor itinerant vendors shall only be permitted along parade routes from two hours prior to until one hour following an officially permitted parade and as otherwise allowed in Sec. 23-23 herein. No person shall otherwise be permitted to sell merchandise outdoors or on the sidewalks or streets of the City or on any other public property.

Sec. 23-23. Exemptions from article

This article is not and shall not be held to be applicable to:

(a) Ordinary commercial traveler who sells or exhibits for sale goods or merchandise to parties engaged in the business of buying and selling and dealing in such goods and merchandise.

(b) Sellers of seasonal forestry products in their natural state: Farmers or their employees to sell or peddle farm produce in its natural state; proof of such natural state and production by said farmers must be made to the city tax collector in the form of a notarized affidavit prior to the sale of the produce. Furthermore, this article shall not be construed to prevent this municipality from exercising its police powers to prevent the parking of any vehicle for a period of time which is longer than thirty (30) minutes on any street, avenue, alley or public place nor to otherwise make reasonable regulations with respect to the sales of farm produce.

(c) Any non-profit organization where sale of goods or merchandise are donated by the owners thereof, the proceeds of which are to be applied to any charitable or philanthropic purpose.

(d) Any business on the premises of Southeastern Louisiana University in conformity with its regulations and guidelines.

(e) Any festival permitted by the City of Hammond in which an itinerant vendor exemption is specifically granted.

BE IT FURTHER ORDAINED by the City of Hammond that the effective date of this
Ordinance shall be 10/4/02

FURTHERMORE, BE IT KNOWN that it is the intent of the City Council that were any portion of the above and foregoing to be declared unenforceable by a court of competent jurisdiction, the enforceability of the remaining portions shall not be adversely affected thereby.

AN ORDINANCE TO AMEND ZONING ORDINANCE #01-2769, SECTION 2.9

BE IT ORDAINED by the City of Hammond that:

TO AMEND ZONING ORDINANCE #01-2769, SECTION 2.9 TO ADD THE FOLLOWING:

2.91 Temporary buildings to be reviewed in relationship to building permits and the Hammond Zoning Ordinance:

- all commercial buildings being reviewed by the City Building Department for occupancy or for business use in the City will be reviewed as if they are permanent structures if they are connected or will connect to City utilities, electric service, gas service, or telephone service. Such structures must obtain State Fire Marshall review and Health Department review where required, along with hard-surfaced parking approved by the City Building Department. Mobile homes or mobile offices will not be permitted as permanent business structures within the City limits. Complete plans and specifications for each building must be provided to the Building Dept. to be reviewed as a permanent structure.

- buildings to be used for a seasonal business purpose and containing less than 200 square feet under one single roof may be exempt from the paved parking requirement and the requirement to submit full building plans (but not site plans) to the City. Such buildings and building sites shall only be in use for less than 6 months per calendar year. This may include snowball stands, sweet shops, fruit, vegetable, and fresh seafood sales, and Christmas tree sales. Such property (land and building) meeting this criteria must be maintained on a continual basis by the licensed business in order to renew its license annually. Lack of maintenance may result in the revocation of the business license.

- all other requested temporary commercial uses of buildings, mobile homes, or tents must first receive a waiver before being occupied or used for commerce within the City. Such waiver may not exceed six months and must be granted by the City Zoning Commission acting in their role as the Board of Zoning Adjustments, before such uses are placed in the City.

- the use of temporary construction trailers or portable buildings used on a temporary basis by construction companies while building and site construction is progressing, must be approved by the Building Department prior to placement in Hammond and may not be approved for more than one year. Temporary structures or tents to be placed as a result of a natural disaster and used on an emergency basis for only health or safety purposes must be approved by the Building Department prior to placement.

- non-profit fund raising organizations requesting to set up tents or temporary structures within the City on a temporary basis must first receive written permission from the City of Hammond Parks and Grounds Department and the Mayor's office, or his designee.

AN ORDINANCE AMENDING SECTION 12 CHAPTER V OF THE PERSONNEL
POLICIES AND PROCEDURES OF THE CITY OF HAMMOND REGARDING GROUP
INSURANCE- RETIREMENT BENEFITS

******************************************************************************

BE IT ORDAINED THAT Section 12 Chapter V of the Personnel Policies and Procedures regarding
Group Insurance be amended and supplemented to add additional paragraphs as follows.

RETIREMENT GROUP INSURANCE PLAN: The City may offer a Retirement Group Insurance Plan
to qualifying employees and elected officials upon separation of service in good standing with the City. If
implemented, the City Retirement Group Insurance Plan will be governed as follows:

1- In order to qualify for participation in the City Retirement Group Insurance Plan, an employee or elected
official (collectively referred to as “Participant”) must have continuous years of service with the City of
Hammond as set forth herein and must meet all of the eligibility requirements set forth herein. The
Participant must have also been covered under the City Group Health Insurance Program for at least 5 years
prior to separation of service in good standing with the City.

EXAMPLE: If a Participant has “employee only” coverage under the City Group Health Insurance Program for the
last year of employment, the Participant may only elect “employee only” coverage under the City Retirement Group
Insurance Plan.

EXAMPLE: If a Participant has “family coverage” under the City Group Health Insurance Program for the last year
of employment, the Participant may elect “family coverage”, “employee and spouse” or “employee only” coverage
under the City Retirement Group Health Insurance Program. However, once “family” or “spouse” coverage is
dropped, it may not be later reinstated.

2- Participants with at least 12 years but less than 20 years of continuous service may elect to remain covered
under the City Group Health Insurance Program with the City paying 25% of the individual employee
premium, not to exceed $350.00 per month.

3- Participants with 20 or more years of continuous service may elect to remain covered under the City Group
Health Insurance Program with the City paying 50% of the individual employee premium, not to exceed
$350.00 per month.

4- Participants who are elected officials with at least 8 years of continuous service in elective office may elect
to remain covered under the City Group Health Insurance Program with the City paying 25% of the
individual employee premium not to exceed $350.00 per month.

5- In addition to other eligibility requirements, in order to be eligible for coverage under the City Retirement
Group Health Insurance Program, a Participant and spouse and dependants, if covered, must not have
reached the age of 65 years, except that any Participant, otherwise eligible, who is currently age 65 or
older, will be allowed to participate in the City Retirement Group Health Insurance Program unless eligible
for Medicare coverage.

The City shall not be required to offer coverage under the Program set forth above, and, in addition, if such Program
is implemented, the City may choose to discontinue the Program at any time upon year notice.

BE IT FURTHER ORDAINED, the City Council of Hammond hereby declares and authorizes that the
Mayor of the City of Hammond, upon final enactment of this ordinance, shall have full authority to select the
provider of such coverage and execute all documents necessary to implement the City Retirement Group Health
Insurance Program.
BE IT FURTHER ORDAINED that this ordinance shall become effective July 1, 2003, and all previous ordinances or policies and procedures in conflict with this ordinance are hereby repealed.

This ordinance having been submitted in writing, having been introduced at a public meeting of the Hammond City Council, discussed at a public hearing of said Council and was submitted to an official vote of the Hammond City Council.

On motion of Montecino and seconded by Muscarello, the foregoing ordinance was hereby declared adopted on this day of May, 2003, by the following roll call vote:

_______________________________
LANITA JOHNSON, CLERK
HAMMOND C P Y COUNCIL
The following ordinance, having been introduced at a duly convened meeting on April 15, 2003, and laid over for publication of notice, was offered for final adoption by Nicky Muscarello and seconded by Kathy Montecino:

ORDINANCE NO. 03-2943.C.S.

An ordinance providing for the incurring of debt and issuance of One Million Two Hundred Ninety Thousand Dollars ($1,290,000) of Refunding Certificates of Indebtedness, Series 2003, of the City of Hammond, State of Louisiana; prescribing the form, terms and conditions of said Certificates; designating the date, denomination and place of payment of said Certificates, providing for the payment thereof in principal and interest; authorizing the agreement with the Paying Agent; and providing for the acceptance of an offer for the purchase of said Certificates; and providing for other matters in connection therewith.

WHEREAS, the Budget for City of Hammond, State of Louisiana (the "Issuer"), for the current fiscal year shows an excess of revenues (including fund balances) over statutory, necessary and usual charges and all other expenses for such fiscal year sufficient to meet the maximum principal and interest requirements in any future year on the Refunding Certificates of Indebtedness authorized herein (the "Certificates"), and this City Council, as the governing authority of the Issuer (the "Governing Authority"), will herein obligate itself and its successors in office to budget and set aside annually adequate funds for the payment of the Certificates in principal and interest in future years; and

WHEREAS, the Issuer now desires to incur debt and issues One Million Two Hundred Ninety Thousand Dollars ($1,290,000) of its Refunding Certificates of Indebtedness, Series 2003, in the manner authorized and provided by Chapter 14-A of Title 39 of the Louisiana Revised Statutes of 1950, and other constitutional and statutory authority, as hereinafter provided, for the purpose of refunding the Issuer's outstanding Certificates of Indebtedness, Series 2000 (the "Refunded Certificates"), and paying the costs of issuance of the Certificates; and

WHEREAS, the Issuer is not now a party to any contract pledging or dedicating its excess annual revenues above statutory, necessary and usual charges, EXCEPT said Refunded Certificates; and

WHEREAS, it is the desire of this Governing Authority to fix the details necessary with respect to the issuance of the Certificates and to provide for their authorization and issuance; and

WHEREAS, it is the further desire of this Governing Authority to provide for the sale of the Certificates at the price and in the manner hereinafter provided;
NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of
Hammond, State of Louisiana, that:

SECTION 1. Definitions. As used herein, the following terms shall have the
following meanings, unless the context otherwise requires:

“Act” means Chapter 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as
amended, and other constitutional and statutory authority.

"Agreement" means the agreement to be entered into between the Issuer and the
Paying Agent pursuant to this Ordinance.

"Certificate" means any certificate of indebtedness of the Issuer authorized to be
issued by this Ordinance, whether initially delivered or issued in exchange for, upon transfer of, or in
lieu of any certificate previously issued.

"Certificates" means the Issuer’s Refunding Certificates of Indebtedness, Series 2003,
authorized by this Ordinance, in the total aggregate principal amount of One Million Two Hundred
Ninety Thousand Dollars ($1,290,000).

"Certificate Register" means the records kept by the Paying Agent at its principal
corporate trust office in which registration of the Certificates and transfers of the Certificates shall be
made as provided herein.

"Executive Officers" means, collectively, the Mayor and the Clerk of the Council of
the Issuer.

"Fiscal Year" means the one-year accounting period ending June 30 of each year, or
such other period as may be designated by the Governing Authority as the fiscal year of the Issuer.

"Governing Authority" means the City Council of the City of Hammond, State of
Louisiana.

"Government Securities" means direct obligations of, or obligations the principal of
and interest on which are unconditionally guaranteed by the United States of America, which are
non-callable prior to their maturity, may be United States Treasury obligations such as the State and
Local Government Series and may be in book-entry form.

"Interest Payment Date" means May 1 and November 1 of each year in which the
Certificates are outstanding, commencing November 1, 2003.
"Issuer" means the City of Hammond, State of Louisiana.

"Outstanding" when used with respect to Certificates means, as of the date of determination, all Certificates theretofore issued and delivered under this Ordinance, except:

1. Certificates theretofore canceled by the Paying Agent or delivered to the Paying Agent for cancellation;

2. Certificates for which payment or redemption sufficient funds have been theretofore deposited in trust for the owners of such Certificates, provided that if such Certificates are to be redeemed, irrevocable notice of such redemption has been duly given or provided for pursuant to this Ordinance or waived;

3. Certificates in exchange for or in lieu of which other Certificates have been registered and delivered pursuant to this Ordinance;

4. Certificates alleged to have been mutilated, destroyed, lost or stolen which have been paid as provided in this Ordinance or by law, and

5. Certificates for the payment of the principal (or redemption price, if any) of and interest on which money or Government Securities or both are held in trust with the effect specified in this Ordinance.

"Owner" or "Owners" when used with respect to any Certificate means the Person in whose name such Certificate is registered in the Certificate Register.

"Paying Agent" means AmSouth Bank, in the City of Hammond, Louisiana, until a successor Paying Agent shall have been appointed pursuant to the applicable provisions of this Ordinance and thereafter "Paying Agent" shall mean such successor Paying Agent.

"Person" means any individual, corporation, partnership, joint venture, association, joint-stock company, trust, unincorporated organization or government or any agency or political subdivision thereof.

"Purchaser" means AmSouth Bank, of Baton Rouge, Louisiana, original purchaser of the Certificates.

"Record Date" for the interest payable on any Interest Payment Date means the 15th calendar day of the month next preceding such Interest Payment Date.
"Refunded Certificates" shall mean the Issuer's $1,345,000 of Certificates of Indebtedness, Series 2000, maturing November 1, 2003 through November 1, 2010, inclusive, which are being refunded by the Certificates, as more fully described in Exhibit A hereto.

"Ordinance" means this Ordinance authorizing the issuance of the Certificates, as it may be supplemented and amended.

SECTION 2. Authorization of Certificates; Maturities; Refunding of Refunded Certificates. In compliance with the terms and provisions of the Act, and other constitutional and statutory authority, and subject to the approval of the State Bond Commission, there is hereby authorized the incurring of an indebtedness of One Million Two Hundred Ninety Thousand Dollars ($1,290,000) for, on behalf of, and in the name of the Issuer, for the purpose of refunding the Issuer's outstanding Certificates of Indebtedness, Series 2000, and paying the costs of issuance of the Certificates, and to represent said indebtedness, this Governing Authority does hereby authorize the issuance of One Million Two Hundred Ninety Thousand Dollars ($1,290,000) of Refunding Certificates of Indebtedness, Series 2003, of the Issuer. The Certificates shall be in fully registered form, shall be dated the date of delivery thereof, shall be issued in the denomination of Five Thousand Dollars ($5,000) or any integral multiple thereof within a single maturity and shall be numbered from R-1 upward. The Certificates shall bear interest from the date thereof or from the most recent Interest Payment Date to which interest has been paid or duly provided for, payable on each Interest Payment Date, commencing November 1, 2003, at the following rates of interest per annum and shall become due and payable and mature serially on November 1 of the years and in the amounts, as follows:

The principal of the Certificates shall be payable at the principal office of the Paying Agent, upon presentation and surrender thereof, and interest on the Certificates shall be payable by check of the Paying Agent mailed by the Paying Agent to the Owner (determined as of the close of business on the Record Date) at the address shown on the Certificate Register. Each Certificate delivered under this Ordinance upon transfer of, in exchange for or in lieu of any other Certificate shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Certificate, and each such Certificate shall bear interest (as herein set forth) so neither gain nor loss in interest shall result from such transfer, exchange or substitution.

No Certificate shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Certificate a certificate of registration, substantially in the form provided in this Ordinance, executed by the Paying Agent by manual signature.

The Certificates issued under this Ordinance shall be issued for the purpose of refunding the Refunded Certificates in order to provide for the payment of the principal of and interest on the Refunded Certificates upon redemption as provided for herein, and paying the costs of issuance.

Provision having been made for the orderly payment until redemption of all the Refunded Certificates, in accordance with their terms, it is hereby recognized and acknowledged that
as of the date of delivery of the Certificates under this Ordinance, provision will have been made for
the performance of all covenants and agreements of the Issuer incidental to the Refunded Certificates,
and that accordingly, and in compliance with all that is herein provided, the Issuer is expected to have
no future obligation with reference to the aforesaid Refunded Certificates, except to assure that they
are paid in full.

SECTION 3. Redemption Provisions. The Certificates are not callable for
redemption prior to their stated dates of maturity.

SECTION 4. Registration and Transfer. The Issuer shall cause the Certificate
Register to be kept by the Paying Agent. The Certificates may be transferred, registered and assigned
only on the Certificate Register, and such registration shall be at the expense of the Issuer. A
Certificate may be assigned by the execution of an assignment form on the Certificate or by other
instruments of transfer and assignment acceptable to the Paying Agent. A new Certificate or
Certificates will be delivered by the Paying Agent to the last assignee (the new Owner) in exchange
for such transferred and assigned Certificates after receipt of the Certificates to be transferred in
proper form. Such new Certificate or Certificates shall be in the denomination of $5,000 or any
integral multiple thereof within a single maturity. Neither the Issuer nor the Paying Agent shall be
required to issue, register, transfer or exchange any Certificate during a period beginning at the
opening of business on a Record Date and ending at the close of business on the Interest Payment
Date.

SECTION 5. Form of Certificates. The Certificates and the endorsements to appear
thereon shall be in substantially the following forms, respectively, to-wit:
The City of Hammond, State of Louisiana (the "Issuer"), promises to pay, but solely from the source and as hereinafter provided, to:

or registered assigns, on the Maturity Date set forth above, the Principal Amount set forth above, together with interest thereon from the Certificate Date set forth above or the most recent interest payment date to which interest has been paid or duly provided for, payable on May 1 and November 1 of each year, commencing November 1, 2003 (each an "Interest Payment Date"), at the Interest Rate per annum set forth above until said Principal Amount is paid. The principal of this Certificate, upon maturity, is payable in lawful money of the United States of America at the principal office of AmSouth Bank, in the City of Hammond, Louisiana, or successor thereto (the "Paying Agent"), upon presentation and surrender hereof. Interest on this Certificate is payable by check mailed by the Paying Agent to the registered owner (determined as of the close of business on the 15th calendar day of the month next preceding each Interest Payment Date) at the address as shown on the registration books of the Paying Agent. This Certificate is one of an authorized issue aggregating in principal the sum of One Million Two Hundred Ninety Thousand Dollars ($1,290,000) of Refunding Certificates of Indebtedness, Series 2003, of the Issuer (the "Certificates") all of like tenor and effect except as to number, interest rate, denomination and maturity, said Certificates having been issued by the Issuer pursuant to an ordinance adopted by its governing authority on May 20, 2003 (the "Ordinance"), for the purpose of refunding the Issuer's outstanding Certificates of Indebtedness, Series 2000, and to pay the costs incurred in connection with the issuance of the Certificates, under the authority conferred by Chapter 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority.
The Certificates are not callable for redemption prior to their stated dates of maturity.

The Issuer shall cause to be kept at the principal office of the Paying Agent a register (the "Certificate Register") in which registration of the Certificates and of transfers of the Certificates shall be made as provided in the Ordinance. This Certificate may be transferred, registered and assigned only on the Certificate Register, and such registration shall be at the expense of the Issuer. This Certificate may be assigned by the execution of the assignment form hereon or by other instrument of transfer and assignment acceptable to the Paying Agent. A new Certificate or Certificates will be delivered by the Paying Agent to the last assignee (the new registered owner) in exchange for this transferred and assigned Certificate after receipt of this Certificate to be transferred in proper form. Such new Certificate or Certificates shall be in the denomination of $5,000 or any integral multiple thereof within a single maturity. Neither the Issuer nor the Paying Agent shall be required to issue, register, transfer or exchange any Certificate during a period beginning at the opening of business on the 15th calendar day of the month next preceding an Interest Payment Date and ending at the close of business on the Interest Payment Date.

The Certificates are secured by and payable as to principal and interest solely from a pledge and dedication of the excess of annual revenues of the Issuer above statutory, necessary and usual charges in each of the fiscal years during which the Certificates are outstanding. The Issuer has covenanted and agreed and does hereby covenant and agree to budget annually a sufficient sum of money to pay the Certificates, and the interest thereon, as they respectively mature, including any principal and/or interest theretofore matured and then unpaid, and to levy and collect in each year charges and to collect other revenues within the limits prescribed by law, sufficient to pay the principal of and interest on the Certificates. The Issuer, in the Ordinance, has also entered into certain other covenants and agreements with the registered owners of the Certificates for the terms of which reference is made to the Ordinance.

This Certificate shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Ordinance until the certificate of registration hereon shall have been signed by the Paying Agent.

It is certified that this Certificate is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana. It is further certified, recited and declared that all acts, conditions and things required to exist, to happen and to be performed precedent to and in the issuance of this Certificate and the issue of which it forms a part to constitute the same legal, binding and valid obligations of the Issuer have existed, have happened and have been performed in due time, form and manner as required by law, and that the indebtedness of the Issuer, including this Certificate and the issue of which it forms a part, does not exceed the limitations prescribed by the Constitution and statutes of the State of Louisiana.
IN WITNESS WHEREOF, the Issuer, acting through its governing authority, the City Council of the City of Hammond, State of Louisiana, has caused this Certificate to be executed in its name by the signatures of its Mayor and Clerk of the Council and its corporate seal to be impressed hereon.

The Certificates shall be secured by and payable solely from a pledge and dedication of the excess of annual revenues of the Issuer above statutory, necessary and usual charges in each of the Fiscal Years during which the Certificates are outstanding. There is hereby irrevocably pledged and dedicated to the payment of the Certificates an amount of such excess of annual revenues sufficient to pay same in principal and interest as they respectively mature. Until the Certificates shall have been paid in full in principal and interest, the Governing Authority does hereby obligate the Issuer, itself and its successors in office, to budget annually a sum of money sufficient to pay the Certificates and the interest thereon as they respectively mature, including any principal and/or interest theretofore matured and then unpaid, and to levy and collect in each year taxes and to collect other revenues within the limits prescribed by law, sufficient to pay the principal of and interest on the Certificates.

SECTION 8. Parity Certificates. The Issuer shall issue no other certificates, revenue bonds or any other debt obligations of any kind or nature payable from or enjoying a lien on the excess of annual revenues having priority over or parity with the Certificates, except that additional certificates may hereafter be issued on a parity with the Certificates under the following conditions:

(1) The Certificates herein authorized or any part thereof, including the interest thereon, may be refunded, and the refunding certificates so issued shall enjoy
complete equality of lien with the portion of the Certificates which is not refunded, if there be any, and the refunding certificates shall continue to enjoy whatever priority of lien over subsequent issues may have been enjoyed by the Certificates refunded; provided, however, that if only a portion of the Certificates outstanding is so refunded and the refunding certificates require total principal and interest payments during any year in excess of the principal and interest which would have been required in such year to pay the Certificates refunded thereby, then such Certificates may not be refunded without the consent of the Owner of the unrefunded portion of the Certificates issued hereunder (provided such consent shall not be required if such refunding certificates meet the requirements set forth in clause 2 of this Section).

(2) Additional Certificates of Indebtedness may be issued on and enjoy a full and complete parity with the Certificates with respect to the excess of annual revenues, provided that the anticipated excess of annual revenues (including fund balance) in the year in which the additional Certificates of Indebtedness are to be issued, as reflected in the budget adopted by the Governing Authority, must be at least equal to the combined principal and interest requirements for any calendar year on the Certificates and the said additional Certificates of Indebtedness.

(3) Junior and subordinate Certificates of Indebtedness may be issued without restriction.

(4) The Issuer must be in full compliance with all covenants and undertakings in connection with the Certificates and there must be no delinquencies in payments required to be made in connection therewith.

(5) The additional certificates must be payable as to principal on November 1st of each year, commencing not more than 2 years from the date thereof, and payable as to interest on May 1 and November 1 of each year.

SECTION 9. Sinking Fund. For the payment of the principal of and the interest on the Certificates and any additional parity Certificates of Indebtedness, there has been created a special fund known as "Refunding Certificates of Indebtedness (2003) Sinking Fund", said Sinking Fund being maintained with the regularly designated fiscal agent bank of the Issuer. The Issuer shall deposit in the Sinking Fund at least one (1) day in advance of the date on which each payment of principal and/or interest on the Certificates falls due, funds fully sufficient to promptly pay the maturing principal and/or interest so falling due on such date. The depository for the Sinking Fund
shall transfer from the Sinking Fund to the Paying Agent funds fully sufficient to pay promptly the principal and interest falling due on such date.

It shall be specifically understood and agreed, however, and this provision shall be a part of this contract, that after the funds have actually been set aside out of the revenues of any Fiscal Year sufficient to pay the principal and interest on the Certificates herein authorized for that Fiscal Year, and all required amounts have been deposited in the aforesaid Sinking Fund established for the Certificates, then any excess of annual revenues remaining in that Fiscal Year shall be free for expenditure by the Issuer for any other lawful corporate purpose.

All moneys deposited with the regularly designated fiscal agent bank or banks of the Issuer or the Paying Agent under the terms of this Ordinance shall constitute sacred funds for the benefit of the Owners of the Certificates, and shall be secured by said fiduciaries at all times to the full extent thereof in the manner required by law for the securing of deposits of public funds.

All or any part of the moneys in the Sinking Fund shall, at the written request of the Issuer, be invested in accordance with the provisions of the laws of the State of Louisiana, in which event all income derived from such investments shall be added to the General Fund of the Issuer.

SECTION 10. Budget: Audit. As long as any of the Certificates are outstanding and unpaid in principal or interest, the Issuer shall prepare and adopt a budget prior to the beginning of each Fiscal Year and shall furnish a copy of such budget within thirty (30) days after its adoption to the Paying Agent and the Purchaser, the Issuer shall also furnish a copy of such budget to the Owners of any of the Certificates who request the same. Not later than three (3) months after the close of each Fiscal Year, the Issuer shall cause an audit of its books and accounts to be made by the Legislative Auditor or an independent firm of certified public accountants showing the receipts and
disbursements made by the Issuer during the previous Fiscal Year. Such audit shall be available for inspection by the Owner of any of the Certificates, and a copy of such audit shall be furnished to the Purchaser.

SECTION 11. Application of Proceeds. The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Ordinance, to cause the necessary Certificates to be printed, to issue, execute and seal the Certificates, and to effect delivery thereof as hereinafter provided. The proceeds from the sale of the Certificates shall be applied first (on the date of delivery of the Certificates) to the full payment and retirement of the Issuer’s outstanding Refunding Certificates of Indebtedness, Series 2000, and second to the costs of issuance of the Certificates.

SECTION 12. Certificates Legal Obligations. The Certificates shall constitute legal, binding and valid obligations of the Issuer, and shall be the only representations of the indebtedness as herein authorized and created.

SECTION 13. Ordinance a Contract. The provisions of this Ordinance shall constitute a contract between the Issuer, or its successor, and the Owner or Owners from time to time of the Certificates, and any such Owner or Owners may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by this Governing Authority or the Issuer as a result of issuing the Certificates.

No material modification or amendment of this Ordinance, or of any Ordinance amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Certificates then outstanding, provided, however, that no modification or amendment shall permit a change in the maturity or
redemption provisions of the Certificates, or a reduction in the rate of interest thereon, or in the
amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal
of and the interest on the Certificates as the same shall come due from the revenues appropriated,
pledged and dedicated to the payment thereof by this Ordinance, or reduce the percentage of the
Owners required to consent to any material modification or amendment of this Ordinance, without the
consent of the Owners of the Certificates.

one or more of the provisions of this Ordinance or of the Certificates shall for any reason be held to
be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Ordinance
or of the Certificates, but this Ordinance and the Certificates shall be construed and enforced as if
such illegal or invalid provisions had not been contained therein. Any constitutional or statutory
provisions enacted after the date of this Ordinance which validate or make legal any provision of this
Ordinance and/or the Certificates which would not otherwise be valid or legal, shall be deemed to
apply to this Ordinance and to the Certificates.

SECTION 15. Recital of Regularity. This Governing Authority having investigated
the regularity of the proceedings had in connection with the Certificates and having determined the
same to be regular, the Certificates shall contain the following recital, to-wit:

"It is certified that this Certificate is authorized by and is issued in
conformity with the requirements of the Constitution and statutes of
the State of Louisiana."

SECTION 16. Effect of Registration. The Issuer, the Paying Agent, and any agent of
either of them may treat the Owner in whose name any Certificate is registered as the Owner of such
Certificate for the purpose of receiving payment of the principal (and redemption price) of and interest on such Certificate and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 17. Notices to Owners. Wherever this Ordinance provides for notice to Owners of Certificates of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Owner of such Certificates, at the address of such Owner as it appears in the Certificate Register. In any case where notice to Owners of Certificates is given by mail, neither the failure to mail such notice to any particular Owner of Certificates, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Certificates. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner or Owners entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 18. Cancellation of Certificates. All Certificates surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly canceled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already canceled, shall be promptly canceled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Certificates previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Certificates so delivered shall be
promptly canceled by the Paying Agent. All canceled Certificates held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 19. Mutilated, Destroyed, Lost or Stolen Certificates. If (1) any mutilated Certificate is surrendered to the Paying Agent, or the Issuer and the Paying Agent receive evidence to their satisfaction of the destruction, loss or theft of any Certificate, and (2) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that such Certificate has been acquired by a bona fide purchaser, the Issuer shall execute, and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Certificate, a new Certificate of the same maturity and of like tenor, interest rate and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Certificate has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Certificate, pay such Certificate. Upon the issuance of any new Certificate under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen certificate shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Certificate shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Certificates. Any additional procedures set forth in the Agreement, authorized in this Ordinance, shall also be available with respect to mutilated, destroyed, lost or stolen Certificates. The provisions of this
Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Certificates.

SECTION 20. Discharge of Ordinance; Defeasance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owner, the principal of and interest on the Certificates, at the times and in the manner stipulated in this Ordinance, then the pledge of the money, securities, and funds pledged under this Ordinance and all covenants, agreements, and other obligations of the Issuer to the Owner shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Ordinance to the Issuer.

Certificates or interest installments for the payment of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section if they are defeased in the manner provided by Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended.

SECTION 21. Successor Paying Agent; Paying Agent Agreement. The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Certificates. The designation of the initial Paying Agent in this Ordinance is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of a Ordinance or Ordinance giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to each Owner. Every Paying Agent appointed hereunder shall at all times be a bank or trust company organized and doing business under the laws of the United States.
of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of said officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 22. Disclosure Under SEC Rule 15c2-12. It is recognized that the Issuer will not be required to comply with the continuing disclosure requirements described in the Rule 15c-2-12(b) of the Securities and Exchange Commission [17 CFR §240.15c2-12(b)], because the Certificates are not being purchased by a broker, dealer or municipal securities dealer acting as an underwriter in a primary offering of municipal securities.

SECTION 23. Arbitrage. The Issuer covenants and agrees that, to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Internal Revenue Code of 1986 and any amendment thereto (the "Code") in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Certificates under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Certificates or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Certificates to be "arbitrage bonds" or would result in the inclusion of the interest on any of the Certificates in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Certificate proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Certificates in a manner which would cause the Certificates to be "private activity bonds".

-18-
The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or certificate necessary to effectuate the purposes of this Section.

SECTION 24. Qualified Tax-Exempt Obligations. The Certificates are designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code. In making this designation, the Issuer finds and determines that:

(a) the Certificates are not "private activity bonds" within the meaning of the Code; and

(b) the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Issuer and all subordinate entities in calendar year 2003 does not exceed $10,000,000.

SECTION 25. Publication. A copy of this Ordinance shall be published immediately after its adoption in one issue of the official journal of the Issuer.

SECTION 26. Award of Certificates. The Issuer hereby accepts the offer to purchase the Certificates of the Purchaser pursuant to the terms and conditions set forth in the commitment letter attached hereto as Exhibit "B", and after their execution and authentication by the Paying Agent, the Certificates shall be delivered to said Purchaser upon receipt by the Issuer of the agreed purchase price.

SECTION 27. Call for Redemption. (a) The Issuer's $1,345,000 of Certificates of Indebtedness, Series 2000, consisting of the outstanding certificates of that issue, maturing November 1, 2003 to November 1, 2010, inclusive, which are being refunded by the Certificates, as more fully described in Exhibit A hereto, are hereby called for redemption on the date of delivery of said
Certificates, at the principal amount of each certificate so redeemed, together with accrued interest to
the call date, in compliance with the ordinance authorizing their issuance.

In accordance with the ordinance authorizing the issuance of the Refunded
Certificates, a Notice of Call for Redemption in substantially the form attached hereto as Exhibit C,
shall be sent by the paying agent for the Refunded Certificates to the registered owners of the
Refunded Certificates all as the same appear on the registration books of said paying agents by means
of first class mail not less than fifteen (15) days prior to the respective date of redemption.
SECTION 28. Employment of Bond Counsel. The employment of the law firm of Foley & Judell, LLP, as Bond Counsel to handle all matters of a legal nature in connection with the negotiation, sale, issuance and delivery of the Certificates is hereby ratified and confirmed. The Executive Officers are authorized to enter into a contract with said counsel in substantially the form attached hereto as Exhibit “D” providing for their employment.

SECTION 29. Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

SECTION 30. Effective Date. This Ordinance shall become effective immediately. This ordinance having been submitted to a vote, the vote thereon was as follows:

EXHIBIT B (Form of Commitment Letter), EXHIBIT C (Notice of Call for Redemption) and EXHIBIT D (Contract of Employment) to this ordinance have not been published. These Exhibits are on file with the minutes of the City Council of the City of Hammond, at 310 E. Charles Street, Hammond, Louisiana, and are available for inspection during regular business hours weekdays, Monday through Friday.
The following ordinance, which was previously introduced on April 15, 2003, and laid over for publication of notice, was offered for final adoption by Nicky Muscarello and seconded by Willie Jackson:

**ORDINANCE NO. 03-2944, C.S.**

An ordinance authorizing the issuance of Three Million Nine Hundred Thirty Thousand Dollars ($3,930,000) of Water and Sewer Revenue Refunding Bonds, Series 2003, of the City of Hammond, State of Louisiana; prescribing the form, terms and conditions of said Bonds; designating the dates, denominations and place of payment of said Bonds; providing for the payment thereof in principal and interest; providing for the acceptance of an offer for the purchase of said Bonds; and providing for other matters in connection therewith.

WHEREAS, the City of Hammond, State of Louisiana (the "Issuer") now owns and operates a combined water treatment and distribution system and sewage collection, treatment and disposal system (the "System"), and

WHEREAS, the Issuer has heretofore issued (i) $2,150,000 of its Water and Sewer Revenue Bonds, Series 1993 (the “Series 1993 Bonds”), (ii) $4,000,000 of its Water and Sewer Revenue Bonds, Series 1998A (the “Series 1998A Bonds”) and (iii) $922,000 of Water and Sewer Revenue Refunding Bonds, Series 1998B (the “Series 1998B Bonds”), which bonds are payable solely from the revenues derived from the operation of the System; and

WHEREAS, the Issuer has found and determined that the refunding of (i) the Series 1993 Bonds maturing December 1, 2003 through December 1, 2005, inclusive, (ii) the Series 1998A Bonds maturing December 1, 2003 through December 1, 2010, inclusive, and (iii) the Series 1998B Bonds maturing December 1, 2003 through December 1, 2010, inclusive (collectively, the "Refunded Bonds"), would be financially advantageous to the Issuer, and it is also the desire of this City Council to issue, in the name of the Issuer, Three Million Nine Hundred Thirty Thousand Dollars ($3,930,000) of Water and Sewer Revenue Refunding Bonds, Series 2003 (the "Refunding Bonds"), the Refunding Bonds to be secured by and payable solely from the income and revenues derived or to be derived from the operation of the System, pursuant to Chapter 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended, as hereinafter provided; and

WHEREAS, it is the desire of this City Council to fix the details necessary with respect to the issuance of the Refunding Bonds and to provide for the authorization and issuance thereof;

-1-
NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Hammond, State of Louisiana, acting as the governing authority of the Issuer, that:

ARTICLE I

DEFINITIONS AND INTERPRETATION

SECTION I.1 Definitions. As used in this ordinance, the following terms shall have the following meanings unless the context otherwise requires:

"Act" means Chapter 14-A, Title 39 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority.

"Additional Parity Bonds" means any pari passu additional obligations hereafter issued by the Issuer on a parity with the Bonds with respect to the Revenues, as provided in Section 8.1 of this Ordinance.

"Agreement" means the agreement to be entered into between the Issuer and the Paying Agent pursuant to this Ordinance.

"Bonds" or "Refunding Bonds" means the Water and Sewer Revenue Refunding Bonds, Series 2003 of the Issuer, issued pursuant to this Ordinance, as the same may be amended from time to time, whether initially delivered or issued in exchange for, upon transfer of, or in lieu of any previously issued Bond.

"Bond Register" means the records kept by the Paying Agent at its principal corporate trust office in which registration of the Bonds and transfers of the Bonds shall be made as provided herein.

"Consulting Engineer" means a regionally known consulting engineer or firm of consulting engineers with skill and experience in the construction and operation of publicly owned water and sewer systems.

"Costs of Issuance" shall mean all items of expense, directly or indirectly payable or reimbursable and related to the authorization, sale and issuance of the Bonds, including but not limited to printing costs, costs of preparation and reproduction of documents, filing and recording fees, initial fees and charges of any fiduciary, legal fees and charges, fees and charges for the preparation and distribution of a preliminary official statement and official statement, if paid by the Issuer, fees and disbursements of consultants, engineers and professionals, costs of credit ratings, fees and charges for preparation, execution, transportation and safekeeping of the Bonds, costs and expenses of refunding, premiums for the insurance of the payment of the Bonds, if any, and any other

CITY OF HAMMOND ORDINANCE NO. 03-2945, C.S.

AN ORDINANCE AMENDING SECTION 21-100.1 OF THE CODE OF ORDNANCES FOR THE CITY OF HAMMOND

BE IT ORDAINED by the Mayor and City Council of the City of Hammond, State of Louisiana that the following be added to Section 21-100.1 of the Code of Ordinances of the City of Hammond:

This section shall not be applicable to the placing of tables or chairs by businesses during operating hours on public sidewalks immediately adjacent to such places of business in the Downtown Development District of the City of Hammond, or other such place outside the DDD with prior City Council approval, provided all of the following conditions are met:

(1) The City Building Inspector must give approval of the areas designated for such use after proper inspection to assure public safety, and issues a permit for use thereon; and

(2) The business or owner requesting such permit must provide the City of Hammond with satisfactory evidence of general liability insurance coverage naming the City as an additional insured in an amount not less than $250,000.00 with such insurance carriers acceptable to the City; and

(3) The business or owner requesting such permit shall be responsible for the cleaning of all public sidewalks immediately adjacent to his place of business at such times and in a manner acceptable to the City Building Inspector; and

ORDINANCE NO. 03-2955, C. S.

AN ORDINANCE TO AMEND ZONING ORDINANCE SECTION 3.1 FENCES, SHRUBS, AND BUFFER ZONES

BE IT ORDAINED by the City of Hammond that:

Section 3.1 Fences, Shrubs, and Buffer Zones

b) Solid, non-opaque fences at least 6 to 8 feet high (depending upon the case involved) may be required by the Building Official as a shield between residential and commercial or industrial uses, or between commercial and commercial uses, that cause an obvious nuisance to a residential or commercial use. Said fence shall be placed at the expense of the party creating the nuisance, as determined by the Building Official. In cases of disagreement between the party(s) involved and the Building Official, an appeal may be filed to the Hammond Board of Adjustments (Hammond Zoning Commission). Where vehicle parking exists adjacent to a fence, fences shall be protected from damage and parked vehicles by a curb, or wheel stops, and a two-foot deep green space area. This must be installed at the expense of the party creating the nuisance on their property only. (See Fence Definition, Page 9). Use of only bushes and trees (without also a man-made fence) cannot serve as a buffer fence unless pre-approved by the Zoning Board with rules outlined for maintaining the plant material and keeping it at a certain height. Before placement of a fence, a fence permit must be obtained from the Hammond Building Department and the fence design and proposed location or placement on a parcel, (as indicated on a survey or parcel map) or lot must be approved by the City.

d) Solid fences of stone, vinyl, stucco, wood, concrete or woven wire fences of up to 8 ft. in height may be erected on those parts of a lot that are as far back or farther back than the required front building set back line (set back from adjacent streets), or the front point of any primary structure thereof, whichever distance is greater. (residential or commercial)

f) Barbed wire fencing may not be used within residential district of the City. Fences next to parking lots must be protected by wheel bumper stops.

The above and foregoing ordinance having been duly submitted to the Hammond City Council in writing; introduced at a public meeting of the Hammond City Council discussed at the said public meeting; after motion and second was submitted to the official vote of the Hammond City Council.

WHEREFORE the above and foregoing ordinance was declared duly adopted on this 5th day of August, year 2003, at Hammond, Tangipahoa Parish, Louisiana.

“AN ORDINANCE AMENDING ORDINANCE #2530 CONCERNING METAL BUILDING FACADES and APPROVAL OF BUILDING DESIGN STANDARDS WITHIN THE DOWNTOWN DEVELOPMENT DISTRICT

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HAMMOND, LOUISIANA AT ITS REGULAR SESSION HELD ON AUGUST 5, 2003 THAT...

A. The minimum facade requirements for newly constructed, enlarged, or renovated metal clad buildings, located within the Downtown Development District and the Overlay District boundaries, and used for commercial or institutional purposes, be amended to include the requirement that non-metal siding be used on at least 80 percent of the exterior facade (measured by square footage and not including windows) area for all sides of the building, and that

B. This requirement shall not include areas of the City approved as industrial zones for industrial uses, or buildings within the federally recognized Hammond Historic District, or temporary construction trailers used for a period not to exceed 12 continuous months, and that

C. The City of Hammond Building Department will coordinate with and consult any adopted design guidelines passed by the Downtown Development District (DDD) before approving building permits within the DDD boundaries. The DDD may appoint a design representative or sub-committee to review and approve the architectural design of building plans before building permits are issued.

D. If the Building Department, the DDD, or an applicant for a building permit, disagree with the requirements necessary to approve a building permit for building construction, addition, or renovation, an appeal may be made to the Hammond Planning and Zoning Commission for final administrative approval.

WHEREFORE the above and foregoing ordinance was declared duly adopted on this amendment passed this 5th day of August, 2003 by a vote of the Council.

AN ORDINANCE TO SUPPORT OF FAA CONTRACT

BE IT ORDAINED by the City of Hammond that:

CITY OF HAMMOND

WHEREAS, Title 2 of the Louisiana Revised Statutes of 1950 provides that cities, towns, parishes, and other political subdivisions of this State may separately or jointly acquire, establish, construct, expand, own, lease, control, equip, improve, maintain, operate, regulate, and police airports and landing fields for the use of aircraft; and,

WHEREAS, the State of Louisiana, Department of Transportation and Development, Division of Aviation (formerly the LA DOTD-OAPT) is charged by Title 2 with the responsibility for the development of aviation facilities within the State to foster air commerce and to safeguard the interests of those engaged in all phases of the aviation industry and of the general public; and,

WHEREAS, the CITY OF HAMMOND has completed an FAA- and DOTD-approved Master Plan, Action Plan, and/or Airport Layout Plan which outlines the specific future development of the Hammond Airport; and, the CITY OF HAMMOND is desirous of implementing a portion of the approved Plan recommendations which provide for the critically needed improvements as stated below to substantially improve the safety and usability of the Airport, but does not have sufficient funds of its own required for completing the needed improvements; and,

WHEREAS, the LA DOTD, Division of Aviation is authorized by Title 2 to expend funds for the construction or enlargement of airports for the safety and advancement of aeronautics;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY OF HAMMOND OF TANGIPAHOA PARISH, LOUISIANA:

SECTION I

That the CITY OF HAMMOND does hereby formally request that the LA DOTD, Division of Aviation provide funds required to complete the airport improvements at the Hammond Airport specifically described as:

Completion of a Surface Analysis to determine load-bearing capacities for all paved areas.

Section II

The CITY OF HAMMOND of Tangipahoa Parish, Louisiana, does hereby appoint and authorize the LA DOTD, Division of Aviation to act as agent for the CITY OF HAMMOND for the following purposes:

To provide financial assistance to the CITY OF HAMMOND in the amount of ten percent (10%) of the total cost necessary for the completion of the described improvement to match other funds to be provided by the Federal Aviation Administration which may amount to ninety percent (90%) of the total allowable project costs.

SECTION III

That the said LA DOTD, Division of Aviation be and is hereby assured that all necessary servitudes, rights-of-way, rights of ingress and egress and means thereof will be furnished by the CITY OF HAMMOND and the titles thereto will be valid and indefeasible, and that the CITY OF HAMMOND will assume ownership, financial reporting, and complete responsibility for the maintenance and upkeep of the airport after completion of said improvement.
SECTION IV
That the CITY OF HAMMOND will save and hold the said LA DOTD, Division of Aviation, its officers, agents, and employees harmless from any liability or claim for damages arising out of the project, including death or injuries to third parties including, but not limited to, liability or claim for damages out of the negligence of said LA DOTD, Division of Aviation, its officers, agents, or employees, and expressly agrees to defend any suit of any nature brought against the LA DOTD, Division of Aviation as a result of this project.

SECTION V
That the Mayor of the CITY OF HAMMOND be and is hereby authorized and directed to evidence this agreement by affixing his signature at the place provided therefore on this resolution and the Clerk is hereby authorized to attest said execution.

SECTION VI
That this resolution shall be in full force and effect from and after its adoption.

The Hammond City Council for the CITY OF HAMMOND of the Parish of Tangipahoa met in regular session on this date. The aforesaid resolution was offered by Muscarello and seconded by Jackson. The aforesaid resolution, having been submitted to a vote, the vote thereon was as follows:
