ORDINANCE NO. 18-5573

AN ORDINANCE TO AMEND THE UNIFIED DEVELOPMENT
CODE REGARDING POLITICAL SIGNS

BE IT ORDAINED by the City of Hammond City Council that:

Section 1: The Unified Development Code Article 13 section 13.1.10 be amended to read as follows:

+++++

Article 13

...

13.1.10 Temporary signs

- A. Temporary signs are those that generally are not allowed by this article but which may be displayed for periods of no more than fourteen (14) consecutive days upon receiving written prior approval from the building official. Temporary signs may be approved for periods of up to fourteen (14) consecutive days, two (2) times per calendar year, for any one business. No one business then may display temporary signs for more than twenty-eight (28) days per calendar year.
- B. Temporary signs that may be approved shall be limited to:
- (1) Banner signs that announce special events relating to public purposes, charity, non-profit entities, or tourism. Such signs approved by the building official may be erected across public streets that are no more than two (2) lanes wide.
 - (2) Portable or trailer signs that display grand openings or "special events."
 - (3) Signs painted or built onto vehicles to be parked as advertising.
- C. It should be noted that this article allows many types of temporary signs that do not need approval from the building official. An example would be a business that announces a special sale with a temporary sign on their building or on an approved pole or mobile sign. Such signs do not need prior approval. Real estate, contractor signs, and political campaign signs are also examples of temporary signs that do not need prior written approval from the city when installed according to the guidelines of this article.
- D. Political campaign signs are all considered temporary. These signs are not allowed on public right-of-way, public buildings, public parks, utility poles, or on public trees and may at any time be removed from the public property by the city.
