

## **SOLID WASTE PROFESSIONAL SERVICE CONTRACT**

This contract (the "Contract") is made and entered into this \_\_\_\_ day of August, 2022, by and between the City of Hammond Louisiana, (hereinafter referred to as the "City") and Waste Pro of Louisiana Inc., (hereinafter referred to as the "Contractor"), both acting by and through their duly authorized agents and representatives. The City and the Contractor may hereinafter be referred to together as the "Parties."

### **WITNESSETH**

**WHEREAS**, the City desires to provide Residential Units within its city limits with solid waste collection and transportation services by engaging an independent contractor to perform such professional services; and,

**WHEREAS**, the contractor has provided the City with a Quote dated August 3, 2022 for residential solid waste collection and transportation services on a contract basis; and

**WHEREAS**, the City desires to engage the Contractor, with respect to that level of professional service described herein in this Contract.

**NOW, THEREFORE**, in consideration of the following mutual agreements and covenants, is understood and agreed by and between the parties hereto as follows:

1. The Contractor is hereby granted the non-exclusive license and privilege within the territorial jurisdiction of Hammond to, and Contractor hereby agrees to, furnish all personnel, labor, equipment, trucks, and all other items necessary to provide collection services as specified and to perform all of the work called for and described in the Contract Documents (defined below).

2. The Contract Documents shall include the following documents, and this contract does hereby expressly incorporate same herein as fully as if set forth verbatim in this Contract:

- a. The Quote dated August 3, 2022.
- b. The current count of collection units for the City is 5,714. The number of units can be adjusted upward or downward monthly, based on the fluctuation of utility customers. Computer printouts can be provided by the City, upon request, to substantiate collection unit counts.
- c. This instrument.
- d. Any addenda or changes to the foregoing documents agreed to in writing by the parties hereto.

3. All provisions of the Contract Documents shall be strictly complied with and conformed to by the Contractor, and no amendment to this Contract shall be made except upon written consent of the parties. No amendment shall be construed to release either party from any obligation of the Contract Documents except as specifically provided for in such amendment. The terms of this Contract, if approved and accepted by the City, unless expressly amended according to the provisions of the foregoing, shall constitute the sole and entire agreement between Contractor and the City.

4. This Contract is entered into subject to the following conditions:

- a. The Contractor shall procure and keep in full force and effect throughout the term of this Contract, all the insurance policies specified in section 28 of the Contract.
- b. The Contractor shall not be liable for the failure to wholly perform his duties if such failure is caused by a catastrophe, riot, war, strike, fire, accident, act of God, hurricane, pandemic, or other similar or different contingency beyond the reasonable control of the Contractor and Contractor gives the City timely notice of such event.
- c. In the event that any provision or portion thereof of any Contract Document shall be found to be invalid or unenforceable, then such provision or portion thereof shall be reformed in accordance with the portion of any Contract Document shall not in and of itself affect the validity or unenforceability of any other provision or portion of the Contract Document.
- d. Contractor shall coordinate a deployment schedule with Amwaste, the City's prior waste pick-up provider.
- e. Performance Bond. Contractor shall provide a performance bond in an amount equal to 100% of the first year compensation and shall be written by a surety or insurance company currently on the U.S. Department of the Treasury Financial Management Service list of approved bonding companies which is published annually in the Federal Register, or by a Louisiana domiciled insurance company with at least an A- rating in the latest printing of the A.M. Best's Key Rating Guide to write individual bonds up to ten percent of policyholders' surplus as shown in the A.M. Best's Key Rating Guide or by an insurance company in good standing licensed to write bid bonds which is either domiciled in Louisiana or owned by Louisiana residents, all in accordance with R.S. 38:2219.

5 **Contractor's Services:** The work to be done and services to be performed, as more specifically disclosed by the aforesaid documents, the performance of which is covered by this Contract, is the regularly scheduled collection of solid waste from all residential units and small commercial units in the Contractor supplied cart and placed outside of the cart (up to 2 cubic yards) within the geographic limits of the area delineated as the City of Hammond limits 2 times per week, including yard waste, and the delivery of collected waste materials to a DEQ approved disposal site. The service excludes the collection of hazardous waste and prohibited waste. The service includes bulky waste and yard waste.

6. Contractor shall provide one (1) 95-gallon cart to each unit paying for monthly garbage collection through the City's billing system. The unit shall pay for an additional cart, not to exceed ten dollars (\$10.00) per cart. Contractor is responsible for replacement/repair to damaged/stolen carts at no additional cost to the resident and/or City when Contractor damages the cart, the cart fails through normal wear and tear or a police report is provided to the contractor. Other than the aforementioned situations or when the residential unit is responsible for the damage or negligent in the care of the carts, the Contractor will provide a replacement cart once the residential unit pays the replacement cost for the replacement cart. Contractor shall retain ownership of the cart(s).

During a transition period through October 14, 2022, City residents shall be allowed to use and Contractor shall pick up from Amwaste carts. Contractor shall be responsible for any damage

its causes to the Amwaste carts. Contractor agrees to indemnify and hold the City harmless from any and all liability, damages, or expenses, including attorney's fees and court costs, of any nature or kind whatsoever arising from Contractor's conduct in the use of the Amwaste carts by Contractor.

7. **Location of Collection:** The residential units of the service area will be required to place all solid waste for collection under this contract within five (5) feet, or closer, to the City's maintained road/street or curb as reasonably practicable so same is accessible to Contractor for roadside and/or curbside collection. When construction work prohibits contractor from safely accessing streets/roads then the solid waste shall be placed as close as practicable to an access point available to the collection vehicle at the nearest City maintained road or street. Contractor may decline to collect any solid waste not appropriately placed. Put out time for garbage collection should be no later than 5:00 a.m. Earliest pickup time will not be before 5:00 a.m.

Contractor shall make reasonable accommodations to retrieve carts from a location near the home for residents with a mobility impairment who have registered with Contractor.

Collection routes shall be established by the Contractor. The Contractor shall submit a map designating the routes to the City for approval, which approval shall not be unreasonably withheld. The Contractor may from time to time propose for the City to approve changes in routes or days of collection, which approval shall not be unreasonably withheld. After approval, the Contractor shall promptly give written or published notice to the affected collection units.

8. **Contractor's Compensation:** The Contractor agrees to furnish all equipment and personnel necessary for the timely and adequate performance of the work and services contemplated by this Contract. Contractor agrees to faithfully perform the same in accordance with the Contract Documents to the satisfaction of the City and in accordance with the laws of the United States, the State of Louisiana, and the ordinances of the City.

For these services, the Contractor shall initially be compensated the amount of \$18.60 per unit per month, (Contractor to pay disposal and tipping fees). Should the City designated disposal site currently located at the Parish landfill in Independence/Amite change, Contractor shall be entitled to an equitable adjustment in rates, to take into consideration distance, transportation costs, time and other relevant factors. Contractor shall provide City with supporting documentation for such adjustment and City shall respond to such claim within thirty (30) days of such receipt. Provided, however, that the foregoing does not constitute a waiver or release of any claims Contractor may have against the City for breach of the terms of this Contract, or for damages resulting from the negligence or willful misconduct of the City, its employees, agents and subcontractors.

9. **Labor Force:** The Contractor shall employ only such superintendents, foremen, and workmen who are reasonably careful and competent and fully qualified to perform the duties or tasks assigned to them.

All employees of the Contractor and/or its subcontractors, if any, shall comply with all applicable laws and regulations, and shall have sufficient skill, ability and experience to properly perform the work assigned to them and operate any equipment necessary to properly carry out the performance of their assigned duties. The Contractor agrees to maintain a work environment free from the use, possession, distribution and influence of controlled substances, alcohol, intoxicants, narcotics or other mind-altering substances and to prohibit employees from using,

possessing, distributing or being under the influence of drugs or alcohol at any time within the course and scope of their employment.

The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

The Contractor will comply with all the provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor. The Contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the City and Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated or suspended in whole or part, and the Contractor may be declared ineligible for further governmental contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor, or as otherwise provided by law.

The Contractor will include the provisions of this section of this Contract in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions, including sanctions for noncompliance. Provided, however, that in the event of the Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into such litigation to protect the interest of the United States.

10. **Equipment:** The Contractor shall provide a sufficient number of vehicles for regular collection services. All vehicles and other equipment shall be kept in good repair, appearance, and in sanitary condition at all times and capable of being unloaded by dumping or automatic push-out means. The equipment shall be a standard product of a reputable manufacturer so that continuing service and delivery of spare parts may be assured. Contractor shall collect all materials to be collected by it in compacting trucks enclosed on the sides, rear and top so as to avoid spillage of garbage on any street or highway. Each vehicle shall have clearly visible on each side the vehicle number along with the identity and telephone number of the Contractor. All collection vehicles must have current license tags. The Contractor will be responsible for cleaning up any materials spilled or blown during the course of pick-up and/or hauling operations.

11. **Right of Inspection:** The City hereby reserves the right to inspect and evaluate the Contractor's operations relating to its performance hereunder either on a continual or random inspection basis. The contractor shall be promptly informed in writing of the results of each inspection and evaluation.

12. **House Count:** The Contractor and City agree that either party may perform a house

count of units, by a mutually approved process, within ninety (90) days of the start date of the contract. If neither party does a house count, then the house count will remain at 5,714. The Contractor and City may do an annual house count within sixty (60) days prior to the anniversary of the contract in order to determine the number of units for service and billing.

The City will notify the Contractor when new units are added/removed to the City upon their occupancies so that Contractor may begin/stop servicing the additional units on their next service day. These units will be added/removed to the house count and numbers billed as the units are added/removed.

13. **Billing:** On or before the 5<sup>th</sup> day of each month, the Contractor shall submit an invoice to the City. The City shall make payments to the Contractor on the basis of said invoice for work performed during the preceding calendar month within 30 days of receipt of invoice.

14. **Complaints:** All complaints shall be made directly to the Contractor and shall be given prompt and courteous attention. In the case of a missed scheduled collection, as verified by the City, the Contractor shall arrange for the collection of the garbage by the end of the next business day after the complaint is received. The complaints will be recorded with the Trac-Ez system. The Contractor shall publish the collection routes and a toll-free phone number where complaints will be received. Contractor shall provide this phone number to all offices of the City of Hammond so that complaints can be forwarded to Waste Pro accordingly. The Contractor will provide the City with a record of all complaints and resolutions on a monthly basis as requested. Records shall be maintained in a complete, accurate and up-to-date manner to accurately represent all information required by this contract.

15. **Non-Compliance Default by the City or Contractor:** Except as otherwise provided herein, if either party breaches this contract or defaults in the performance of any of the covenants or conditions contained herein for thirty days after the other party has given the party breaching or defaulting written notice of such breach or default, unless a longer period of time is required to cure such breach or default and the party breaching or defaulting shall have commenced to cure such breach or default within said period and pursues diligently to the completion thereof, the other party may: (a) terminate this contract as of any date which the said other party may select provided said date is at least thirty days after the thirty days in which to cure or commence curing; (b) cure the breach or default at the expense of the breaching or defaulting party; and/or (c) have recourse to any other right or remedy to which it may be entitled by law, including, but not limited to, the right for all damage or loss suffered as a result of such termination. In the event either party waives default by the other party, such waiver shall not be construed or determined to be a continuing waiver of the same or any subsequent breach or default.

Notwithstanding the above, if the Contractor fails to provide collection service from the specified areas for a period in excess of six (6) consecutive, scheduled working days or fails to operate the system in a satisfactory manner in accordance with these specifications for a similar period, the City may:

- A. Select a substitute contractor to perform the collection duties, and
- B. Compensate the substitute contractor from receipts due the Contractor and from his/her performance bond.

If the Contractor fails to resume satisfactory service within fifteen (15) days, the City shall consider the contract as breached.

Contractor shall be in default for failure to maintain the insurance required under Section 28.

16. **Rate Modification:** The Contractor and City agree that the aforementioned rate will be firm for the initial year of the contract. Annually, on the anniversary date of the contract, beginning in 2023 and going forward, the contractor may adjust the rate in accordance with any increase in the Consumer Price Index for all Urban Consumers: Water and Sewer and Trash Collection Services in U.S. City Averages, not to exceed a 6% yearly increase.

Additionally, the Contractor may petition the City to modify the rates at reasonable times based on changes in circumstances beyond the Contractor's control such as increased taxes or fees imposed by governmental agencies (excluding income taxes). In the event fuel costs increase by more than ten percent (10%) over the Base Fuel Rate of \$4.80 per gallon for diesel fuel, as established by the Energy Information Administration of the U.S. Department of Energy, Weekly Retail On-Highway Diesel Prices for the Gulf Coast Region, currently published on its website at [www.eia.doe.gov](http://www.eia.doe.gov), Contractor shall have the right to request an increase in compensation from the City to offset such increased costs; however, no such rate adjustment shall be made without supporting documentation of said increases and a formal approval by the City, which will not be unreasonably withheld.

17. **Term:** The initial Contract period shall be for five (5) years commencing on September 1, 2022, and continue until August 31, 2027. The parties may agree to extend the contract terms up to the number of years allowed by the state of Louisiana.

18. **Compliance with Laws/Discrimination Prohibited:** The Contractor, in the execution, performance, or attempted performance of this Contract, shall not discriminate against any person or persons because of gender, race, religion, color or national origin. The Contractor is an equal opportunity employer and shall have an affirmative action plan. The Contractor agrees to comply with all applicable state, federal and local laws, rules and regulations, including, but not limited to the Davis-Bacon Act, the Contract Work Hours Standards Act, the Anti-Kickback Act, the Civil Rights Act of 1964, the Americans with Disabilities Act and the Occupational Safety and Health Act, as each of the same exists on the date hereof or as may be amended from time to time.

19. **Independent Contractor:** The relationship of the Contractor to the City shall be that of an independent contractor, and no principal-agent or employer-employee relationship between the parties is created by this Contract.

Contractor agrees to indemnify, defend and hold harmless the City, its agents, employees and insurers from and against, and, upon demand, reimburse the City for, all claims, demands, liabilities, losses, damages, judgments, penalties, costs and expenses, including, without limitation, reasonable attorney's fees and disbursements, which may be imposed upon, asserted against or incurred or paid by the City by reason of, on account of or in connection with (a) any default by Contractor under this Agreement, or (b) any damage or injury caused by Contractor and its employees and agents. provided, however, that the Contractor shall not be liable for any suits, actions, legal proceedings, claims, demands, damages, costs, expenses and attorneys' fees arising

solely out of a willful or negligent act or omission of the Cities, its officers, agents, servants and employees.

20. **Choice of Law:** The parties agree that this Contract shall be governed by the laws of the State of Louisiana; the parties further agree that venue for all actions arising out of this Contract shall be in Tangipahoa Parish Louisiana.

21. **Assignment:** The Contractor may not assign or sublet, in whole or in part, by operation of law or otherwise, this Contract or any of its rights or obligations hereunder, to any person or entity without the prior written consent of the City.

22. **Unenforceable Provisions:** The invalidity or unenforceability of any provision hereof shall not affect the validity or enforceability of any other provision of this Contract, which shall remain in full force and effect.

23. **Amendment to the Contract:** This Contract may only be amended in writing by mutual agreement of both parties and signed by the parties hereto. Additional services that may be added can include recyclable material collection, roll off containers, front load containers, hazardous material collection, and drop off facilities (to name a few).

24. **Holiday schedule:** The following holidays will be observed by the Contractor: New Year's Day, Thanksgiving Day & Christmas Day. Contractor will not be able to provide services on any additional holidays that the Landfill is not open. The Contractor will suspend collection for the holiday if it falls on a collection day. The Contractor shall be responsible for providing notice of changes in collection schedules due to observance of the above holidays. Contractor shall notify the City at least two weeks in advance of any changes in collection due to a holiday by email. All publicizing shall be done prior to holiday to provide sufficient notice to the Public prior to the change in the collection schedule.

25. **Force Majeure:** Neither the Contractor nor the City shall be liable for the failure to perform its duties if such failure is caused by a catastrophe, riot, war, governmental order or regulation, strike, act of God, hurricane, pandemic or other similar or different contingency beyond the reasonable control of the Contractor or City. This clause applies to the Contractor's ability to perform and does not extend to vendors or subcontractors of the Contractor.

In the event of a natural disaster, the Contractor shall be required to resume service as soon after the event as possible, as determined by streets being cleared following the storm. The Contractor shall provide records showing the recent average volume of waste collection, and shall maintain the same average level of collection, per route, unless other arrangements are agreed upon in writing. (Contract calls for 95-gal container pick up 2 times per week) Events that are not determined to be a declared disaster by the State of Louisiana shall not automatically impact collection schedule; however, depending on the severity of damage or debris, other arrangements may be agreed upon in writing. Following such events, additional equipment may be required to collect all waste on the normal schedule.

26. **Contractor's Office Hours** shall be 8:00 am until 5:00 pm, Monday through Friday excluding holidays. The Contractor's customer service line phone number, (985) 298-0010, will be provided to all City offices.

27. Where notices are required by the Contract, such notices shall be given in writing,

registered or certified mail, return receipt requested and directed to:

THE CITY:                   The City of Hammond  
                                  Attention: Mayor Peter Panepinto  
                                  310 East Charles St.  
                                  Hammond, LA 70401

THE CONTRACTOR:       Waste Pro  
                                  Attention: Jesse Murphy  
                                  550 Windward Dr.  
                                  Covington, LA 70433

28. INSURANCE - At all times during the Contract, the Contractor shall maintain in full force and effect, Employer's Liability, Worker's compensation, Public Liability and Property Damage insurance. All insurance shall be by insurers and for policy limits acceptable to the City and before commencement of work hereunder the Contractor agrees to furnish the City with Certificates of Insurance satisfactory to the City to the effect that such insurance has been procured and is in force. The certificates shall contain the following express obligation:

"This is to certify that the policies of insurance described herein have been issued to the insured for whom this certificate is executed and are in force at this time. In the event of cancellation or material change in policy affecting the certificate holder, thirty (30) days prior written notice will be given the certificate holder."

For the purposes of the Contract, the Contractor shall carry the following types of insurance in at least the limits specified below:

<u>Coverage</u>	<u>Limits of Liability</u>
Worker's Compensation	Statutory
Employer's Liability	\$500,000
Bodily Injury Liability (Except Automobile)	\$500,000 each occurrence \$100,000 aggregate
Property Damage Liability (Except Automobile)	\$500,000 each occurrence \$100,000 aggregate
Automobile Bodily Injury Liability	\$500,000 each occurrence \$100,000 each occurrence

Automobile Property Damage Liability	\$500,000 each occurrence
Excess Umbrella Liability	\$1,000,000 each occurrence

The City of Hammond SHALL be added to all policies, except for Worker's Compensation and the Employer Liability policies as an additional insured.

To the extent permitted by law, all or any part of any required insurance coverage may be provided under a plan or plans of self-insurance. The coverage may be provided by the Contractor's parent corporation.

29 LIQUIDATED DAMAGES - As a breach of the service provided by the Contract would cause serious and substantial damage to the City and its occupants, and the nature of the Contract would render it impracticable or extremely difficult to fix the actual damage sustained by the City by such breach, it is agreed that in case of breach of service, the City may elect to collect liquidated damages as specified below and not as a penalty, the amounts set forth below, such sums being agreed as the amount which the City will be damaged by the breach of such service. An election to seek such remedies shall not be construed as a waiver of any legal remedies the City may have as to any subsequent breach of service under this Contract.

- A truck beginning residential collections prior to 5:00 a.m. providing collections after 8:00 p.m. without approval of the City. \$100 per day per truck
- Failure to collect within 24 hours of notification to Contractor and validation that service collection was not provided as required under this Contract. \$50 for each collection service unit verified to not have been timely collected per occurrence
- Repetition of validated complaints on a route after notification of spilling, non-collection, crossing planted areas or similar violations. \$50 each day per verified occurrence

City shall provide notice to the Contractor of the imposition of liquidated damages and Contractor shall respond within five (5) days in an effort to resolve any differences. Such liquidated damages as the City shall elect to collect will be deducted from the monthly payments due the Contractor.
