

Ms. Heather Diebold  
Hammond Historic District Coordinator  
219 E Robert St.  
Hammond, Louisiana

July 21, 2022

I would like to first say thank you, the HHD members and the Council for their consideration of my application to become a HHD commissioner and allow me to use my experience to give back to the City of Hammond. Since my retirement after 46 years in the construction/development industry I was looking for this type of opportunity to serve. I think the existing HHD members fulfill a special need in the community and I would like to be part of the team.

Even though I am not a Hammond original, I have been a residence for the past 18 years and expect to be here another 20. I look forward to working together for the benefit of all.

Thank you.
