

**This spreadsheet is not a purchase order**

**Order Sheet Instructions**

- 1) Only one vehicle configuration may be entered on each Order Sheet. Use a separate Order Sheet for each different vehicle configuration being ordered. The listed configurations are the only configurations available. However, additional configurations may be added to the contract upon request. To request additional configurations, contact the dealer or OSP.
- 2) Enter the number of vehicles being ordered in the tan boxes under either Base Vehicle or Optional Configurations.
- 3) Under Available Exterior Colors, enter the number of vehicles in the tan boxes to the right of the desired color(s). Multiple Colors may be ordered on one Order Sheet
- 4) Under Optional Equipment, select "Yes" in the tan box if the option is desired. Leave blank or select "No" if the option is not desired. The listed options are the only options available. However, additional options may be added to the contract upon request. To request an option be added to the contract, contact the dealer or OSP.
- 5) The cost per vehicle and total order cost will automatically calculate at the bottom of the Order Sheet.
