

**CITY OF HAMMOND
ORDINANCE No.**

An Ordinance to Provide for the Permitting of Mobile Food Vendors

BE IT ORDAINED by the City Council of Hammond, Louisiana, that Chapter 19 Licenses, Permits and Miscellaneous Business Regulations be amended by adding Article XI Mobile Food Vendors, to read as follows:

.....
ARTICLE XI MOBILE FOOD VENDORS

Sec. 19-297. Definitions

The following words, terms and phrases, when used in this ordinance, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Defined permitted areas means specific locations within those areas set forth in section 9-298, and which are based upon such criteria as distance from fixed-based restaurants, valid concerns by other businesses or private citizens about specific areas or such other concerns as may be necessary to protect the rights of private citizens and land-based businesses. The city always retains the right to modify an issued permit or to relocate any previously approved location or to require relocation of any mobile food vendor vehicle, if city determines the original location is not suitable, with that determination to be in the sole discretion of the city.

Food Item as used herein shall mean food of any kind that is prepared, packaged or in a form that is suitable for immediate ingestion or consumption by human beings and shall not include any non-food items.

Mobile food vendor means a person, natural or juridical, that has obtained the required permits under this Ordinance to operate a mobile food operation to serve or distribute food item on the public right-of-way, on allowed public areas, or private property. Mobile food vendors will include food trailers and carts.

Mobile food vendor vehicle means any vehicle that is completely mobile with no permanent fixed location and which qualifies as a mobile vendor under the rules and regulations of the

Louisiana Department of Health and Hospitals, the vendor of which prepares all or most of its food item on board the vehicle to serve or distribute to customers, in a form suitable for immediate ingestion or consumption.

Permittee means the recipient of a mobile food vending permit under the terms and provisions of this ordinance.

Private property means any privately owned property, including a private business that is allowing the sale of food items from a mobile food vendor.

Public right-of-way means any city street, alley, road, sidewalk, neutral ground, or other passageway whereby pedestrians or vehicles traverse.

Serve or distribute means soliciting the sale of or offering for sale food items.

Sec. 9-298. - Permitted locations.

- (a) Mobile food vendors shall only be allowed to operate in areas specifically designated by the city for food truck sales. However, unless otherwise authorized in an area not open to vehicular traffic, no mobile food vendor vehicle shall be located in the Downtown Development District unless under a special event permit granted by the city.
- (b) On private property zoned for food sales, with the express written consent of the owner.
- (c) On city-owned properties, other than public streets, within and without the area described in (a), subject to obtaining a special event permit.

Sec. 9-299. - Permit required and authorized.

Every person, whether natural or juridical, who desires to use the public right-of-way, public places or private property and operate as a mobile food vendor or as a mobile food vendor vehicle shall first apply for and be granted a mobile vending permit from the Louisiana Department of Health and Hospitals pursuant to Title 51, Chapter XXIII of the Administrative Code, and a mobile vending permit from the City of Hammond as provided in this Ordinance.

Sec. 9- 300. - Permit requirements.

- (a) A mobile vending permit shall be applied for with the city and shall be on forms provided by the city and in the format and number of copies as required by the instructions. No permit shall be issued until all requisite approvals by the Louisiana Department of Health and Hospitals are finalized and received by the City of Hammond tax department.
- (b) Any permit that is issued shall in each instance state the occasion and location for which it is issued, the location of the mobile food vendor activity and the date upon which it will expire; or may be issued on an annual basis. Nothing contained herein precludes the prorating of permit

fees. Annual permits which are issued may cover all permitted locations within the City of Hammond, but shall remain subject to these further restrictions and provisions as may be established or as may be otherwise limited by this Ordinance.

(c) Permits shall be conspicuously displayed and be clearly visible from outside the mobile food unit at all times during operation.

(d) The mayor for the City of Hammond may prescribe such other policies and procedures as to the issuance of permits as may be required to carry out the full intent and purpose of this Ordinance.

(e) The provisions of this Ordinance regarding issuance of a mobile vending permit from the city shall not be applicable to those areas and events which are otherwise exempted by the Louisiana Department of Health and Hospitals for events such as recognized fairs and festivals.

Sec. 9-301. - Permit and franchise fees.

There shall be a single instance permit fee of one hundred dollars (\$100.00). The annual permit fee shall be four hundred dollars (\$400.00). This fee shall be in addition to any fee imposed by this Chapter or R.S. 47:35, et seq. for a person who also operates a separate food preparation and/or sales business at a fixed location. This fee shall be in lieu of any fee otherwise imposed by this Chapter or R.S. 47:35, et seq. on a person who is not otherwise required to obtain a license for business activities except for operation of a mobile food vendor or a mobile food vendor vehicle.

Sec. 9 -302. - Rules and regulations for all mobile food vendors.
