

**CITY OF HAMMOND  
ORDINANCE No. \_\_\_\_\_**

**AN ORDINANCE DIRECTING THE CLEARING OF RIGHT-OF-WAYS.**

**WHEREAS**, the City Council has determined based upon the experiences of residents of the City that trees located in City right of ways may a danger to people, electricity lines, access, and structures, specifically including, but not limited to during emergency situations such as following hurricanes, ice storms, streets, and other sever weather occurrences; and

**WHEREAS**, the City Council recognizes that following Hurricane Ida emergency responses were delayed **due** to the necessity of extensive tree clearing and removal required to obtain access; and

**WHEREAS**, the City Council recognizes that trees fallen into creeks, canals, ditches, and other drainage is slowing drainage and increasing the risk of flooding within the City; and

**WHEREAS**, the City Council recognizes that following Hurricane Ida some residents' ability to evacuate was delayed due to the necessity of extensive tree clearing and removal required to exit; and

**WHEREAS**, the City Council recognizes that following Hurricane Ida fallen trees increased power outages, delayed restoration of power, and increased the costs passed on to residents of restoring power within the City; and

**WHEREAS**, the City Council recognizes clearing trees from public right of ways prior to emergency situations reduces the costs of tree clearing and removal, decreases the potential for power outages, access obstructions, and damage and expense to property; and

**WHEREAS**, the City Council recognizes that it is in the public interest to clear trees that threaten public health, safety and welfare from right of ways prior to emergency situations.

**THEREFORE, BE IT ORDAINED:**

1. That the City Council authorizes the Mayor to remove any and all trees that threaten public health, safety and welfare within any public right of way when requested by the property owner or adjacent property owner.

2. That to facilitate the efficient implementation of this Ordinance the City shall create an email address [rightofwayclearing@hammond.org](mailto:rightofwayclearing@hammond.org) where residents may request the removal of trees from city rights of way and provide the location of the trees.
3. To further facilitate the efficient implementation of this Ordinance the City shall maintain a current and up to date list of pending requests available for inspection at all times during normal City business hours.
4. This ordinance shall not supersede any existing ordinance relating to removal of live oak trees and storm water management.
