Additional Information:

10/20/2022: BOA approved a variance request to allow for a zero-foot side street setback where 10-feet is required for the property located at 15146 Montecino Drive. The following comments were made: although it is highly unlikely that the City of Hammond will develop or build Brauner Street and annexation of additional parcels within this area is unlikely, this variance was granted with the understanding that Brauner Street remains a city right-of-way that could be developed in the future.

STATE OF LOUISIANA
PARISH OF TANGIPAOA

AGREEMENT

This Agreement is entered into by and between: **GLADSTONE HOLDINGS, LLC** (“Gladstone”), a Louisiana limited liability company represented by its duly authorized member, Chris Wisecarver, and **JOHN MONTECINO, SR. AND KATHLEEN MONTECINO** (collectively, “Montecino”), both persons of the full age of majority and domiciled in Tangipahoa Parish, who, after being duly sworn, did state that they agree as follows:

Montecino and Gladstone are the owners of property adjoining Brauner Street in Hammond, Louisiana, as shown on the attached map.

Brauner Street is undeveloped by the City of Hammond and it is expected that the City of Hammond will revoke the dedication of Brauner Street.

Once revoked, under Louisiana law, the adjoining owners of property that is revoked become the owners and therefore, Gladstone and Montecino will then own an interest in the revoked property immediately adjoining their property formerly known as Brauner Street.

For good and valuation consideration, receipt and sufficiency of which is acknowledged, the parties agree as follows:

1. This Agreement is conditioned upon the City revoking the undeveloped Brauner Street (the “Property”) within two (2) years from the date of the last party to sign this Agreement.
2. Upon timely revocation, Gladstone agrees to transfer all of its right, title and interest in the Property to Montecino for no monetary consideration, free and clear of mortgages, liens or encumbrances, but otherwise without any warranty, but with all rights of subrogation and substitution Gladstone may have in the Property. The transfer shall be in recordable form and on terms reasonably acceptable to both Gladstone and Montecino and in accordance with this Agreement.
3. Within thirty (30) days after the revocation of the Property, Montecino will have the right to examine and inspect the Property, at Montecino’s sole expense. Gladstone will allow reasonable access to the Property for purposes of inspection. Montecino may terminate this Agreement within the inspection period above for any reason, or for no reason.
4. If Montecino does not terminate this Agreement, and subject to the parties’ approval of the form of the transfer, within sixty (60) days after the revocation Gladstone shall execute the transfer. Gladstone will not assume any liability for the transfer, including expenses, charges, taxes, the condition of the Property to include environmental hazards, or other claims, except Gladstone will pay its own attorney’s fees. Montecino will pay the taxes for the Property for the year of the transfer.

5. This Agreement shall be binding on the heirs, successors and assigns of the respective parties, and this Agreement may be signed in multiple counter parts. A copy of this Agreement shall suffice as an original for all purposes.

6. The deadline for the inspection period, deadline to sign this Agreement or deadline to close on the transfer may be extended due to causes beyond the reasonable control of the parties, including but not limited to pandemics, hurricanes, or requirements or regulations of any civil or military authority (an "Event of Force Majeure"). Each of the parties hereto agrees to give notice forthwith to the other upon becoming aware of an Event of Force Majeure, such notice to contain details of the circumstances giving rise to the Event of Force Majeure. If an Event of Force Majeure causes a delay of any deadline for more than three months, then either party shall be entitled to terminate this Agreement. Neither party shall have any liability to the other in respect of the termination of this Agreement as a result of an Event of Force Majeure.

6. This Agreement shall be null and void if it is not signed by both parties on or before June 1, 2023.
