I have given the vendor registration paperwork to the correct people and they will get it to you as soon as possible. For the bid on the new truck, we don't have the resources in place yet to give you one I could guarantee just yet. Please keep us in mind for future bids as we grow and become more familiar with the CDJR systems like we are with General Motors. We look forward to building a great relationship with the City of Hammond.

Good Morning,  
Thank your for taking my phone call. I have forwarded the email that I had originally sent to Mr. Ricky.

Also, I included a vendor registration packet so we can get the company name updated.

Thanks,
