Good Morning,

Thanks for responding and thank you for introducing yourself. I will direct my emails to you in the future. Gerry Lane actually has 2024's available to purchase so I was reaching out to see if you may have had some available as well. We are trying to move forward with this purchase because our K9 units need to be replaced ASAP. Can you send me your direct phone number so I may call you with another question?

Thanks,

Jana Thurman Soileau

Good afternoon, I hope all is well. Just wanted to email you and introduce myself. My name is Marquis Robertson. I am the new car manager at Ross Downing Chevrolet. Ryan Downing and Rod Morris wanted me to reach out to you. We absolutely would love to order those trucks for you all. It will however have to be a 2025. The ordering for 2024 ended in May. I am still awaiting the pricing on the 2025 Silverado. Will that be okay

Good Afternoon,

The Hammond Police Department has put in a request to purchase 4 Chevrolet Silverado PPV vehicles with K-9 package off of Louisiana State Contract # 4400023794. The City would like to reach out to Ross Downing since you are our local Chevy dealer and see if you would be interested in matching the State Contract vehicle specifications and price with up to a 3% increase allowed. I have attached a copy of the spreadsheet for your reference.
