Terms and Conditions:

- Acceptance of this quote in the form of an order released to L3Harris constitutes acceptance of L3Harris Technologies Standard Terms of Sale. The most current version of L3Harris Technologies Standard Terms and Conditions of Sale (available at <https://www.l3harris.com/all-capabilities/pspc-customer-care>) are incorporated herein by reference.
- This document contains L3Harris Technologies proprietary information. All information provided shall not be disclosed nor duplicated for any purpose other than to evaluate this proposal. No further disclosure, reproduction, or use of any part thereof may be made except with L3Harris Technologies' prior written approval.
- Pricing does not include installation, programming, taxes or shipping (if applicable), unless otherwise noted.
- Please note that due to transportation regulations all Li-Ion batteries can take up to twelve (12) weeks for delivery. For specifics, please reference the IATA regulations, which may be found online at: <http://www.iata.org/lithiumbatteries>
- These items/technical data are controlled by the United States government and cannot be exported from the United States or shared with a Foreign National without prior approval from the United States government. Delivery is dependent on receipt of an export license, when applicable.
- Storing battery packs is not recommended because the chemicals in the battery degrade over time and this affects the functionality of the battery. Batteries that have been stored for longer than their warranty period (12 months) may become non-functional and will not be covered under L3Harris battery warranty.
