

ORDINANCE OF THE HAMMOND CITY COUNCIL

NO. _____

An ordinance to amend fees for leases and services at Hammond Northshore Regional Airport by adding a six cents per square foot per month fee for the rental of private apron/ramp.

WHEREAS, Ordinance 25-5751 increased fees for leases and services at the Airport;

WHEREAS, in consideration of these fees and future economic development at the Airport, the Airport and the City have determined that a single fee for hangar rent is inadequate—resulting in hangar (i.e. building) and private apron/ramp (i.e. associated concrete, asphalt, or other improved flat surfaces) being valued the same;

WHEREAS, after consultation with the Airport Advisory Board, the Louisiana Department of Transportation and Development, and the Federal Aviation Administration, the Airport and the City have determined that a separate fee of six cents per square foot per month for the rental of private apron/ramp adequately recognizes the difference in value between hangar and private apron/ramp; and

WHEREAS, this separate fee will not adversely impact Airport revenues and will result in meaningful savings for Airport tenants—helping both to retain and to attract tenants who require a large amount of apron/ramp for operations.

NOW, THEREFORE BE IT ORDAINED BY THE CITY OF HAMMOND that

Effective November 1, 2026, Section 4-3 of the Code of Ordinances be amended to add:

Private apron/ramp rent, per square foot, per month 0.06
