Re: RESOLUTION TO APPROVE ALCOHOL RENEWALS

Good Evening,

This is an annual renewal of all businesses that hold an existing alcohol license in the City of Hammond.

I submitted a list prior to the meeting which list each of those **102** businesses inside the city limits of Hammond.

There is 1 new businesses that is not listed that is asking for Approval Tonight that will also need their 2027 approval.

All of these businesses have been before the City Council and already gotten approval.

This is an annual renewal of existing alcohol that we do each year. We need the approval before we send out the renewal forms.

There are several things that we ask of them to provide with their renewals to include a Sales Tax Clearance AND Notarized documents.

City renewal time is different than the state. The City has a calendar year and the state has a fiscal year. They have to renew with both ANNUALLY. Tangipahoa Parish ATC permit expires in **August**.

WE ARE SEEKING YOUR APPROVAL TONIGHT.
